

DUCKWORTH COMPANIONS
TO GREEK AND ROMAN TRAGEDY

SENECA: PHAEDRA

Roland Mayer

Seneca Phaedra

Erica M. Bexley

Seneca Phaedra:

Seneca: Phaedra Roland Mayer, 2002-10-24 Phaedra is one of Seneca's most successful tragedies. This book introduces the reader to the complex dramatic and literary inheritance which Seneca appropriated and in his turn bequeathed and he sets out some of the main lines of contemporary interpretation and performance practice for this play. **Seneca's Phaedra**

Lucius Annaeus Seneca (Philosophus), 1987 **Seneca's Phaedra** Lucius Annaeus Seneca, Anthony James Boyle, 1987

Seneca: Phaedra Lucius Annaeus Seneca, 1990-02-23 Seneca's Phaedra occupies an important and influential position in the tradition of European drama. This new edition concentrates on the play's dramatic qualities, examining its Greek and Roman background. The introduction presents discussion of dramaturgy and rhetoric as well as style and textual transmission. An unusual feature is the tracing of the influence of Phaedra's story on later European literature and music. The commentary has extensive notes not only on Seneca's language but also on plot, characterization and the use of myth. *Language and*

Desire in Seneca's Phaedra Charles Segal, 2017-03-14 This close reading of Seneca's most influential tragedy explores the question of how poetic language produces the impression of an individual self, a full personality with a conscious and unconscious emotional life. Originally published in 1986, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. **Phaedra** Lucius Annaeus Seneca, 1986 Phaedra is a Roman tragedy written by philosopher and dramatist Lucius Annaeus Seneca before 54 A.D. Its 1280 lines of verse tell the story of Phaedra, wife of King Theseus of Athens, and her consuming lust for her stepson Hippolytus. Based on Greek mythology and the tragedy Hippolytus by Greek playwright Euripides, Seneca's Phaedra is one of several artistic explorations of this tragic story. Seneca portrays Phaedra as self-aware and direct in the pursuit of her stepson, while in other treatments of the myth she is more of a passive victim of fate. This Phaedra takes on the scheming nature and the cynicism often assigned to the Nurse character. **The Phaedra of Seneca** Gilbert Lawall, Sarah N. Lawall, Gerda Kunkel, 1982-01-01 This illustrated rapid reader includes an analysis of the play, vocabulary, study questions, stage directions, and a new translation of the Hippolytus by Euripides. The Phaedra of Seneca Lucius Annaeus Seneca (Philosophus), 1989 **Seneca's Characters** Erica M. Bexley, 2022-07-07 Seneca's Characters addresses one of the most enduring and least theorised elements of literature: fictional character and its relationship to actual human selfhood. Where does the boundary between character and person lie? While the characters we encounter in texts are obviously not real people, they still possess person-like qualities that stimulate our attention and engagement. How is this relationship formulated in contexts of theatrical performance, where characters are set in motion by actual people, actual bodies and voices? This book

addresses such questions by focusing on issues of coherence imitation appearance and autonomous action It argues for the plays sophisticated treatment of character their acknowledgement of its purely fictional ontology alongside deep and often dark appreciation of its quasi human qualities Seneca s Characters offers a fresh perspective on the playwright s powerful tragic aesthetics that will stimulate scholars and students alike

Tragic Seneca A. J. Boyle, 2013-05-13 Tragic Seneca undertakes a radical re evaluation of Seneca s plays their relationship to Roman imperial culture and their instrumental role in the evolution of the European theatrical tradition Following an introduction on the history of the Roman theatre the book provides a dramatic and cultural critique of the whole of Seneca s corpus analysing the declamatory form of the plays their rhetoric interiority stagecraft and spectacle dramatic ideological and moral structure and their overt theatricality Each of Seneca s plays is examined in detail locating the force of Senecan drama not only in the moral complexity of the texts and their representations of power violence history suffering and the self but the semiotic interplay of text tradition and culture The later chapters focus on Seneca s influence on Italian English and French drama of the Renaissance A J Boyle argues that tragedians such as Cinthio Kyd Marlowe Shakespeare Webster Corneille and Racine owe a debt to Seneca that goes beyond allusion dramatic form and the treatment of tyranny and revenge to the development of the tragic sensibility and the metatheatrical mind Tragic Seneca attempts to restore Seneca to a central position in the European literary tradition It will provide readers and directors of Seneca s plays with the essential critical guide to their intellectual cultural and dramatic complexity

Ancient Stepmothers P.A. Watson, 2018-07-17 Ancient Stepmothers is the first full length study of the stepmother in Graeco Roman antiquity Several perspectives are covered literary historical and sociological the last mentioned making use of comparative material from modern studies of stepfamilies The portrayal of the stepmother in myth and literature is thoroughly explored The historical background in Athens and Rome is examined with a view to determining the relationship between fiction and real life The book makes an important contribution to the study of both literary history and family relationships in particular it sheds light on attitudes to women the portrayal of the stepmother being an outstanding illustration of misogynistic prejudice It will also interest sociologists wishing to place studies of the contemporary stepfamily in a wider historical context for this reason all Greek and Latin is translated into English

Phaedra and Other Plays Seneca, 2011-08-25 Living in Rome under Caligula and later a tutor to Nero Seneca witnessed the extremes of human behaviour His shocking and bloodthirsty plays not only reflect a brutal period of history but also show how guilt sorrow anger and desire lead individuals to violence The hero of Hercules Insane saves his own family from slaughter only to commit further atrocities when he goes mad The horrifying death of Astyanax is recounted in Trojan Women and Phaedra deals with forbidden love In Oedipus a nervous man discovers himself while Thyestes recounts the bitter family struggle for a crown Of uncertain authorship Octavia dramatizes Nero s divorce from his wife and her deportation The only Latin tragedies to have survived complete these plays are masterpieces of vibrant muscular language and psychological

insight *Language and Desire in Seneca's Phaedra* Charles Segal,1986-01-01 **Corneille and Racine** Gordon Pocock,1973-10-18 This study highlights that both Corneille and Racine were living writers struggling to create developing forms within the strait jacket of neo classical decorum **Seneca** John G. Fitch,2008-02-07 Seneca was a man of many facets statesman dramatist philosopher prose stylist His life was marked by extremes of fortune extremes that are reflected in much of his writing and in the vicissitudes of his reputation in later centuries This volume brings together some outstanding essays written about him over the past four decades and illustrates the diversity of approaches by which modern critics have attempted to understand this multifaceted figure Just as Seneca s writings often reflect his times so current critical approaches often reflect issues in contemporary thought and society Several of the essays have been revised by their authors for this volume and two of them are translated for the first time A new introduction places the articles within the context of recent academic thought and criticism All Latin has been translated Land of Dreams André Lardinois,van der Poel,Vincent Hunink,2006-06-01 This collection of essays dedicated to A H M Kessels provides an overview of modern Dutch scholarship in Greek and Latin studies with special emphasis on dreams in classical literature classical drama and the reception of Homer **Brill's Companion to the Reception of Euripides** ,2015-09-01 Brill s Companion to the Reception of Euripides provides a comprehensive account of the influence and appropriation of all extant Euripidean plays since their inception from antiquity to modernity across cultures and civilizations from multiple perspectives and within a broad range of human experience and cultural trends namely literature intellectual history visual arts music opera and dance stage and cinematography A concerted work by an international team of specialists in the field the volume is addressed to a wide and multidisciplinary readership of classical reception studies from experts to non experts Contributors engage in a vividly and lively interactive dialogue with the Ancient and the Modern which while illuminating aspects of ancient drama and highlighting their ever lasting relevance offers a thoughtful and layered guide of the human condition *Reproducing Rome* Mairéad McAuley,2015-10-15 In the conservative and competitive society of ancient Rome where the law of the father patria potestas was supposedly absolute motherhood took on complex aesthetic moral and political meanings in elite literary discourse *Reproducing Rome* is a study of the representation of maternity in the Roman literature of the first century CE a period of intense social upheaval and reorganization as Rome was transformed from a Republic to a form of hereditary monarchy under the emperor Augustus Through a series of close readings of works by Virgil Ovid Seneca and Statius the volume scrutinizes the gender dynamics that permeate these ancient authors language imagery and narrative structures Analysing these texts through and for the maternal McAuley considers to what degree their representations of motherhood reflect construct or subvert Roman ideals of and anxieties about family gender roles and reproduction The volume also explores the extent to which these representations distort or displace concerns about fatherhood or other relations of power in Augustan and post Augustan Rome Keeping the ancient literary and historical context in view the volume conducts a

dialogue between these ancient male authors and modern feminist theorists from Klein to Irigaray Kristeva to Cavarero to consider the relationship between motherhood as symbol and how a maternal subjectivity is suggested developed or suppressed by the authors Readers are encouraged to consider the problems and possibilities of reading the maternal in these ancient texts and to explore the unique site the maternal occupies in pre modern discourses underpinning Western culture

Ambitiosa Mors T. D. Hill,2004-08-01 Although the distinctive and sometimes bizarre means by which Roman aristocrats often chose to end their lives has attracted some scholarly attention in the past most writers on the subject have been content to view this as an irrational and inexplicable aspect of Roman culture In this book T D Hill traces the cultural logic which animated these suicides describing the meaning and significance of such deaths in their original cultural context Covering the writing of most major Latin authors between Lucretius and Lucan this book argues that the significance of the noble death in Roman culture cannot be understood if the phenomenon is viewed in the context of modern ideas of the nature of the self

Classical Monologues from Aeschylus to Bernard Shaw: Women : from Aeschylus to Racine Leon Katz,2002 Contains over 250 monologues that cover over two thousand years of theatrical history

While this might not be the Seneca Phaedra full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Seneca Phaedra eBooks, including some popular titles.

FAQs About Seneca Phaedra Books

What is a Seneca Phaedra PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Seneca Phaedra PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Seneca Phaedra PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Seneca Phaedra PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Seneca Phaedra PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
