Operation Jungle John Shobbrook, 2021-08-03 A gripping blend of memoir true crime and corruption in the tropics In the late 1970s criminal mastermind John Milligan and his associates conspired to import heroin into Far North Queensland via a remote mountain top airdrop In a story that is stranger than fiction it took them three trips through dense jungle to locate the heroin but they only recovered one of the two packages When narcotics agent John Shobbrook took on the investigation of this audacious crime codenamed Operation Jungle his career was on the rise within the Federal Bureau of Narcotics What he discovered unwittingly set in motion a chain of events that not only destroyed his own career but led to the disbanding of the Narcotics Bureau Operation Jungle is a gripping true story about the high cost of truth and the far reaching tentacles of greed and corruption that cross state borders and legal jurisdictions *Convicted* Jameel Zookie McGee, Andrew

Collins, Mark Tabb, 2018-10-09 WINNER OF THE CHRISTOPHER BOOK AWARD A must read for anyone who longs for the day when the dividing lines of race class and bigotry are finally overcome by the greater forces of love forgiveness and brotherhood Rev Samuel Rodriguez Racial tensions had long simmered in Benton Harbor a small city on the eastern shore of Lake Michigan before the day a white narcotics officer more focused on arrests than justice set his sights on an innocent black man But when officer Andrew Collins framed Jameel McGee for possession of crack cocaine the surprising result was not a race riot but a transformative journey for both men Falsely convicted McGee spent three years in federal prison Collins also went to prison a few years later for falsifying police reports While behind bars the faith of both men deepened But the story took its most unexpected turn once they were released when their lives collided again in a moment brimming with mistrust and anger The two were on a collision course not to violence but forgiveness As current as today's headlines this explosive true story reveals how these radically conflicted men chose to let go of fear and a thirst for revenge to pursue reconciliation for themselves their community and our racially divided nation
