Summa Theologiae, Prima Pars: Volume 3, Human Beings and God's Governance of Creation, QQ 75-119 Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text

of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers *My Origin, My Destiny* D.C. Collier,2016-12-01 According to Guinness World Records there have been five billion copies of the Bible printed and distributed throughout the world covering two thirds of earths population But with all that exposure only a few Bible owners have actually read through its contents and fewer still have any idea of its life enriching themes In spite of modern societys scientific advances thoughtful people everywhere are still in search of lifes persistent great questions like Is there more to my life than meets the eye Why should I believe that God exists Is everything just a giant cosmic accident including me Am I more than the sum of my parts Who am I Is there a problem between me and God What can I do about it Why bother Whats the big deal about Christianity This book humbly addresses these and other burning questions through the prism of the living breathing holy Bible Along the way you will be introduced to two of the most spiritually therapeutic truth streams that bubble across the Bibles pages Whether you are a seeker or confirmed believer these themes will literally revolutionize your understanding of the original unembellished Christian faiththe faith that turned the then known world upside down Do you want to be a truly fulfilled person Here is authentic fulfillment becoming the kind of person God created you to be a person who is fully alive as Dallas Willard put it C S Lewis wisely observed Aim at Heaven and you will get Earth thrown in aim at Earth and you will get neither Interested

Creation and Humanity Veli-Matti Karkkainen,2015-04-14 **What Is Man?** Theodore Austin-Sparks,2011-09-17 To my readers I would say that although the main subject of the tripartite nature of man is such a controversial one this book is not entered as a part of the controversy Such a course would only be to contradict its main contention that Divine things can only be entered into by revelation and never by reason Indeed I have no wish that anyone should read this book unless they are really exercised about reality and spiritual things I would ask for openness of heart as the one concession to the Spirit of truth if peradventure He might be ready to use what is written here for enlightenment The book goes out with a prayer which comes from long ago that the God of our Lord Jesus Christ the Father of glory may give unto you a spirit of wisdom and revelation in the knowledge of him having the eyes of your heart enlightened Eph 1 17 T A S **Advanced Discipleship** 301 Ron Hordyk,2019-11-01 There is nothing we can do to coerce the Holy Spirit to reveal Himself in power All we can do is humbly yield our lives to Him and ask that He manifest His power within us A spiritual man knows that the Holy Spirit can do far more than he can ask or imagine Since he believes in the power of the Holy Spirit he acts on God s promises as reality and walk in expectation of their fulfillment *The Axe at the Root of Professors Miscarriages. In a Plain Detection of and a Wholsome Caveat Against the Miscarriages Opposite to Faith in God* Thomas MALL,1668 **Spiritual life delineated; with the detection and exposure of some of the popular errors of the day** Thomas Watson,1838
