Sermons On The Saving Work Of Christ:

The Saving Work of Christ St. Gregory Palamas, 2023-10-13 The Saving Work of Christ the second volume in the series Sermons by Saint Gregory Palamas covers all the major events in God's dispensation in the flesh from the Birth of Christ to the Day of Pentecost

Sermons on the Saving Work of Christ John Calvin, 2011-09-01 Calvin clarifies the basics of our Christian faith with expositions typically rich practical and direct The translation is literal staying true to Calvin's native expression and retaining the spirit of the great Genevan Reformer As these sermons met the heart hunger of the refugees in Geneva so today they will meet the personal needs of God's people for sound biblical doctrine The key introductory message is from John 1:1-5 on Christ's deity with following expositions on the nativity of Christ Luke 2:1-14 the passion of Christ 8 sermons the resurrection of Christ Matthew 28:1-10 the ascension of Christ 4 sermons the day of Pentecost 4 sermons and the second coming of our Lord 2 Thessalonians 1:6-10 Though Calvin did not follow the Church year in his preaching translator Leroy Nixon arranged these select messages to conveniently follow the Christian calendar providing study teaching and preaching resources for Christmas Lent Easter Ascension and Pentecost Sunday

Sermons on the Saving Work of Christ Jean Calvin, 1980

Uncovering Calvin's God Forrest H. Buckner, 2020-08-20 Although God loves you is a common summary of the central message of Christian teaching and preaching a close reading of the Bible and attention to the Christian tradition will reveal passages of Scripture and Christian doctrines particularly John Calvin's doctrine of predestination that seem to undermine confidence in God's love for all people For numerous theologians including many within the Reformed tradition the secret decree of Calvin's God to save some and condemn others seems to undercut completely one's assurance of salvation along with one's ability to trust in and worship God However pastor and scholar John Calvin confidently spoke of God as a loving Father throughout his teaching and preaching In Uncovering Calvin's God Forrest H Buckner unearths Calvin's teaching about the God of love who reigns sovereign over predestination Drawing upon sources from across Calvin's corpus Buckner examines Calvin's teaching on the knowledge of God and the doctrine of predestination to provide a more robust and cohesive understanding of Calvin's theology which Buckner then confirms through an extensive examination of Calvin's preaching in Geneva He then offers a critical comparison of Calvin's approach with the teaching of Luther Zwingli Bullinger Arminius and Barth Using Calvin's system as a starting point this book helps readers perceive the essentials and trade offs of any doctrine of predestination that takes seriously both the Bible and the loving God revealed in Jesus Christ

Calvin's Christology Stephen Edmondson, 2004-07 Stephen Edmondson articulates a coherent Christology from Calvin's commentaries and his Institutes He argues that through the medium of Scripture's history Calvin the biblical humanist renders a Christology that seeks to capture both the breadth of God's multifaceted grace enacted in history and the hearts of God's people formed by history What emerges is a picture of Christ as the Mediator of God's covenant through his threefold office of priest king and prophet This is the first significant volume to explore Calvin's Christology in several

decades *Christocentric Preaching Meets the Historical Jesus* Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric *The Saving Mysteries of Jesus Christ* Edgardo Colón-Emeric, Mark Gorman, 2019-09-04 Jesus is Lord This scandalous confession is an act of worship a pledge of allegiance a call to service and a saving act Yet who is Jesus Christ How should we understand his life his death his resurrection and his work of salvation This book offers a perspective from the Wesleyan tradition on these vital questions It introduces readers to christology the study of Christ The authors encourage readers to ponder the mystery of salvation at work in Christ's entire life and to make the confession Jesus is Lord their own **The Sermons and Other Practical Works of R. Jensen, 2019-04-02 Seeing the contours of Christian thought about Christ Throughout the two thousand year span of Christian history believers in Jesus have sought to articulate their faith and their understanding of how God works in the world How do we as we examine the vast and varied output of those who came before us understand the unity and the diversity of their thinking How do we make sense of our own thought in light of theirs The Christian Understandings series offers to help In this insightful volume David H. Jensen offers an engaging tour through more than two millennia of thought on Christ Starting with the New Testament and moving forward Jensen outlines the myriad beliefs developments and questions encompassing the attempts to understand Christianity's most central and most mysterious figure From the patristic portrayals to medieval Christology from the Reformation to the Enlightenment and into the twentieth century and beyond Jensen presents a helpful and needed guide

Spurgeon's Sermons Volume 14: 1868 Charles Haddon Spurgeon, **Spurgeon's Sermons Volume 19: 1873** Charles Haddon Spurgeon, *Stumbling over the Cross* Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the

church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world Zwingli the Pastor Stephen Brett Eccher, 2024-03-20 The Reformer at war In Zwingli the Pastor Stephen Brett Eccher tells the story of Huldrych Zwingli 1484 1531 embattled pastor and reformer Zwingli s ministry in Zurich was characterized by conflict conflict that fueled him It influenced his theological development inspired his commitment to bring reform and compelled his devotion to the congregation he led through the tumult of the Reformation Eccher reveals a complex Zwingli whose life and legacy continue to influence Protestantism today
