Send this Message to My Church Terence Kelshaw,1984 *The Seven Cities of the Apocalypse and Greco-Asian Culture* Roland H. Worth,2019-05-07 The companion to *The Seven Cities of the Apocalypse and Roman Culture* this study explores the social world in which early Christians functioned in Asia providing a comprehensive picture of life in this eastern province of the Roman Empire and focusing on how the local environment affects the interpretation of the book of Revelation The history population local culture economies and cults of each city are examined in detail Including data from hundreds of sources this volume should prove useful to students of both the Bible and Roman history as it bridges the gap between the two specialties and provides many details that enable the reader to imagine what life would really have been like in those ancient cities As such this study provides a valuable supplement to the broader question of Rome s general impact upon the region traced in the *Roman Culture* volume Although there are many works on the subject this is the only place where all the information is pulled together It is a useful resource for Scripture scholars nonprofessionals with an interest in Bible study professors and students of Scripture and historians specializing in the first century CE **The Seven Cities of the**

Apocalypse and Roman Culture Roland H. Worth,2019-05-07 To understand the immediate cultural and societal background of the cities to which John wrote in Revelation 1 and 2 we must first understand the broader background of Roman civilization and its impact upon Asian province writes Roland H Worth in the introduction to this fascinating information packed work It is an in depth study of the history culture society economics and environment of early Christians living in Roman Asia Drawing on a multitude of resources from diverse disciplines Worth surveys Roman life and attitudes in general and demonstrates how Roman power developed and was exercised in Asia He describes life in Roman Asia what it was like to live in that province how the imperial cult grew and prospered there as well as the nature of official governmental persecution in the first century A second book *The Seven Cities of the Apocalypse and Greco Asian Culture* will fill in the details of the local background of the Christians for whom the mini epistles in the book of Revelation were written

M. Solomon, 2009 *The Ministry of the Word, Vol. 25, No. 03: Vital Factors for the Recovery of the Church Life* Various Authors, This issue of The Ministry of the Word contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry on April 16 18 2021 The messages were provided via webcast from Anaheim California and the mutual fellowship prophesying and studying by groups were practiced locally in the various churches that participated The general subject of this series of messages is Vital Factors for the Recovery of the Church Life The ultimate goal in God's eternal economy is the building up of the church as the Body of Christ to consummate the New Jerusalem the bride of the redeeming God In the age of the church there needs to be an understanding experience and application of various vital factors for the strengthening and full recovery of the church life A factor is an element that actively contributes to the production of a result In this series of messages we will see eight vital critical and strategic elements that actively contribute to the recovery of the church life God, Caesar, and Idols: The Church and the Struggle for America's Soul Rick D. Boyer, 2022-02-09 Once one nation under God America today is desperately sick And the Church seems to have no answers How can a nation so churched be so untouched by the Gospel Why has the Glory departed leaving a nation racked by political hatred drug addiction and shattered families God Caesar and Idols asks these questions and calls the Church to seek God's Word for answers Too many Christians no longer make political choices on the basis of eternal truth but instead make them on the basis of purely financial considerations It's time for the Church to break its addiction to humanistic government schooling and instead bring them up in the nurture and admonition of the Lord This book challenges the Church to reject cheap grace and the easy temptation to be tolerant of society's rebellion We must again honor the authority of God's Word and embrace the life altering power available when we reject our cultural idols and proclaim the whole counsel of God without compromise Armed with careful scriptural exegesis and supported by the words of great Christians from church history God Caesar and Idols encourages the American Church to again contend for the faith in today's culture whatever the cost **An End-Time Church Manifesto** Fred London, 2013-03 Both the wine and the wineskin are equally critical to the Church in order to provide the corporate delivery system which will be required at the end of the age Therefore I would submit that the Church of the 21st Century is in desperate need of a restoration to become the instrument which was is and will be required by God to accomplish His purposes in the last days Yes It is incumbent upon the Church to gain the necessary insight from the Scriptures in order to fulfill her prophetic calling to the Jew during the Time of Jacob's Trouble But that is the conceptual part of the whole counsel of God At some point the time comes when we are brought to the place where we should be compelled to say OK I get it Now brethren what must we do Indeed What must we do This little book attempts to address this all important question NLT Go Bible for Kids (Leatherlike, Beach Sunrise) Tyndale, 2024-09-03 When God calls it's time to go The GO Bible is bursting with fun and engaging content to help kids explore God's Word and go share it with others Paired with the accurate easy to read New Living Translation this kids Bible
