Lord Of Emperors:

Lord of Emperors Guy Gavriel Kay, 2010-10-05 Guy Gavriel Kay multiple award winning author of *The Fionavar Tapestry* and *Sailing to Sarantium* completes his magnificent tale of an alternate Byzantine world In the golden city of Sarantium a renowned mosaicist seeks to fill his artistic ambitions and his destiny high upon a dome intended to be the emperor's enduring sanctuary and legacy The beauty and solitude of Crispin's work cannot protect him from the dangerous intrigues of court and city swirling with rumors of war and conspiracy while otherworldly fires mysteriously flicker and disappear in the streets at night The emperor is plotting a conquest of Crispin's homeland to regain an empire And with his fate entwined with that of his royal benefactor Crispin's loyalties come with a very high price And another voyager has come to the imperial city Rustem of Kerakek a physician from an eastern desert kingdom determined to find his own fate amid the shifting treacherous currents of passion and violence that define Sarantium

Lord of Emperors Guy Gavriel Kay, 2016-10-04 In this concluding volume of the two part *Sarantine Mosaic* Guy Gavriel Kay brilliantly merges his dramatic homage to Byzantine with a moving meditation on art and power and the eternal human struggle to leave a legacy Sarantium is the golden city holy to the faithful jewel of the world The western mosaicist Crispin has arrived in the glittering capital to begin work inside a grand sanctuary Confronting the challenges of his art high on the scaffolding of destiny he discovers that no one can withdraw from the dangerous affairs of court and city For Rustem a physician from the east a fateful moment as he saves the life of his own king sends him on a course toward the opulence of Sarantium Reluctantly he finds himself drawn into a web of intrigue to discover that his own path will have to go far beyond that of a healer

Lord of Emperors Guy Gavriel Kay, 2000

The Sarantine Mosaic Guy Gavriel Kay, 2012-04-03 For the first time in one collection the two internationally bestselling novels of *The Sarantine Mosaic* one of Guy Gavriel Kay's most loved works *Sailing to Sarantium* Sarantium is the golden city holy to the faithful exalted by the poets jewel of the world and heart of an empire Artisan Caius Crispus receives a summons from the emperor and sets off on a journey toward the Imperial City But before Crispin can reach Sarantium with its taverns and gilded sanctuaries chariot races and palaces he must pass through a land of pagan ritual and mysterious danger *Sailing to Sarantium* the first volume of the brilliant *Sarantine Mosaic* weaves an utterly compelling story of the allure and intrigue of a magnificent city and the people drawn into its spell *Lord of Emperors* Having finally achieved his journey to fabled Sarantium Crispin the mosaicist wants nothing more than to confront the challenges of his art high on the scaffolding of destiny but in Sarantium no man may easily withdraw from the turmoil of court and city or forget that the presence of the half world is always close by To the Imperial City there comes another voyager this time from the east Rustem of Kerakek a physician must find his own balance of family and ambition healing and death as he too is drawn into the deadly webs of Sarantium In this concluding volume of the *Sarantine Mosaic* *Lord of Emperors* merges page turning adventure with a deeply moving meditation on art and power

The Kingship of Jesus in the Gospel of John Sehyun Kim, 2018-08-21 This book studies kingship with reference to the Johannine Jesus Postcolonialism leads us to an avenue from which to read this Gospel in the more complex and wider context of the hybridized Jewish and Greco Roman worlds of the Roman Empire in the first century CE This provides a new perspective on the kingship of the Johannine Jesus whose kingly identity is characterized by hybridized christological titles For the Johannine readers in the first century who were exploited oppressed yet at odds with both the colonizer and the colonized in the Roman Empire this Gospel was deemed to reveal his identity Using many christological titles it presented Jesus as the universal king going beyond the Jewish Messiah's and the Roman emperors and also as the decolonizer who came to his own world to liberate his people from the darkness In this respect the ideology of the Johannine emphasizes that

love peace freedom service of the center for the margins and forgiveness are the ruling forces in the new world where Jesus reigns as king Raising an awareness of these ideologies John's gospel asks readers to overcome the conflicting world shrouded in darkness thenceforth entering the new Johannine world *The Pall Mall Budget*, 1876 *The Morality of Paul's Converts* Edwin D. Freed, 2014-12-05 A careful analysis of Paul's letters shows that in every church there were two main groups of converts those who were baptized and those being instructed for baptism Such analysis also makes it possible to determine which parts of each letter were directed towards which group Baptism was the rite by which converts were forgiven their past sins and became members of a renewed community of God from which any who continued to sin were expelled The Morality of Paul's Converts argues that Paul was always more concerned with how converts behaved than with what they believed about Christ Paul remained a Jew even after he accepted Jesus as the Messiah Paul eventually developed beliefs about Jesus as the Son of God in order to win Gentile converts to faithfulness but this careful analysis of his writings reveals that his primary concern was always the morality of converts His message always remained focused on faithfulness toward God and moral probity **The Greville Memoirs (third and Concluding Part)** Charles Greville, 1887 **The Greville Memoirs: A journal of the reign of Queen Victoria from 1837-1852** Charles Greville, 1887 **The Histories of a Medieval German City, Worms c. 1000-c. 1300** David S. Bachrach, 2016-03-03 Germany was the most powerful kingdom in the medieval West from the mid tenth to the mid thirteenth century However its history remains largely unknown outside of the German speaking regions of modern Europe Until recently almost all of the sources for medieval Germany were available only in the original Latin or in German translations while most scholarly investigation has been in German The limited English language scholarship has focused on royal politics and the aristocracy Even today English speaking students will find very little about the lower social orders or Germany's urban centers that came to play an increasingly important role in the social economic political religious and military life of the German kingdom after the turn of the millennium The translation of the four texts in this volume is intended to help fill these lacunae They focus on the city of Worms in the period c 1000 to c 1300 From them readers can follow developments in this city over a period of almost three centuries from the perspective of writers who lived there gaining insights about the lives of both rich and poor Christian and Jew No other city in Germany provides a similar opportunity for comparison of changes over time As important Worms was an early adopter of new political economic institutional and military traditions which would later become normative for cities throughout the German kingdom Worms was one of the first cities to develop as a center of episcopal power it was also one of the first to develop an independent urban government and was precocious in emerging as a de facto city state in the mid thirteenth century These political developments with their concomitant social economic and military consequences would define urban life throughout the German kingdom In sum the history of Worms as told in the narrative sources in this volume can be understood as illuminating the broader urban history of the German kingdom at the height *The Heir* Scott Michael
