Baseball Norman L. Macht, 2015-10-01 In *The Grand Old Man of Baseball* Norman L. Macht chronicles Connie Mack's tumultuous final two decades in baseball. After Mack had built one of baseball's greatest teams, the 1929 Philadelphia Athletics, the Depression that followed the stock market crash fundamentally reshaped Mack's legacy as his team struggled on the field and at the gate. Among the challenges Mack faced was a sharp drop in attendance that forced him to sell his star players, the rise of the farm system which he was slow to adopt, the opposition of other owners to night games which he favored, the postwar integration of baseball which he initially opposed, a split between the team's heirs: Mack's sons Roy and Earle on one side, their half brother Connie Jr. on the other, that tore apart the family and forced Mack to choose unwisely between them, and finally the disastrous 1951-54 seasons in which Roy and Earle ran the club to the brink of bankruptcy. By now aged and mentally infirm, Mack watched in bewilderment as the business he had built fell apart. Broke and in debt, Roy and Earle feuded over the sale of the team. In a never before revealed series of maneuvers, Roy double-crossed his father and brother, and the team was sold and moved to Kansas City in 1954. In Macht's third volume of his trilogy on Mack, he describes the physical, mental, and financial decline of Mack's final years, which unfortunately became a classic American tragedy.

Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986, 1990 The Case of Lizzie Borden and Other Writings Elizabeth Garver Jordan, 2024-06-25 The first and only comprehensive collection of writings by Elizabeth Garver Jordan, the groundbreaking journalist, suffragist, and editor whose fearless reporting on women preceded the MeToo movement and popularized the true crime genre. A Penguin Classic, *The Case of Lizzie Borden and Other Writings* is the first to collect Garver Jordan's fiction and journalism, much of which has been out of print for over a century. Jordan began her career as a reporter, making her name as one of few women journalists to cover the Lizzie Borden murder trial for the *New York World* in 1893. Jordan's distinctive narrative-driven coverage of the Borden and other high-profile murder cases brought her national visibility, and she turned increasingly to fiction writing. Drawing on her experiences as a true crime reporter and newspaper editor, she published detective novels and short story collections such as *Tales of the City Room* that explored the fine line between women's criminality and crimes against women. Employing popular genre conventions as a means of dealing with women's issues, Jordan exposed gendered abuse in the workplace and the prevalence of sexual violence. *The Case of Lizzie Borden and Other Writings* encourages readers to draw a historical trajectory from Jordan's pioneering literary activism to the writings of contemporary journalists and novelists whose work continues to fuel discussions of gender, feminism, and crime, raising questions about who gets to tell women's stories, especially in the wake of the MeToo movement. **The Drama Year Book 1924** Joseph Lawren, 1924 *The Drama Year Book* Joseph Lawren, 1924
