Hanhimäki,Barbara Zanchetta,2018-02-02 This collection of essays makes a significant contribution to the historiography of the end of the Cold War Research on the causes and consequences of the end of the Cold War is constantly growing Initially it was dominated by fairly simplistic and often politically motivated debates revolving around the role played by major

winners and losers This volume addresses a number of diverse issues and seeks to challenge several common wisdoms about the end of the Cold War Together the contributions provide insights on the role of personalities as well as the impact of transnational movements and forces on the unexpected political transformations of the late 1980s and early 1990s Geographically the chapters largely focus on the United States Europe with special emphasis on Germany and the Soviet Union The individual chapters are drawn together by the overarching theme relating to a particular common wisdom were the transformations that occurred truly unexpected This collection of essays will make an important contribution to the growing literature on the developments that produced the collapse of the Iron Curtain the demise of the Soviet Union and the end of the Cold War This volume will be of much interest to students of Cold War Studies International History European Politics and International Relations in general *Perestroika and the Party* Francesco Di Palma, 2019-08-01 Countless studies have assessed the dramatic reforms of Mikhail Gorbachev but their analysis of the impact on European communism has focused overwhelmingly on the Soviet Union and Eastern bloc nations This ambitious collection takes a much broader view reconstructing and evaluating the historical trajectories of glasnost and perestroika on both sides of the Iron Curtain Moving beyond domestic politics and foreign relations narrowly defined the research gathered here constitutes a transnational survey of these reforms collective impact showing how they were variably received and implemented and how they shaped the prospects for proletarian internationalism in diverse political contexts **Romania under Communism** Dennis Deletant, 2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania's last Communist leader Nicolae Ceau escu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania's trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry Samizdat, Tamizdat, and Beyond Friederike Kind-Kovács, Jessie Labov, 2013-03-01 In many ways what is identified today as cultural globalization in Eastern Europe has its roots in the Cold War phenomena of samizdat do it yourself underground publishing and tamizdat publishing abroad This volume offers a new understanding of how information flowed between East and West during the Cold War as well as the much broader circulation of cultural products instigated and sustained by these practices By expanding the definitions of samizdat and tamizdat from explicitly political print publications to include other forms and genres this volume investigates the wider cultural sphere of alternative and semi official texts broadcast media reproductions of visual art and music and in the post 1989 period new media The underground circulation of uncensored texts in the Cold War era serves as a useful foundation for comparison when looking at current examples of censorship independent media and the use of new media in countries like China Iran and the former Yugoslavia **In Search of Romania** Dennis Deletant, 2022-04-28 The imposition

of Communist ideology was a misfortune for millions in Eastern Europe but never for Dennis Deletant. Instead it drew him to Romania. The renowned historian's association with the country and its people dates back to 1965 when he first visited. Since then Romania has made Dennis appreciate the value of shrewd dissimulation in the face of the state's gross intrusion in the life of the individual. This vivid memoir charts his first-hand experience of the Communist era coloured by the early 1970s surveillance of his future wife Andrea, his contacts with dissidents and his articles and BBC World Service broadcasts which led to his being declared persona non grata in 1988. In *Search of Romania* also considers how life went on under dictatorship even if it was largely mapped out by the regime. How did individual citizens negotiate the challenges placed in their path? How important was the political police the Securitate in maintaining compliance? How did dissent towards the regime manifest? How did all this affect the moral compass of the individual? Why did utopia descend into dystopia under Ceaușescu? And how has his legacy influenced the difficult transition to democracy since the collapse of Communism? **O fim dos sussurros**

Ruta Sepetys, 2023-06-15. Em meio ao regime ditatorial romeno de Nicolae Ceaușescu, Cristian Florescu passa a ser chantageado pela polícia secreta para que se torne um informante. Ele tem apenas duas opções: traair tudo e todos que ama ou usar sua posição para de maneira criativa enfraquecer o ditador. Quanto vale a liberdade? *România 1989: OS REGIMES COMUNISTAS DA EUROPA ESTÃO DESMORONANDO*. Cristian Florescu de 17 anos sonha em se tornar um escritor, mas os romenos não têm a liberdade de sonhar; eles estão aprisionados por regras e violência. Em meio ao regime ditatorial tirânico de Nicolae Ceaușescu em um país governado por isolamento e medo, Cristian passa a ser chantageado pela polícia secreta para que se torne um informante. Ele tem apenas duas opções: traair tudo e todos que ama ou usar sua posição para de maneira criativa enfraquecer o ditador, notoriamente mais cruel da Europa Oriental. Cristian arrisca tudo o que tem para revelar a verdade por trás do regime, dar voz aos seus companheiros romenos e revelar ao mundo o que está acontecendo em seu país. Quando a hora chega, ele se junta à revolução para lutar por mudança. Um thriller histórico que conta a história pouco conhecida de uma nação definida por silêncio e pela persistência inabalável do espírito humano. Stalinism pentru eternitate Vladimir
