A Woman's Crusade

DONALD T. CRITCHLOW

Phyllis Schlafly And Grassroots Conservatism A Womens Crusade

**David O'Donald Cullen, Kyle G.
Wilkison**

Phyllis Schlafly And Grassroots Conservatism A Womens Crusade:

Phyllis Schlafly and Grassroots Conservatism Donald T. Critchlow, 2008-01-15 Based on access to Schlafly's papers and sixty other archival collections offers a look at the private life and public convictions of the arch conservative and determined opponent of the Equal Rights Amendment gay rights and reproductive freedom

Mothers of Conservatism Michelle M. Nickerson, 2014-09-07 *Mothers of Conservatism* tells the story of 1950s Southern Californian housewives who shaped the grassroots right in the two decades following World War II Michelle Nickerson describes how red hunting homemakers mobilized activist networks institutions and political consciousness in local education battles and she introduces a generation of women who developed political styles and practices around their domestic routines From the conservative movement's origins in the early fifties through the presidential election of 1964 Nickerson documents how women shaped conservatism from the bottom up out of the fabric of their daily lives and into the agenda of the Republican Party A unique history of the American conservative movement *Mothers of Conservatism* shows how housewives got out of the house and discovered their political capital

The Christian Right & US Foreign Policy in the 21 st Century Mohd Afandi Salleh, 2020-01-07 This book is about the role of the Christian Right in the US foreign policy decision making process It reveals that the Christian Right has long been fascinated with some international issues in general and US foreign policy in particular The interest of the movement in international issues increased markedly during the George W Bush administration 2000 2009 During this period the movement successfully widened its activism from domestic social conservative issues to foreign policy issues by participating in articulating and lobbying for its religious version of American foreign policy In assessing the role of the Christian Right in US foreign policy making this dissertation examines aspects of US foreign policy namely Israel international religious freedom and global humanitarianism Based on these three aspects the Christian Right is seen as skilled in framing and defining issues The Christian Right seems effective in selecting and prioritizing international issues that have a reasonable chance of being picked up on by foreign policy decision makers especially in Congress Moreover the Christian Right has shown its maturity in seeking engagement and cooperation with other organizations regardless of whether they are secular or religious to advance its international goals Finally in pursuing and conveying its international agenda the Christian Right has adopted a more moderate and mundane approach Instead of using its traditional religious rhetoric the Christian Right has successfully projected its foreign policy preferences into the conventional realist discourse of American foreign policy that was largely based on the objective of national interest and national security

Democracy David A. Moss, 2017-02-21 Historian David Moss adapts the case study method made famous by Harvard Business School to revitalize our conversations about governance and democracy and show how the United States has often thrived on political conflict These 19 cases ask us to weigh choices and consequences wrestle with momentous decisions and come to our own conclusions

Divided We Stand Marjorie J. Spruill, 2018-08-28 The fascinating true story of the characters in Hulu's *Mrs*

America and a broader portrait of the two women's movements that spurred an enduring rift between liberals and conservatives. The many admirers of Mrs. America will find great satisfaction in *Divided We Stand*, a clear, compelling and deeply insightful volume. The Washington Post, One of Smithsonian Magazine's Ten Best History Books of the Year. In the early 1970s, an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition. Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston, Texas. As Bella Abzug, Gloria Steinem and other feminists endorsed hot-button issues such as abortion rights, the ERA and gay rights, Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro-family movement. *Divided We Stand* reveals how crucial women and women's issues have been in the shaping of today's political culture. After the National Women's Conference, Democrats continued to back women's rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women's rights and defined itself as the party of family values, irrevocably affecting the course of American politics.

Reasoning from Race Serena Mayeri, 2011-05-05. Informed in 1944 that she was not of the sex entitled to be admitted to Harvard Law School, African American activist Pauli Murray confronted the injustice she called *Jane Crow*. In the 1960s and 1970s, the analogies between sex and race discrimination pioneered by Murray became potent weapons in the battle for women's rights as feminists borrowed rhetoric and legal arguments from the civil rights movement. Serena Mayeri's *Reasoning from Race* is the first book to explore the development and consequences of this key feminist strategy. Mayeri uncovers the history of an often misunderstood connection at the heart of American antidiscrimination law. Her study details how a tumultuous political and legal climate transformed the links between race and sex equality, civil rights and feminism. Battles over employment discrimination, school segregation, reproductive freedom, affirmative action and constitutional change reveal the promise and peril of reasoning from race and offer a vivid picture of Pauli Murray, Ruth Bader Ginsburg and others who defined feminists' agenda. Looking beneath the surface of Supreme Court opinions to the deliberations of feminist advocates, their opponents and the legal decision makers who heard or chose not to hear their claims, *Reasoning from Race* showcases previously hidden struggles that continue to shape the scope and meaning of equality under the law.

Family Values Isabel Heinemann, 2023-10-04. Clashes over the American family and its values have always implicitly or explicitly addressed issues of gender and highlighted the significance of present and future families to American society. This is the insight underpinning Isabel Heinemann's groundbreaking study, which traces over the course of the twentieth century debates on the family and its role, the relationship between the individual and society and individual decision-making rights as well as their denial or curtailment. Unpacking these issues in a vivid and innovative analysis, the book recounts the prehistory of current conflicts over the family and gender while illuminating the relationship between social change, normative shifts and the counter-movements spawned

in response to them **Race, Gender and Violence on the Transatlantic Extreme Right, 1969-2009** Simon A. Purdue, 2022-10-20 This book explores the central role that gender has historically played in violent far right movements and groups in a time of increasing political polarisation and rising extremism The author examines the way neo Nazis and white supremacists have constructed gender and how this has impacted on the practical role of men and women on the global extreme right between 1969 and 2009 giving valuable insight into the inner workings of the extremist fringe today In the context of rising violent ultra nationalism in the UK Eastern Europe the USA India and Russia this transnational history of racist extremist movements offers a very necessary glimpse into the intimate personal politics of organised hate and into the ideological and organisational roots of our current moment In order to fully understand the extreme right it is essential to develop an awareness of the deep social foundations that underlie it By exposing the gendered basis of racist extremism in the USA and UK this book makes a necessary intervention in the field of far right studies shedding new light on the shadowy corners of the political spectrum and ultimately opening new avenues for countering hate on the personal political and academic level The book seeks to explain the intricate relationship between organised racist extremism and ideological misogyny and explores the fundamental contradictions and inconsistencies that underlie women s far right activism Offering historical context to the current social and political moment in which white supremacist and far right terror presents an immediate threat to security and stability in both the USA and the UK this book provides useful insights for those researching the history of fascism and the far right violent social movements and political activism as well as women s history and gender studies Delirium Nancy L. Cohen, 2012-02-01 Perhaps if the Pill had never been invented American politics would be very different today Nancy L Cohen writes in her prescient new book *Delirium The Politics of Sex in America* The 2012 election was supposed to be about the economy but over the last few months it turned into a debate about sex and women s rights In *Delirium* Cohen takes us on a gripping journey through the confounding and mysterious episodes of our recent politics to explain how we and why we got to this place Along the way she explores such topics as why Bill Clinton was impeached over a private sexual affair how George W Bush won the presidency by stealth why Hillary lost to Obama why John McCain chose Sarah Palin to be his running mate and what the 2012 presidential contest tells us about America today She exposes the surprising role of right wing women in undermining women s rights as well as explains how liberal men were complicit in letting it happen Cohen uncovers the hidden history of an orchestrated well financed ideologically powered shadow movement to turn back the clock on matters of gender equality and sexual freedom and how it has played a leading role in fueling America s political wars *Delirium* tells the story of this shadow movement and how we can restore common sense and sanity in our nation s politics **The Texas Right** David O'Donald Cullen, Kyle G. Wilkison, 2014-01-22 In *The Texas Right The Radical Roots of Lone Star Conservatism* some of our most accomplished and readable historians push the origins of present day Texas conservatism back to the decade preceding the twentieth century They illuminate the initial factors that

began moving Texas to the far right even before the arrival of the New Deal By demonstrating that Texas politics foreshadowed the partisan realignment of the erstwhile Solid South the studies in this book challenge the traditional narrative that emphasizes the right wing critique of modern America voiced by among others radical conservatives of the state s Democratic Party beginning in the 1930s As the contributors show it is impossible to understand the Jeffersonian Democrats of 1936 the Texas Regular movement of 1944 the Dixiecrat Party of 1948 the Shivercrats of the 1950s state members of the John Birch Society Texas members of Young Americans for Freedom Reagan Democrats and most recently even the Tea Party movement without first understanding the underlying impulses that produced their formation

A Feminist in the White House Doreen J. Mattingly, 2016-04-29 A feminist an outspoken activist a woman without a college education Midge Costanza was one of the unlikeliest of White House insiders Yet in 1977 she became the first female Assistant to the President for Public Liaison under Jimmy Carter emerging as a prominent focal point of the American culture wars Tasked with bringing the views of special interest groups to the president Costanza championed progressive causes even as Americans grew increasingly divided on the very issues for which she fought In *A Feminist in the White House* Doreen J Mattingly draws on Costanza s personal papers to shed light on the life of this fascinating and controversial woman Mattingly chronicles Costanza s dramatic rise and fall as a public figure from her initial popularity to her ultimate clashes with Carter and his aides While Costanza challenged Carter to support abortion rights gay and lesbian rights and feminist policies Carter faced increased pressure to appease the interests of emerging Religious Right which directly opposed Costanza s ideals Ultimately marginalized both within the White House and by her fellow feminists Costanza was pressured to resign in 1978 Through the lens of Constanza s story readers catch a unique perspective of the rise of debates which have defined the feminist movement and sexual politics to this very day Mattingly also reveals a wider but heretofore neglected narrative of the complex era of gender politics in the late 1970 s Washington a history which continues to resonate in politics today *A Feminist in the White House* is a must read for anyone with an interest in sexual politics female politicians and presidential history

The Oxford Handbook of U.S. Women's Social Movement Activism Holly J. McCammon, Verta A. Taylor, Jo Reger, Rachel L. Einwohner, 2017 The Oxford Handbook of U S Women s Social Movement Activism provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women s collective activism in the United States tracing both continuities and critical changes over time

God's Own Party Daniel K. Williams, 2012-07-12 In *God s Own Party* Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation

Women in the American Political System Dianne G. Bystrom, Barbara Burrell, 2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of women s involvement in

American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily s List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women s roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women s political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

Creating a Progressive Commonwealth Megan Taylor

Shockley,2018-12-05 Building upon the work of late twentieth century scholars in the field of feminist studies Megan Taylor Shockley provides an in depth look at feminism in the modern U S South Shockley challenges the monolithic view of the region as a conservative bastion and argues that feminist advocates have provided crucial social progressive force particularly in Virginia between 1970 and 2010 An innovative study Creating a Progressive Commonwealth illustrates how feminists in the state challenged the traditional patriarchal system and engaged directly with the legislature through grassroots educational efforts on three major initiatives passage of the Equal Rights Amendment protection of abortion rights and pursuit of legal and social rights for survivors of domestic and sexual violence Shockley suggests that advocates for gender equality fundamentally changed Virginia improving the state s support for women both personally and professionally as well as fostering an environment more conducive to additional progressive reform In sharing the stories of these activists the author discusses their initial choices to participate in the movement the challenges they faced in promoting a progressive agenda as well as their successes and failures Throughout Shockley emphasizes the need for scholars to look beyond the history of state legislatures in order to fully understand the nature of southern progressivism and feminism Using both archival sources and oral histories Creating a Progressive Commonwealth examines the individual women and their motivations as they battled recalcitrant legislators and conservative citizens to achieve social reforms

Rightward Bound

Bruce J. Schulman,Julian E. Zelizer,2008-03-15 Often considered a lost decade a pause between the liberal Sixties and Reagan s Eighties the 1970s were indeed a watershed era when the forces of a conservative counter revolution cohered A critical decade in American history Rightward Bound illuminates the seeds of both the successes and the failures of the conservative revolution

Judicial Review and American Conservatism Robert Daniel Rubin,2017-03-20 Majoritarian

Justices The Great Debate The Imperial Judiciary Notes Index *Strange Bedfellows* Alison Lefkovitz, 2018-03-21 The impact of law and politics on efforts to redefine family and marriage without relying on traditional gender norms In the inaugural issue of Ms Magazine the feminist activist Judy Syfers proclaimed that she would like a wife offering a wry critique of the state of marriage in modern America After all she observed a wife could provide Syfers with free childcare and housecleaning services as well as wages from a job Outside the pages of Ms divorced men s rights activist Charles Metz opened his own manifesto on marriage reform with a triumphant recognition that noise is swelling from hundreds of thousands of divorced male victims In the 1960s and 70s a broad array of Americans identified marriage as a problem and according to Alison Lefkovitz the subsequent changes to marriage law at the state and federal levels constituted a social and legal revolution The law had long imposed breadwinner and homemaker roles on husbands and wives respectively In the 1960s state legislatures heeded the calls of divorced men and feminist activists but their reforms such as no fault divorce generally benefitted husbands more than wives Meanwhile radical feminists welfare rights activists gay liberationists and immigrant spouses fought for a much broader agenda such as the extension of gender neutral financial obligations to all families or the separation of benefits from family relationships entirely But a host of conservatives stymied this broader revolution Therefore even the modest victories that feminists won eluded less prosperous Americans marriage rights were available to those who could afford them Examining the effects of law and politics on the intimate space of the home *Strange Bedfellows* recounts how the marriage revolution at once instituted formal legal equality while also creating new forms of political and economic inequality that historians like most Americans have yet to fully understand *Women's America* Linda K. Kerber, 2016 Featuring a mix of primary source documents articles and illustrations *Women's America* Refocusing the Past has long been an invaluable resource Now in its eighth edition the book has been extensively revised and updated to cover recent developments in U S women s history **American Dissidents** Kathlyn Gay, 2011-12-12 Anarchists civil rights advocates dissidents and political pundits have all played key roles in shaping our nation Examining modern day individuals like WikiLeaks Bradley Manning and conservative video prankster James O Keefe as well as those of prior decades like Cesar Chavez this book profiles controversial figures across history The two volume *American Dissidents* An Encyclopedia of Activists Subversives and Prisoners of Conscience is a work that is as interesting as it is important spotlighting men and women who are heroes to some outlaws and villains to others The 150 individuals profiled in this encyclopedia represent diverse ethnic racial and religious backgrounds as well as various movements and ideologies They are authors anarchists civil rights advocates communists entertainers environmentalists government officials labor organizers libertarians military personnel pacifists political activists from the left and right religious leaders and suffragettes all of whom have labored to change the social economic and political landscapes of the United States Each of the profiles of 2 000 words or more offers not only biographical data but also information to help readers place the individuals within the context of events that surrounded and

influenced their activities Because objectivity is a key consideration of the work entries include both praise and criticism

Phyllis Schlafly And Grassroots Conservatism A Womens Crusade Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Phyllis Schlafly And Grassroots Conservatism A Womens Crusade PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Phyllis Schlafly And Grassroots Conservatism A Womens Crusade PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Phyllis Schlafly And Grassroots Conservatism A Womens Crusade free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Phyllis Schlafly And Grassroots Conservatism A Womens Crusade Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Phyllis Schlafly And Grassroots Conservatism A Womens Crusade is one of the best book in our library for free trial. We provide copy of Phyllis Schlafly And Grassroots Conservatism A Womens Crusade in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Phyllis Schlafly And Grassroots Conservatism A Womens Crusade. Where to download Phyllis Schlafly And Grassroots Conservatism A Womens Crusade online for free? Are you looking for Phyllis Schlafly And Grassroots Conservatism A Womens Crusade PDF? This is definitely going to save you time and cash in something you should think about.
