European Republicans William James Linton, 1892 **Republican Portugal** Douglas L. Wheeler, 1998-08-10 **The Republican** Richard Carlile, 1822 *California Fruit News*, 1909 **The Republican**, 1822 **California Fruit Grower (San Francisco, Calif.)**, 1910 **"Better Living"** William L. Bird, 1999 Better Living Advertising Media and the New Vocabulary of Business Leadership 1935 1955 is a history of how big business learned to be both entertaining and persuasive when talking to the public Examining the years from the Depression to postwar prosperity Better Living follows the dissemination of a politically competitive claim of more new and better in industry and in life Beginning with the changes in business government relations during the New Deal this study looks at the ways in which politically active corporations and their leaders learned how to speak at a time when speaking was not enough Using archival sources such as the NBC Ford Motor Company DuPont and Franklin Delano Roosevelt collections William L Bird Jr establishes the importance of industrial films and their role in public relations and employee relations as well as the use of dramatic radio productions in corporate public relations The author examines the interplay between general mass radio and print advertising radio program sponsorship and scriptwriting sponsored motion pictures and television entertainment as well as exhibitions and industrial fairs and the role these media played in shaping ideas about American business and political and cultural institutions in this country for the decades to come Book Jacket The ^ADemocratic Sublime Jason Frank, 2021-03-15 The Democratic Sublime offers an interdisciplinary exploration of how popular assemblies crowds demonstrations gatherings of the people out of doors came to be central to the political aesthetics of democracy during the age of democratic revolutions 1776 to 1848 Engaging with a wide range of sources from canonical political theorists Rousseau Burke and Tocqueville to the novels of Hugo the visual culture of the barricades and the memoirs of popular insurgents The Democratic Sublime demonstrates how making the people s sovereign will tangible to popular judgment became a central dilemma of modern democracy and how it remains so today Bulletin, 1929 **Politics in the Blood** Paul Davey, 2008 Biography of three generations of the one family Hubert Doug and Larry Anthony all of whom for over some 70 years held the Federal seat of Richmond in NSW for the National Party Note that the hold on the seat was not continuous for this entire period Author is also a member of the National Party Provided by publisher **Abolish the Monarchy** Graham Smith, 2023-05-04 A crucial riveting polemic in support of one of the most precious things humanity has built democracy itself OWEN JONES Graham Smith shows what fools our rotten constitution makes of us with a monarch as emblem of a country beset by nepotism backhanders chumocracy and inherited privilege Read and rebel POLLY TOYNBEE We re constantly told the same things about the monarchy But the monarchy is good for tourism It isn t Evidence points to some royal weddings actually having a negative impact on inbound tourism But the monarchy makes a big difference to charity Of the approx 1 200 charities with a royal patron 74% had no contact with their patron during the preceding year But everyone loves the monarchy A January 2023 poll showed support for

the monarchy is down 55 percent It s wrong in principle and it doesn t work in practice It doesn t have to be this way They say Britain should be proud to have the mother of parliaments to be a shining beacon of democracy and an example to other nations But there s an elephant in the room At the heart of power is a single family They weren t elected but they live off the public purse They aren t accountable to anyone and yet between them they are privy to more government secrets than many cabinet ministers Divinely appointed using a special hat the head of the family is your superior you his subject Apparently he is guardian of our constitution but we re also told he wouldn t dream of interfering in politics If you accept the monarchy you must accept the moral compromise that comes with it from its erosion of the principle of equality to the secret interference in our laws But the good news is that we don t have to accept it True democracy is within our reach [The Gathering Storm](#)

Kennedy,2025-02-04 How have navies contemplated possible enemies How did they learn or fail to learn once operations began How does this analysis inform today s planning for future conflict These questions guide the noted historians and naval strategists who contributed to Planning for War at Sea A central theme is the regular failure of navies best laid plans Covering four centuries of naval warfare the chapters illustrate the challenges all navies faced when considering possible enemies Even during the Age of Sail ships were among the most expensive and long term national endeavors Navies therefore planned well in advance for future wars usually without knowing their adversaries or how they would fight them at sea Building a capable navy requires sustained investment in naval infrastructure long before the fighting starts In the final chapters naval strategists expand on this historical analysis to address how effectively or ineffectively today s three leading navies Russia China and the United States have configured themselves during the post Cold War era in preparing for future great power conflict This collection is an important work for strategists scholars and policymakers **Air University Review** ,1969 *Republican Politics and*

English Poetry, 1789-1874 Stephanie Kuduk Weiner,2005-08-03 This study explores how poets who espoused republican political ideals sought to embody and advance those principles in their verse By examining a range of canonical and non canonical authors including Blake Shelley Cooper Linton Landor Meredith Thomson and Swinburne Kuduk Weiner connects

the formal strategies of republican poems to the political theory and expressive cultures of republican radicalism Her new study traces a strain of powerful complex political poetry that casts new light on the political and literary history of nineteenth century England *The Republican...: January 4th to May 17th, 1822* Richard Carlile,1822 **Fruit Trade Journal and Produce Record** ,1928 The Annual Register ,1808 Glory and Terror Antoine de Baecque,2013-07-04
