Serenibima Roman:

Zenobia, Queen of Palmyra William Ware, 1893 **Roman Hearts** Tanya Bird, 2019-09-08 Three edge of your seat love stories set against the thrilling and brutal backdrop of ancient Rome A Gladiator s Oath 1 She will fight for her freedom He will fight for her life Mila might be slaveborn but she has no intention of remaining a slave Impatient for her freedom the nineteen year old takes matters into her own hands Armed with the combat skills her half brother taught her Mila ignores the pleas of her family and takes to the arena She is prepared to do whatever is necessary prepared for anything except Remus Latinus Raised inside the greatest gladiator school in Rome Remus fought hard for his freedom He earned it the only way he knew how in the arena Now he is content training others to do the fighting or so he thought Something changes the night he meets a slave girl desperate to prove herself He should walk away but the gods have other plans A Charioteer s Promise 2 Young love can be beautiful reckless dangerous There is only one thing missing in Dulcia s life a husband At least that is what others would have her believe But she feels the absence of something else her father Half slave and half noble Dulcia has existed alongside him her entire life just out of reach Everything changes the day she arrives home to news of her betrothal The problem is her heart already belongs to someone else Nero is trying to make something of himself Raised on the streets of Rome he understands that family is a privilege not a given That is why he is trying to build a life worthy of the woman he has loved quietly for years the one he worships like the sun But time is running out Dulcia is to marry a man rich enough to give her every comfort she deserves every comfort he cannot afford Nero should step aside but letting go is never that simple A Legate s Pledge 3 Never let your enemy become your weakness Brei is going up against the largest army in the world As thousands march north to annihilate her people she is ready to take revenge on those who have taken so much from her already If you want to kill a snake cut off its head If you want to destroy a legion kill its leader But what if the legate she hunts is not the monster she imagined When a surprise attack lands the young warrior in enemy hands Brei soon realises that the only person she can trust is the man she has sworn to kill General Nerva Papias is fighting a war he no longer believes in He leads his men north of the wall with orders to destroy all in their path This is not a war against soldiers however but against the mountains they wade through and the ghosts that inhabit them Then comes a warrior with eyes like two pools of fire and the face of a goddess He should kill her like the rest of them but his mind is tired and his heart deceitful Now the woman he holds captive threatens to set his future ablaze Trigger warning This series contains violence *Roman Spring* Sandra Marton, 1994-04-24 *Roman Spring* by Sandra Marton released on Apr 24 1994 is available now for purchase
