Pacem In Terris:

Pacem in Terris, Encyclical Letter of His Holiness Pope John XXIII. Catholic Church. Pope, 1958-1963 (Joannes XXIII) *Pacem in terris* (11 Apr. 1963) English, William Joseph Gibbons, 1965 *Pacem in Terris* P. John, 2017-10-14 *Pacem In Terris* The entire encyclical was an affirmation of human rights and duties appealing to its audience on the grounds of a common humanity within a global community While it echoes and develops certain ideas put forth in Pope John's 1961 encyclical *Mater et Magistra* it is the first Vatican document to address issues essentially on an international order The only way to establish peace on earth is to follow God's order **Pacem in Terris** John XXIII Pope, 1963 *Pacem in Terris* Catholic Church. Pope, 1958-1963 (Joannes XXIII) *Pacem in terris* (11 Apr. 1963) English, 1963* **Pacem in Terris** Joe Holland, 2012-08-01 This book is the first volume in the *Pacem in Terris* Press Series on Postmodern Catholic Social Teaching This new stage of Catholic Social Teaching was inaugurated by Blessed Pope John XXIII 1958-1963 To honor the 50th Anniversary of *PACEM IN TERRIS* in 2013 the book offers a summary and commentary for this famous 1963 encyclical letter of Pope John XXIII The summary provides a clear and detailed overview of John's embrace of the modern human rights tradition as the foundation for world peace The commentary provides historical and philosophical context But John disengaged the modern human rights tradition from what he saw as its erroneous philosophical foundation in modern ideologies Instead he re-rooted it in the older deeper and richer philosophical foundation of Natural Law Early Christianity had appropriated the philosophical tradition of Natural Law from the Roman Stoics who in turn had developed it from the Greek Socratic tradition and especially from Aristotle John's encyclical begins by praising the natural order of the universe and the natural order in human beings all of which he describes as rooted in the Divine order It then outlines his theory of human rights first in the relationship between human beings and individual political communities second in the relationship among political communities themselves and third in relationship of political communities to the world community In this encyclical John made three remarkable innovations for Catholic Social Teaching First he called for an end to the arms race and for radical disarmament Second he eliminated the former ban against Catholic dialogue and cooperation with socialists and communists by distinguishing between error itself and actual persons in error Third recognizing the emergence of a new world economy he called for a democratic global political authority capable of ordering the world economy for the common good in truth justice love and liberty The book portrays John in his teaching as a foundational Catholic prophet for the new global stage of Catholic Christianity and correlatively as a foundational human prophet for the new global stage of the human journey *Pacem in Terris* Catholic Church. Pope John XXIII on World Peace Pope John wrote this encyclical letter to the entire world partly in response to the Cuban Missile Crisis which almost caused a global nuclear war that would have devastated the human family and all species of life on planet Earth In this letter John praised the United Nations and the Universal Declaration on Human Rights as important steps toward the creation of a worldwide public authority capable of directing nation states and the world economy toward the common good of all in the human family across planet Earth He called for global disarmament global human rights and global political regulation of the world economy all on behalf of the global common good John s call was grounded in the early Christian appropriation of the philosophical vision of the Roman Stoics who saw the human family as called politically to order itself toward the common good and thus to reflect the Divine order and beauty revealed in the order and beauty of the Cosmos The Symposium was held at United Nations Headquarters in New York City on 24 October 2012 It was convened by the Permanent Observer Missions of the Holy See and the Order of Malta in cooperation with Pax Romana at the UN which is a project of the New York Office of Pax Romana Catholic Movement for Intellectual and Cultural Affairs USA Cmica usa The editors of this volume Ambassador Francis Dubois and Dr Josef Klee are both retired high level United Nations officials and Co Directors of the New York Office of Pax Romana Cmica usa This Office s Pax Romana at the UN project provides organizational support for the work of the Holy See and Pax Romana at United Nations Headquarters in New York City PACEM IN TERRIS PRESS Publishing Service of Pax Romana Cmica usa Series on Postmodern Catholic Social Teaching
