Sermon On The Mount A Foundation For Understanding:

The Sermon on the Mount Robert A. Guelich, 1982-01-01 Here is a practical relevant discussion as well as an exegetical commentary on perhaps the most widely known summary of Jesus teachings By drawing on many sources Dr Guelich pays close attention to this section s foundation and its setting within the total purpose of Matthew s gospel **A Theology of Matthew's Gospel** Michael J. Wilkins, 2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew s Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew s gospel history theology and literature The first horizon focuses on Jesus s history ministry Here Matthew provides for us a record of God s activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew s theological perspective for his audience s Here we attempt to understand and isolate Matthew s unique theological perspective of God s activities in Jesus Messiah This is a central focus emphasizing Matthew s theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today s reader s engaging with Matthew s Gospel as literature Here we attempt to capture the significance of the perspective of today s reader s understanding of Jesus Messiah s activities in history and Matthew s theological perspective for the contemporary church In this book we view Matthew s perspective of God s activities in Jesus s unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus s example to follow and Jesus s words to obey Therefore Matthew s Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus s true identity in his deeds and introduces themes that will lead to instructions to Jesus s disciples in the Discourses The six Narratives provide the example that Jesus s disciples are commanded to obey In the five Discourses Matthew records Jesus s instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus s life provide Jesus s example to follow and the discourses give Jesus s instructions to obey and are the basis of our ongoing transformation to become like Jesus *Preaching the Beatitudes for the Glory of God* Landis Brown, 2025-01-21 For far too long the Beatitudes have been misunderstood as a daunting checklist of requirements for believers to meet to gain the promises at the end of each statement Preaching the Beatitudes with this interpretation places unnecessary pressure upon

believers to meet such high standards Help believers break free from the burden of trying to make their lives match the Beatitudes by showing them that in Christ they already fulfill them This book aims to help preachers preach the Beatitudes as a vibrant profile of believers already in Christ Each Beatitude is not a duty to fulfill but a promise to claim promises that allow the believer to live in a state of flourishing in the present not waiting till they reach heaven In these perilous times believers need reminding of their identity in Christ and the promises that come with it Through an in depth exploration of the Greek word makarios this book illuminates Christ s intent when giving the Beatitudes to his disciples showing how every believer can live in flourishing state due to the present and future promises Christ gives in each statement May readers rediscover the promises and assurance Jesus gives to all believers at the beginning of the greatest sermon ever preached the Sermon on the Mount

Understanding Matthew - Using Semitic Bible Study Methods Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua s day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture s meaning is as deep as God and God is infinite

Demacopoulos,2019-11-05 Traditional secular and fundamentalist all three categories are contested yet in their contestation they shape our sensibilities and are mutually implicated the one with the others This interplay brings to the foreground more than ever the question of what it means to think and live as Tradition The Orthodox theologians of the twentieth century in particular have emphasized Tradition not as a dead letter but as a living presence of the Holy Spirit But how can we discern Tradition as living discernment from fundamentalism What does it mean to live in Tradition when surrounded by something like the secular These essays interrogate these mutual implications beginning from the understanding that whatever secular or fundamentalist may mean they are not Tradition which is historical particularistic in motion ambiguous and pluralistic but simultaneously not relativistic Contributors R Scott Appleby Nikolaos Asproulis Brandon Gallaher Paul J Griffiths Vigen Guroian Dellas Oliver Herbel Edith M Humphrey Slavica Jakeli Nadieszda Kizenko Wendy Mayer Brenna Moore Graham Ward Darlene Fozard Weaver **Man Card** Mike
