Author's Afterword

"Losing Absalom is a powerful and evocative work that is both a love story and a meditation on the human condition. The novel's themes of love, loss, and the search for meaning are explored with a depth and grace that is rare in contemporary fiction. The author's prose is beautiful and the characters are so well drawn that you will find yourself completely absorbed in the story. This is a book that will stay with you long after you have finished reading it." —John Williams, author of *The Road* and *127 Hours*
