Dorothea Lange,1995 A fascinating look at the radical changes set loose by the Pacific War that totally transformed the Bay Area All those interested in Bay Area history will want to take look at it San Francisco Examiner *American Education, Democracy, and the Second World War* C. Dorn,2015-12-25 American Education Democracy and the Second World War examines how U S educational institutions during World War II responded to the dilemma of whether to serve as weapons in the nation s arsenal of democracy or citadels in safeguarding the American way of life By studying the lives of wartime Americans as well as nursery schools elementary and secondary schools and universities Charles Dorn makes the case that although wartime pressures affected educational institutions to varying degrees these institutions resisted efforts to be placed solely in service of the nation s war machine Instead Dorn argues American education maintained a sturdy commitment to fostering civic mindedness in a society characterized by rapid technological advance and the perception of an ever increasing threat to national security Concise Dictionary of Women Artists Delia Gaze,2001 The Concise Dictionary

of Women Artists provides an alternative history of Western art from the Middle Ages to the present day In 200 entries it examines the lives working conditions and most of all the work of a remarkable group of artists **Wartime Shipyard**

Katherine Archibald,2006 An eye opening first hand account of life in a WWII shipyard from a woman s perspective In 1942 Katherine Archibald a graduate student at Berkeley left the halls of academe to spend two years working in a nearby Oakland shipyard She arrived with a host of preconceptions about the American working class race relations and the prospect for their improvement and wartime unity Her experience working in a shipyard where women were seen as intruders where Okies and black migrants from the South were regarded with barely disguised hatred and where trade unions preferred protecting their turf to defending workers rights threw much of her liberal faith into doubt Archibald s 1947 book about her experiences *Wartime Shipyard A Study in Social Disunity* remains a classic account of life and labor on the home front This new edition includes an introduction written by historians Eric Arnesen and Alex Lichtenstein who explore Archibald s work in light of recent scholarship on women and African Americans in the wartime workplace *Ways of Reading Words and Images* David Bartholomae,Tony Petrosky,2003-01-09 Adapting the methods of the much admired and extremely successful

composition anthology *Ways of Reading* this brief reader offers eight substantial essays about visual culture illustrated with evocative photographs along with demanding and innovative apparatus that engages students in conversations about the power of images **Berkeley** Charles M. Wollenberg,2008-01-23 The Railroad Age The Depression World War II The Atomic Age The Sixties these periods shaped and were in turn shaped by Berkeley California a city that has had a remarkable influence given its modest size This concise book the only up to date history of Berkeley is a rich chronicle connecting the people trends and events that made the city to much larger themes in history From the native builders of shellmounds to the

blue collar residents of Ocean View the rise of the University of California the World War II shipyards and today's demographics and politics it's all here in this fascinating account of the other beloved city by the bay Along the way we find the answers to many intriguing questions Why is Adeline Street is so oddly aligned How did Berkeley benefit from the 1906 earthquake that destroyed much of San Francisco What differentiated Holy Hill from Nut Hill Berkeley A City in History offers a delightful sense of place to anyone who has lived in worked in or traveled through this unique city *American Silence* Zeese Papanikolas,2007-01-01 In *American Silence* a complement to his previous study *Trickster in the Land of Dreams* Zeese Papanikolas investigates a number of significant American cultural artifacts and the lives of their makers For Papanikolas both the private failures and public successes of Clarence King Henry Adams Gertrude Stein Ernest Hemingway Raymond Chandler and Hank Williams resonate with silences **Staging Migrations toward an American West** Marta Effinger-Crichlow,2014-10-15 *Staging Migrations toward an American West* examines how black women's theatrical and everyday performances of migration toward the American West expose the complexities of their struggles for sociopolitical emancipation While migration is often viewed as merely a physical process Effinger Crichlow expands the concept to include a series of symbolic internal journeys within confined and unconfined spaces Four case studies consider how the featured women activist Ida B Wells singer Sissieretta Black Patti Jones World War II black female defense industry workers and performance artist Rhodessa Jones imagined and experienced the American West geographically and symbolically at different historical moments Dissecting the varied ways they used migration to survive in the world from the viewpoint of theater and performance theory Effinger Crichlow reconceptualizes the migration histories of black women in nineteenth and twentieth century America This interdisciplinary study expands the understanding of the African American struggle for unconstrained movement and full citizenship in the United States and will interest students and scholars of American and African American history women and gender studies theater and performance theory *California History* ,2007 *New Books on Women and Feminism* ,1996 *The Western Women's Reader* Lillian Schlissel,Catherine Jane Lavender,2000 This groundbreaking anthology compiles writing and photography from women who have called the American West home for the past three centuries These women helped shaped the nation's history by leading protest movements and making their voices heard
