The interlinear Bible, the authorised version and the revised version ,1906 **Amazing Miracles Of The Bible** Dr. Ashwin Drummond,2022-10-29 In this book the miracles narrated in the Bible have been captured and explained The man who therefore works miracles gives clear proof that it comes from the authority of God The miracle worker by the power of God makes the impossible possible At the end of the day good will always prevail against evil When the human mind fails to fathom when logic gets embarrassed when science is at a loss for words and when the foundations of all knowledge crumble down then we call such a phenomenon miracle The dictionary defines it as something extraordinary or surprising This supernatural power is none other than the Creator God Himself The New and Old Testaments of the Bible has more than a hundred recorded miracles When Jesus walked on the water He defied the law of gravity He was there at the time of the creation of this planet Thus as a creator God He has the power to create uncreated super create and destroy He therefore has the power to override the fundamental laws as understood by man It is for this reason he could perform umpteen miracles when He was on this earth There are thirty seven recorded miracles of Jesus apart from hundreds of them not recorded In addition to the miracles of Jesus Christ there are many miracles performed through the disciples apostles and prophets of God All these miracles point to a single fact that for God nothing is impossible *The Variorum Teacher's Edition of the Holy Bible* William Sanday,Thomas Kelly Cheyne,Samuel Rolles Driver,Robert Lowes Clarke,Alfred Goodwin,1886 **The Accented Bible ...
