Masquerade for Love Georgette Livingston,1995 **Masquerade for Love** Vicky Lancaster,1938 *Masquerade of Love* Karen Cino,2003-04-21 *Masquerade of Love* will take you on a magical journey through the inner depths of one's heart and soul The underlying emotions that are revealed through these poems show how deep love truly goes The poems will make you laugh and they will make you cry It is written for those who have met their soul mate and are still waiting for the moment that will bring them together **Masquerade for Love** Vicky LANCASTER (pseud.),1938 *Masquerade - Love, Loss and all the Dross* Gloria Bradley,2024-05-13 *Masquerade Love Loss and all the Dross* a follow up to Gloria Bradley's debut poetry collection *Shadowlands* Mind Mood and Memory is an expression of love and loss of angst and ecstasy experienced in the daily dramas that colour our emotional lives of hopes and dreams submerged beneath a veil of armour a mask we use to obscure our inner truths fears and insecurities Throughout this anthology hopefully the reader will recognise and connect with the writer's sentiments and observations The rhymes interspersed between the more sombre subjects are meant to amuse as a gentle reminder that we're simply human in a world of fear and chaos but one where love survives dancing in the masquerade **Masquerade of Love** Alice Morgan,1982 Intrigue of Love Hugh A. Allison Sr,2012-02

The Practice of Love Teresa De Lauretis,1994 Between 1970 and now in conjunction with earlier and contemporaneous social movements feminism and poststructuralism have made way for the rise of minority discourse and gay and lesbian studies as fields of scholarly and theoretical research Conceived from the vantage point of the latter this book returns to Freudian psychoanalysis and semiotics to the questions of representation subjectivity desire and their relations to social signification and material reality **Love for Sale** Colleen Lucey,2021-09-15 *Love for Sale* is the first study to examine the ubiquity of commercial sex in Russian literary and artistic production from the nineteenth century through the fin de siècle Colleen Lucey offers a compelling account of how the figure of the sex worker captivated the public's imagination through depictions in fiction and fine art bringing to light how imperial Russians grappled with the issue of sexual commerce Studying a wide range of media from little known engravings that circulated in newspapers to works of canonical fiction Lucey shows how writers and artists used the topic of prostitution both to comment on women's shifting social roles at the end of tsarist rule and to express anxieties about the incursion of capitalist transactions in relations of the heart Each of the book's chapters focus on a type of commercial sex looking at how the street walker brothel worker demimondaine kept woman impoverished bride and madam traded in sex as a means to acquire capital Lucey argues that prostitution became a focal point for imperial Russians because it signaled both the promises of modernity and the anxieties associated with Westernization *Love for Sale* integrates historical analysis literary criticism and feminist theory and conveys how nineteenth century beliefs about the fallen woman drew from medical judicial and religious discourse on female sexuality Lucey invites readers to draw a connection between rhetoric of the nineteenth century and today's debate on sex workers' rights

highlighting recent controversies concerning Russian sex workers to show how imperial discourse is recycled in the twenty first century
