Sensible Justice Alternatives To Prison:

Sensible Justice David C. Anderson,1998-01 On any given day in America more than 1 5 million people are locked up in state prisons and local jails at costs that approach 20 000 per inmate each year Crime and incarceration generate heated but often contradictory political debate voters consider prisons the only real sanction for crime but adamantly resist new taxes to pay for them *Sensible Justice* explores creative solutions some states and cities nationwide have devised to tackle the prison problem

Alternatives to Prison Craig Russell,2015-02-03 In 2003 there were almost seven million criminals in the United States But only about two million of them were behind bars In *Alternatives to Prison* you ll learn why those other five million people are out on parole or probation You ll also learn about rehabilitation community service boot camps day reporting house arrest and what the future may hold for other alternatives to prison

Catholic Perspectives on Crime and Criminal Justice Willard M. Oliver,2008-01-01 Drawing upon Catholic social teaching traditional writings and Sacred Scripture this book presents a Catholic perspective of crime and criminal justice in America Specifically it presents a policy framework for the criminal justice system describing how and why police courts and corrections should adopt the tenets of restorative and community justice In addition it presents how certain crime related issues would be addressed under a Catholic perspective particularly focusing on the death penalty abortion euthanasia and so called victimless crimes

Sick Justice Ivan G. Goldman, 2013-06-30 In America 2 3 million

people a population about the size of Houston's the country's fourth largest city live behind bars Sick Justice explores the economic social and political forces that hijacked the criminal justice system to create this bizarre situation Presenting frightening true stories of sometimes wrongfully incarcerated individuals Ivan G Goldman exposes the inept bureaucracies of America's prisons and shows the real reasons that disproportionate numbers of minorities the poor and the mentally ill end up there Goldman dissects the widespread phenomenon of jailing for profit the outsized power of prison guards unions California's exceptionally rigid three strikes law the ineffective and never ending war on drugs the closing of mental health institutions across the country and other blunders and avaricious practices that have brought us to this point Sick Justice tells a big gripping story that's long overdue By illuminating the system's brutality and greed and the prisoners' gratuitous suffering the book aims to be a catalyst for reform complementing the work of the Innocence Project and mirroring the effects of Michael Harrington's *The Other America* Poverty in the United States 1962 which became the driving force behind the war on poverty

Intermediate Sanctions in Corrections Gail A Caputo, 2004 Annotation This book is devoted completely to intermediate sanctions systems and their individual programs *Federal Probation*, 1999

Health and Health Care in the Nation's Prisons Melvin Delgado, Denise Humm-Delgado, 2008-09-16 The United States correctional system is facing an urgent crisis in how to meet the health care needs of its prisoners As the number of inmates in correctional facilities increases prisons struggle to adequately address health care needs in a financially feasible way Many prisoners enter the system with medical problems that have gone unmet and the toxic environments inside the prisons further compromise their health causing serious problems both within the prisons themselves and in society as a whole when the prisoners are released Health and Health Care in the Nation's Prisons presents a comprehensive and up to date assessment of the health care challenges facing today's prisons along with concrete recommendations for change In addition to an overview of the most common prison health care problems this book provides a unique assessment of the needs of largely overlooked prison populations including women people of color and older adults Authors Melvin Delgado and Denise Humm Delgado cover high profile health care needs such as substance abuse and mental illness as well as lower profile needs like hepatitis and STDs They also provide essential background information on the development of today's crisis by tracing the history of the U S health care system and how it has changed over time to meet social needs

Encyclopedia of Criminology J. Mitchell Miller, Richard A. Wright, 2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field's multidisciplinary nature in a single authoritative reference work More than 525 alphabetically

arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field

Appeal to the People's Court Vincent Luizzi, 2018-04-24 In Appeal to the People's Court Rethinking Law Judging and Punishment Vincent Luizzi turns to the goings on in courts at the lowest level of adjudication for fresh insights for rethinking these basic features of the legal order In the pragmatic tradition of turning from fixed and unchanging conceptions the work rejects the view of law as a set of black and white rules of judging as the mechanical application of law to facts and of punishment as a necessary punitive response to crime The author a municipal judge and philosophy professor joins theory and practice to feature the citizen in rethinking these institutions The work includes a foreword by Richard Hull special Guest Editor for this volume in Studies in Jurisprudence

Alternatives to Prison Roderick Brock, 2017-05-11 Sensible Justice explores creative solutions some states and cities nationwide have devised to tackle America's expensive and controversial prison problem Former Wall Street Journal and New York Times editor David Anderson spent a year touring the world of alternative sanctions that substitute for prison including work to repay the community or earn restitution for victims house arrest under high tech electronic supervision the military routine of correctional boot camps and counseling for drug addicts and sex offenders Alternative sanctions some thriving quietly even in conservative states where headlines feature harsh law and order rhetoric are demonstrating that rehabilitation works while saving taxpayers millions of dollars Just as importantly Anderson writes by reinforcing an ethical society's basic values these programs allow communities to make sense of criminal justice

Hinman, 2016-07-01 Contemporary Moral Issues is an anthology that provides a selection of readings on contemporary social issues revolving around three general themes Matters of Life and Death Matters of Equality and Diversity and Expanding the Circle which includes duties beyond borders living together with animals and environmental ethics The text contains a number of distinctive high profile readings and powerful narratives including Jonathan Foer's Eating Animals Eva Feder Kittay's On the Ethics of Selective Abortion for Disability and Susan M Wolf's Confronting Assisted Suicide and Euthanasia My Father's Death Each set of readings is accompanied by an extensive introduction a bibliographical essay pre reading questions and discussion questions

New York Murder Mystery Andrew Karmen, 2000-11 Using data about patterns trends and statistical associations over the past two decades Andrew Karmen's research uncovers the real reasons that brought about the crash Providing both a local and a national context for New York's plunging crime rate Karmen tests and debunks

the many self serving explanations for the decline Is there clear and convincing evidence to support widely held beliefs and the most insistent claims for credit Are there important underlying developments in the City and across the country that have been overlooked

BOOK JACKET *The Politics of Injustice* Katherine Beckett, Theodore Sasson, 2003-10-16

The U S crime rate has dropped steadily for more than a decade yet the rate of incarceration continues to skyrocket Today more than 2 million Americans are locked in prisons and jails with devastating consequences for poor families and communities overcrowded institutions and overburdened taxpayers How did the U S become the world s leader in incarceration Why have the numbers of women juveniles and people of color increased especially rapidly among the imprisoned

The Politics of Injustice Crime and Punishment in America Second Edition is the first book to make widely accessible the new research on crime as a political and cultural issue Katherine Beckett and Theodore Sasson provide readers with a robust analysis of the roles of crime politics media imagery and citizen activism in the making of criminal justice policy in the age of mass incarceration

Features of this text

- Critical Approach Debunks myths about crime in the U S challenges many current anticrime policies that became harsher in the 1990s and illuminates the political implications of crime and punishment
- Contemporary Updated throughout with particular attention to Chapter 5 Crime in the Media including research and analyses of crime in the news crime as entertainment and the interplay of news media entertainment and crime
- Comprehensive Research Draws on a wide range of scholarship including research on crime s representation in political discourse and the mass media public opinion crime related activism and public policy
- Consistent and Accessible A great source to communicate new research to both non specialists and specialists in accessible language with riveting real life examples

Intended as a supplement for use in any criminal justice or criminology course especially in the punishment corrections and policy areas

The Politics of Injustice Second Edition will appeal to those who take a critical approach to crime issues
