In the Shadow of Girls in Blossom Marcel Proust, 2024-11-25 I was at one of those periods in youth vacant without any particular love object when like a lover seeing his beloved in all things we desire we seek we see Beauty everywhere In *In the Shadow of Girls in Blossom* the second volume of Proust's *In Search of Lost Time* 1913-27 is a novel of exploration and self-discovery continuing the story of the narrator's youth and adolescence From the enclosed spaces of the fin de siècle social world that revolves around Madame Swann we move to the fictional town of Balbec on the Normandy coast a place where the social classes intermingle with mutual fascination Against the ever-changing backdrop of the sea a constant reminder of beauty's mutability and the vastness of the world beyond individual human affairs the narrator encounters individuals who will shape his experience and indelibly colour his outlook on that world He finds a friend in the aristocratic Robert de Saint-Loup and is perplexed by his enigmatic uncle the Baron de Charlus he finds a tutelary figure in Elstir the gifted idiosyncratic painter and in Albertine he comes to recognise the blossoming girl who will become the love and the bane of his life The novel provides a breath-taking illumination of what it is to encounter beauty and to seek to understand our relation to it in people in experiences in art or the landscape around us An exploration of the thrills of infatuation the fallibility of perception and how desire builds and ebbs the narrative prepares readers for the love affair that will define the narrator's future existence and shape the volumes of *In Search of Lost Time* to come

Selected Poems Du Bellay, Ronsard, 2023-07-11 Live now and listen do not wait in vain Until tomorrow pluck life's rose today Joachim du Bellay and Pierre de Ronsard are two of the major sixteenth century French poets and leaders of the extraordinary group known as La Pléiade Determined to create a national vernacular literature the Pléiade poets profited from an intense study of Greek and Roman models and from a creative use of classical mythology to produce a body of verse that reflects the vigour and variety of European Renaissance culture Du Bellay broke new ground with the gritty realism and resentment of the *Regrets* and with his meditation in the *Antiquities* on the rise and fall of the Roman Empire In a series of sonnet sequences *Cassandre Marie Astrée* Hélène Ronsard developed the Petrarchan tradition of love poetry with a wider range of situations a richer imagery and more robust sensuality His reputation as France's greatest love poet should not however obscure his excellence in an astonishing variety of forms and genres such as elegies odes philosophical hymns and religious controversy Anthony Mortimer's verse translations cover this many faceted achievement in a version that functions as English poetry in its own right without departing from the letter and spirit of the original The French text is given on facing pages and a useful appendix contains extracts from seminal manifestos by the two poets A critical introduction a glossary of names and places and abundant notes encourage the reader to place the poems in their social and cultural context

The Death of Ivan Ilyich and Other Stories Leo Tolstoy, 2008-05-27 Here are some of Tolstoy's extraordinary short stories from *The Death of Ivan Ilyich* in a masterly new translation to *The Raid* *The Wood felling* *Three Deaths* *Polikushka* *After the Ball* and *The Forged Coupon* all gripping and eloquent lessons on two of Tolstoy's most persistent themes life and death More experimental than his novels Tolstoy's stories are essential reading for anyone interested in his development as one of the major writers and thinkers of his time

O Pioneers! Willa Cather, 1999-03-04 For the first time perhaps since that land emerged from the waters of geologic ages a human face was set toward it with love and yearning It seemed beautiful to her rich and strong and glorious Willa Cather's second novel *O Pioneers!* 1913 tells the story of Alexandra Bergson and her determination to save her immigrant family's Nebraska farm Clear headed and fiercely independent Alexandra's passionate faith in the prairie makes her a wealthy landowner By placing a strong self reliant woman at the centre of her tale Cather gives the quintessentially American novel of the soil a radical cast Yet although influenced by the democratic utopianism of Walt Whitman and the serene regionalism of Sarah Orne Jewett *O Pioneers!* is more than merely an elegy for the lost glories of America's pioneer past In its rage for order and efficiency the novel testifies to the cultural politics of the Progressive Era the period of massive
