 cultures and religions of the ancient Near East including Anatolia Syria Israel Sumer Babylonia Assyria and Elam The result
 of nearly fifteen years of research this handbook is more expansive and covers a wider range of sources and civilizations than
 any previous reference works on the topic Arranged alphabetically the entries range from multiple pages of information to a
 single line sometimes all that we know about a given deity Where possible each record discusses the deity's symbolism and
 imagery connecting it to the myths rituals and festivals described in ancient sources Many of the entries are accompanied by
 illustrations that aid in understanding the iconography and they all include references to texts in which the god or goddess is
 mentioned Appropriate for both trained scholars and nonacademic readers this book collects centuries of Near Eastern
 mythology into one volume It will be an especially valuable resource for anyone interested in Assyriology ancient religion and
