Semiotica Indica

Antonio Rigopoulos

Semiotica Indica:

Semiotica Indica Hira Lal Shukla, 1994 **Semiotica Indica** Hira Lal Shukla, 1994 SEMIOTICA INDICA: ENCYCLOPAEDIC DICTIONARY OF BODY-LANGUAGE IN INDIAN ART AND CULTURE Hira Lal Shukla, 1994 **Semiosis in Hindustani Music** José Luiz Martinez, 2001-01-01 For thousands of years music in India has been considered a signifying art Indian music creates and represents meanings of all kinds some of which extend outwardly to the cosmos while others arise inwardly in the refined feelings which a musical connoisseur experiences when listening to it In this book the author explores signification in Hindustani classical music along a two fold path Martineq first constructs a theory of musical semiotics based on the sign theories of Charles Sanders Peirce He then applies his theory to the analysis of various types of Hindustani music and how they generate significations The author engages such fundamental issues as sound quality raga tala and form while advancing his unique interpretations of well known semiotic phenomena like iconicity metalanguage indexicality symbolism Martinez s study also provides deep insight into semiotic issues of musical perception performance scholarship and composition An specially innovative and extensive section of the book analyzes representations in Hindustani music in terms of the Indian aesthetic theory of rasa The evolution of the rasa system as applied to musical structures is traced historically and analyzed semiotically In the light of Martinez s theories Hindustani music reveals itself to be both a delightfully sensuous and highly sophisticated system of acoustic representations **Dattatreya: The Immortal Guru, Yogin, and Avatara** Antonio Rigopoulos, 1998-04-02 Presents the multi faceted Hindu deity Dattatreya from his Puranic emergence to modern times This book presents the multi faceted Hindu deity Dattatreya from his Puranic emergence up to modern times Dattatreya s Brahmanical portrayal as well as his even more archaic characterization as a Tantric antinomian figure combines both Vaisnava Saiva motifs Over the course of time Dattatreya has come to embody the roles of the immortal guru yogin and avatara in a paradigmatic manner From the sixteenth century Dattatreya s glorious characterization emerged as the incarnation of the trimurti of Brahma Visnu and Siva Although Maharastra is the heartland of Dattatreya devotion his presence is attested to throughout India and extends beyond the boundaries of Hinduism being met with in Sufi circles and even in Buddhism and Jainism via Nathism The scarce attention which most Western scholars of Indian religions have paid to this deity contrasts with its ubiquitousness and social permeability Devotion to Dattatreya cuts through all social and religious strata of Indian society among his adepts we find yogis Brahmans faqirs Devi worshippers untouchables thieves and prostitutes This book explores all primary religious dimensions myth doctrine ritual philosophy mysticism and iconography The comprehensive result offers a rich fresco of Hindu religion as well as an understanding of Marathi integrative spirituality precisely this complexity of themes constitutes Dattatreya s uniqueness I learned a great deal from this book Although I had known about Dattatreya as an important figure in Hinduism I had never realized the richness and complexity of this truly Protean deity As Rigopoulos notes Dattatreya has been largely neglected by scholars and this book makes you wonder why

since he is so intriguing I suspect that this will become a classic in its area since there really is no comparable work which does so much relating to Dattatreya In a way to read the history of Dattatreya as presented by Rigopoulos is to engage the history of Hinduism Virtually all of the major historical phases and issues are there from the Vedic period up to the last decade Glen Hayes Bloomfield College [Handbook of Hindu Mythology](#) George M. Williams, 2008-03-27 Unlike many other ancient mythologies Hinduism thrives in the modern world One billion followers and countless others have been captivated by its symbolic representations of love karma and reincarnation Handbook of Hindu Mythology offers an informative introduction to this dauntingly complex mythology of multifaceted deities lengthy heroic tales and arcane philosophies all with a 3 000 year history of reinterpretations and adaptations Williams offers a number of pathways by which to approach Hinduism s ever changing gods and goddesses e g Brahm Vishnu Siva spiritual verses such as the vedas secular epics including the R m yana and the Mah bh rata myths within myths devotional and esoteric traditions psychic and yogic disciplines and magical practices With this handbook readers can explore the history of Hindu mythology follow a detailed timeline of key episodes and historical events and look up specific elements of historical or contemporary Hinduism in a beautifully illustrated reference work It is the ideal introduction to the origins of Hinduism the culture that shaped it from antiquity to the present and the age old stories ideas and traditions that speak to the human condition as eloquently today as ever Including annotated bibliographies a glossary of cultural and mythological terms and numerous illustrations here is a gold mine of information on Hindu mythology [Semiotic Theory and Practice](#) Michael Herzfeld, Lucio Melazzo, 1988

[Semiotic Theory and Practice, Volume 1+2](#) Michael Herzfeld, Lucio Melazzo, 2016-07-11 No detailed description available for Semiotic Theory and Practice Volume 1 2 [Living with Paradoxes](#) Karolin Eva Kappler, 2011-10-06 How do women who have survived traumatic sexual violence cope with and manage their everyday lives Karolin Eva Kappler analyses the everyday life of victims of sexual violence combining the normalcy of their daily life with the overwhelming experience of rape and sexual abuse Based on a qualitative study the author detects five patterns which characterize the victims everyday coping practices and strategies The grounded analysis of the interview material shows the fragility of the victims lives depending on paradoxes which reduce their freedom of choice and which explain the individual and social invisibility of sexual violence The book is valuable reading for academics and practitioners working in the fields of sociology psychology medicine social work and education **Elementi di patologia e semiotica della circolazione, respirazione e delle**

escrezioni compilati sulle lezioni del dottore Antonio De Martini Antonio De Martini, 1869 **Semiótica y lingüística - 6ta edición** Víctor Miguel Niño Rojas, 2013-06-05 Este libro es la clave para abrir las puertas hacia un conocimiento integral sobre el lenguaje don maravilloso tan cercano a nosotros desde la primera infancia que nos acompaña por vida y que nos permite realizarnos como seres humanos Haciéndonos partícipes de su saber consolidado en su experiencia como docente universitario e investigador el autor nos entrega una visión global y a la vez profunda y actualizada

sobre la problemática que implica el estudio del fenómeno lingüístico desde la práctica de la teoría y de la práctica. Para ello contextualiza el lenguaje en el crecimiento humano, analiza el fenómeno de la semiosis y el proceso comunicativo, muestra las bases de la semiótica y de la psicolingüística, descubre los secretos de la lingüística, establece un marco teórico para el análisis del discurso y en fin aborda de una manera didáctica el estudio de los elementos más importantes comprendidos en la semiótica: la morfosintaxis y la fonología y fonética, tomando como punto de referencia la lengua española. El lector se sentirá recreado intelectualmente en el sentido exacto del término, ya que recorrer de manera natural y amena los caminos que llevan al saber semiótico y lingüístico muy cerca de la interdisciplinariedad. Como acertadamente afirma el doctor Edilberto Cruz Espejo en el prólogo la presente obra de estilo claro y sencillo pero con implicaciones profundas deja ver al maestro que invita al debate, a la reflexión, al estudio, a la práctica y a la investigación. Sus lectores los jóvenes universitarios, los educadores, los intelectuales y profesionales sin duda sabrán disfrutarla y sacarle los más grandes beneficios. *Manual de Semiótica general* Jean-Marie Klinkenberg, 2006. CONTENIDO: Semiología o semiótica, un objeto propio. La comunicación. La significación. Las familias de los signos. Pluralidad de canales, pluralidad de códigos. La variación semiótica. Pragmática retórica y conocimiento. Problemas de una semiótica de los iconos visuales. **Semiótica filológica** Cesare Segre, 1990.

Fundamentos de semiótica y lingüística - 5ta edición Víctor Miguel Niño Rojas, 2007-01-01. He aquí el libro por excelencia con la clave que abre las puertas al conocimiento humano. Con una visión global y a la vez profunda y actualizada aborda la problemática del lenguaje en la práctica de la comunicación y del discurso dentro del ejercicio de la función cognitiva expresiva e interactiva. *Semiótica* Julia Kristeva, 1978. **Semiótica, cultura y desarrollo psicológico** Christiane Moro, Nathalie Muller Mirza, 2018-12-03. Las investigaciones en torno a la psicología del desarrollo han experimentado en las últimas décadas cambios revolucionarios. Han logrado liberarse de los principales obstáculos que trababan su avance: los cuestionamientos abstractos de otrora que oponían naturaleza y cultura, y han entrado por fin a indagar cómo la cultura da forma a la mente. Significa esto acaso que por fin la investigación es cada vez más concreta y precisa. Significa mucho más que eso: la investigación es cada vez más investigación. Así por ejemplo hoy en día ya se plantea cómo la cultura en general da forma a los procesos de atención o cómo se construyen nuestros hábitos de categorización de lo parecido y lo diferente. Lo que a su vez nos incita a explorar el papel desempeñado por estos procesos en la formación de la cultura, pero también cómo dan forma a la mente y a los corazones de aquellos que en su seno habitan. Ya no es posible trazar una frontera clara y precisa entre cultura y mente, como tampoco es posible ya distinguir entre dimensiones colectivas e individuales. Cada capítulo de esta obra nos propone innumerables ejemplos de todas estas interdependencias, lo que nos lleva a pensar que hasta hace poco nos habíamos hecho una idea de lo más simplista de todas estas distinciones. Acaso se puede seguir manteniendo una rigida separación entre antropología y psicología de desarrollo. En lo que a mí respecta, estimo que esta obra ilustra bien hasta qué punto resulta peligroso y estúpido intentar hacerlo. Estamos viviendo una era

revolucionaria en las ciencias humanas Y este libro se halla en el corazón mismo de esta revolución Jerome Bruner

Semiotica, 2000 Semiotica the Journal of the International Association for Semiotic Studies features articles reporting results of research in all branches of semiotic studies and in depth reviews of selected current literature in the field Q
Diagnóstico Médico à Luz do Pragmatismo e da Semiótica de Peirce Jose Geraldo Romanello Bueno, 2025-08-27 A obra O Diagnóstico Médico Luz do Pragmatismo e da Semiótica de Jos Geraldo Romanello Bueno propõe uma análise inovadora do diagnóstico médico fundamentada na filosofia pragmatista e na semiótica de Charles Sanders Peirce O autor argumenta que o processo diagnóstico essencialmente interpretativo estruturado pelas formas de inferência peircianas abdução dedução e indução O livro percorre desde os conceitos fundamentais da semiótica passando pela classificação das ciências em Peirce até a aplicação prática desses conceitos na medicina Destaca a importância do raciocínio abduutivo como motor da formulação de hipóteses clínicas e enfatiza o caráter dinâmico e falível do conhecimento médico Por meio de estudos de casos demonstra como os signos e o diálogo entre médico e paciente constituem a base do diagnóstico A obra defende uma visão interdisciplinar integrando filosofia ciência e prática clínica e propõe que a compreensão semiótica do diagnóstico contribui para uma medicina mais reflexiva crítica e humanizada *Elementi di semiotica* Maurizio De Ioanna, 2002 Journal of Higher Education, 1994
