Moore, 2025-06-07 Jonathan

Crowley is having a bad time of it He's too busy for anyone's good dealing with calls from beyond the grave demons that refuse to stay dead the very creature that murdered his wife and children and a few spirits that have unfinished business with the Hunter The past comes back to haunt the man who gives monsters their nightmares in a series of encounters that deal with Crowley's past losses and even his occasional victories but any way you look at it Jonathan Crowley is having One Bad Week Now the question is who will survive to talk about it later **Smart Girls Think Twice** Cathie Linz, 2009-01-06

Sociologist Emma Riley's new research project depends on a sexy bartender who wants nothing to do with her project and certainly nothing to do with Emma Too bad she's way too smart to ever take no for an answer *Boomtown* James A.

Moore, 2025-06-07 There is no peace in death Some people know that better than others In Carson's Point Colorado the dead do not rest but rise every night and try to kill whatever crosses their path Those dead are merely the symptom of something far worse something ancient and evil that does not care for the Europeans taking the lands or for those who lived there before The living do not matter the dead are tools the possible spawn of the pale white thing lurking in the woods are all that is important to that dreadful force It will kill anything that gets in its path and make living and the deceased suffer for their transgressions Carson's Point is on a course that leads straight to Hell unless something comes along that can fight back against the unnatural servants of the thing that wants the boomtown destroyed The wizard Albert Miles is in town for

reasons all his own escaping the latest terrors he's spread across the land. He might well be able to save the town but if he does he'll exact a terrible price. The new sheriff has his work cut out for him. There are savages waiting outside the town, dead things crawling from the grave, bad men set on taking what they want and fools aplenty trying to survive the disasters coming their way until they can once again go hunting for the dreams they hope will change their lives. Jonathan Crowley could very well be the salvation that the town needs but he has no desire to help anyone living there and has settled himself on one mission and one mission only: revenge against the soldiers that left him for dead. The Hunter has quit and no longer wants anything to do with justice for humans or stopping the evil things that feast on humanity's sorrows. Evil grows throughout the town, mortal evil and things far worse. And when the sun sets that evil takes root and spreads like wildfire.
