Pioneers of Christian Thought Frederick Doyle Kershner, 1930
Doyle Kershner, 1968 **The Christian Pioneer**, 1744 *The Routledge Companion to Modern Christian Thought* Chad Meister, James Beilby, 2013-10-28 This Companion provides an unrivalled view of the field of modern Christian thought from the Enlightenment to the twentieth century and beyond Written by an outstanding team of theologians and philosophers of religion it covers the following topics within Christian thought Key figures and influencers Central events and movements Major theological issues and key approaches to Christian Theology Recent topics and trends in Christian thought Each entry is clear and accessible making the book the ideal resource for students of Christian thought and history and philosophy of religion and a valuable reference for professional theologians and philosophers **Women Leaders in the Student Christian Movement: 1880-1920** Russell, Thomas A., 2017-10-12 The SCM The whys of SCM s women leaders SCM committee women SCM general and assistant general secretaries Introducing the traveling secretary The ministry of the traveling secretary SCM short and long term pioneers SCM targeted student group pioneers Scm warp and woof pioneers SCM conference speakers SCM ecumenical pioneers SCM intellectual pioneers biblical criticism and the social sciences SCM social gospel pioneers SCM woman s movement pioneers definition and causes SCM woman s movement pioneers benefits Final thoughts **The Oxford Handbook of Nineteenth-century Christian Thought** Joel D. S. Rasmussen, Judith E. Wolfe, Johannes Zachhuber, 2017 This Handbook considers Christian thought in the long nineteenth century from the French Revolution to the First World War encompassing not only doctrine and theology but also Christianity s mutual influence on literature and the arts political and economic thought and the natural and social sciences **Pioneers of the Heavenly Way** Theodore Austin-Sparks, 2011-09-13 Some time before these messages were given desiring to be quiet and away from many things I went down into the country with my heart very much to the Lord for His word In the early hours of the morning it seemed as though the heavens opened and everything became alive it all opened up wonderfully and centered in one phrase Pioneers of the Heavenly Way That really does sum up the verses Hebrews 11 13 16 and while we are going to think and perhaps say much about the heavenly way it is this matter of pioneering the heavenly way that will be our main concern It is necessary to begin with for us to consider to some extent the heavenly way itself but I repeat that it is this whole tremendous business of pioneering that way that I believe to be the main concern of the Lord and hence of ourselves at this time T A S **Baltimore Southern Pioneer and Richmond Gospel Visiter**, 1834 [Christian Thought](#), 1916
 Twelve Pioneer Missionaries George Smith, 1900 Short biographies of Raymund Lulli William Carey Hannah Marshman James Wilson Peter Greig John Vanderkemp Alexander Duff et al **Pioneering Spirituality** Ross Cathy, 2015-10-27 A range of practitioners explore what fuels and sustains a life of pioneering mission What is the spirituality in the UK s wider culture and how do we connect with it How can spiritual treasures such as the Eucharist prayer pilgrimage

and community be shared with others How can communities of disciples grow in this pioneering spirituality *Pioneer and Priest* R J McKelvey, 2017-08-31 The interest that the Epistle to the Hebrews arouses today is testimony to its enduring message with its focus on what Jesus Christ did and continues to do for his people McKelvey provides new insight on Hebrews by demonstrating that two of its chief images pioneer and priest function not just independently but in tandem Christ is not pioneer without also being priest and his priesthood is only properly understood in terms of the pioneer figure This double analogy conveys the meaning of the Christian faith because only one who is both pioneer and priest can provide the church with the help it needs Pioneer and Priest will appeal to those who want to know more about Hebrews as well as those who believe that the emerging church must follow Christ outside the camp **Switzerland the Pioneer of the**

Turner, 2023-02-07 Reprint of the original *The Problem with Interreligious Dialogue* Muthuraj Swamy, 2016-03-24

Muthuraj Swamy provides a fresh perspective on the world religions paradigm and interreligious dialogue By challenging the assumption that world religions operate as essential entities separate from the lived experiences of practitioners he shows that interreligious dialogue is in turn problematic as it is built on this very paradigm and on the myth of religious conflict Offering a critique of the idea of dialogue as it has been advanced by its proponents such as religious leaders and theologians whose aims are to promote inter religious conversation and understanding the author argues that this approach is elitist and that in reality people do not make sharp distinctions between religions nor do they separate political economic social and cultural beliefs and practices from their religious traditions Case studies from villages in southern India explore how Hindu Muslim and Christian communities interact in numerous ways that break the neat categories often used to describe each religion Swamy argues that those who promote dialogue are ostensibly attempting to overcome the separate identities of religious practitioners through understanding but in fact they re enforce them by encouraging a false sense of separation *The Problem with Interreligious Dialogue Plurality Conflict and Elitism in Hindu Christian Muslim Relations* provides an innovative approach to a central issue confronting Religious Studies combining both theory and ethnography
