

The background of the cover features five Goldfinches in various stages of flight. One is in the top left, another in the top right, a third on the left side, and two in the bottom right. They have brown bodies, white faces with black stripes, and wings with prominent yellow patches. Scattered around the birds are several dandelion seeds, some fully formed and some just seeds on thin stems. A large, detailed dandelion seed head is positioned in the lower center, partially overlapping the title and authors' names.
