From Thorpe *The Still of Night (A Rush of Wings Book #2)* Kristen Heitzmann, 2003-10-01 Kristen Heitzmann's characters leap from the page with a balance of strength and fragility as they face anguish from the past. Jill and Morgan, once high school sweethearts, had loved and lost each other and the baby whom Jill gave up at birth. Years later, Morgan is outwardly successful but he is still haunted by the memory of the tiny child. And then Jill shows up again in his life with very disturbing news. With her trademark dramatic storytelling, Heitzmann takes readers on an unforgettable journey with two wounded souls as they struggle toward healing and restoration. *Texas Girl (A memoir by Robin Silbergleid)* Robin Silbergleid, 2014-06-01 At twenty-seven years old, Robin Silbergleid decided to become a single mother. Not as a backup or Plan B but as a first choice. In her memoir *Texas Girl*, she raises fundamental questions about the nature of family and maternity at the turn of the twenty-first century. At a moment when SMCs grace the covers of magazines and Hollywood films, *Texas Girl* adds the perspective of someone who boldly side-steps the social expectation for a woman to take a life partner before she has a child. Beginning with a metaphorical conception, *Texas Girl* charts a long four-year journey including infertility, miscarriage, and high-risk pregnancy, traveling from Indiana to Texas and back to the snowy north. In this compelling coming-of-age narrative, Silbergleid explores the notion of the chosen family as close female friends provide perspective, support, and comic relief along the way. A must-read for anyone contemplating single motherhood, this bitingly honest memoir will resonate with anyone concerned with the vital feminist issue of what reproductive choice really means and the obstacles we face in pursuit of it. **In Their Mothers' Eyes** Martina Mettner, 2001 This book is devoted to the images of children from the perspective of the mothers who are professional photographers. *New Zealand Books in Print*, 1999 **Citizen Fetus** Alessandra Piontelli, 2023-01-01 This

Danielle Egan,2013-05-13 The sexualization of girls has captured the attention of the media advocacy groups and politicians in recent years This prolific discourse sets alarm bells ringing sexualization is said to lead to depression promiscuity and compassion deficit disorder and rob young girls of their childhood However measuring such claims against a wide range of data sources reveals a far more complicated picture *Becoming Sexual* begins with a simple question why does this discourse feel so natural Analyzing potent cultural and historical assumptions and subjecting them to measured investigation R Danielle Egan illuminates the implications of dominant thinking on sexualization The sexualized girl functions as a metaphor for cultural decay and as a common enemy through which adult rage discontent and anxiety regarding class gender sexuality race and the future can be expressed Egan argues that ultimately the popular literature on sexualization is more reflective of adult disquiet than it is about the lives and practices of girls *Becoming Sexual* will be a welcome intervention into these fraught polemics for anyone interested in engaging with a high profile contemporary debate and will be particularly useful for students of sociology cultural studies childhood studies gender studies and media studies A Labor of Love Anne Geddes,2007 Anne Geddes personally written life story with many reproductions of her photographs of
