Renouncing Violence Mary Margaret Funk, 2018-09-25 Written from her deep experience in the monastic tradition Sister Mary Margaret Funk shows us that with faith and our given vocations we are more than strong enough to resist and renounce the violence in the world around us This book offers both for personal use and for the broader community a teaching for our troubled times a teaching that empowers the reader to renounce violence in all its bold and subtle forms As a concrete example Funk retrieves the practice and symbolism of using holy water to bless cleanse and free us from violence wherever it is emerging in our personal lives and in our world This practice has thrived in the monastic tradition and has a language with a voice

Pachomian Koinonia: The life of Saint Pachomius and his disciples Armand Veilleux, 1980

The Ashgate Research Companion to Byzantine Hagiography Professor Stephanos Efthymiadis, 2013-07-28 Hagiography is the most abundantly represented genre of Byzantine literature and it offers crucial insight to the development of religious thought and practice social and literary life and the history of the empire It emerged in the fourth century with the pioneering Life of St Antony and continued to evolve until the end of the empire in the fifteenth century and beyond The appeal and dynamics of this genre radiated beyond the confines of Byzantium and it was practised also in many Oriental and Slavic languages within the orbit of the broader Byzantine world This companion is the work of an international team of specialists and represents the first comprehensive survey ever produced in this field It consists of two volumes and is addressed to both a broader public and the scholarly community of Byzantinists Medievalists historians of religion and theorists of the narrative This first volume covers the authors and texts of the four distinctive periods during which Greek Byzantine hagiography developed as well as the hagiography produced in Oriental and Slavic languages and in geographical milieux around the periphery of the empire from Italy to Armenia Volume II addresses questions of genres and the social and other contexts of Byzantine hagiography

Contemporary Coptic Nuns Pieterella van Doorn-Harder, 1995 A rare and engaging encounter with Egyptian cloistresses Contemporary Coptic Nuns reveals a world rarely seen by outsiders the world of nuns who worship and serve as part of the largest community of indigenous Christians in the Middle East One of the few people unaffiliated with the Egyptian Coptic Orthodox Church to observe these women Pieterella van Doorn Harder offers a compelling portrait of the nuns who devote their lives to this conservative faith Van Doorn Harder traces the current vitality of the Coptic monastic tradition to a church wide renaissance of the mid twentieth century She credits Coptic mother superiors with harnessing the revival's energy to usher in an era of expanded opportunity for Egyptian Christian women At that time they transformed convents into centers of Coptic faith and

culture and began providing pastoral educational and medicinal services to the community In depicting the nuns daily lives van Doorn Harder describes their work their role in the Coptic resurgence their influence on the Coptic laity and their position in the larger Islamic society In presenting their spiritual lives she attests to the vigor of their prayer fasting and devotions as well as to their spiritual gifts which include clairvoyance intercession and healing

Saint Macarius, the Spiritbearer Tim Vivian, 2004 These three ancient texts The Sayings of Saint Macarius The Virtues of Saint Macarius and The Life of Saint Macarius of Scetis provide insight into one of the most venerated saints of the Coptic Church and into life in the Egyptian monastic communities of the fourth century Macarius the Great also called Macarius of Egypt or Macarius the Egyptian came to preside in a loose manner over the monks of Scetis in Wadi al Natrun These monks lived alone or in small groups in scattered cells and came together as a larger community only on Saturday and Sunday when they celebrated the Eucharist together and participated in a communal meal Later architectural and organizational structures such as defensive high walls or rules and regulations of medieval Benedictine monasticism were unknown to them This work is a companion volume to Four Desert Fathers which contains four monastic Lives Pambo Evagrius Macarius of Egypt and Macarius of Alexandria preserved in Coptic the Coptic Palladiana and clearly related to the Greek Lausiac History of Paladius BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Monastic Letters of Saint Athanasius the Great Saint Athanasius, 2023 Fairacres Publications 120 Scholars have often concentrated on the theological writings of St Athanasius c 296 373 AD and on his influence as a religious leader so that his contribution to the monastic life has not received due recognition In these six letters addressed to monks Athanasius is revealed as a wise spiritual guide and loving pastor determined that the monks should receive sound teaching so as to avoid the pitfalls of heresies current at that time As Leslie Barnard notes in his Introduction The permanent significance of these letters lies in their wisdom moderation and balance

Forgotten Desert Mothers, The Swan, Laura, 2022 In The Forgotten Desert Mothers Laura Swan introduces readers to the sayings lives stories and spirituality of women in the early Christian desert and monastic movement from the third century on In doing so she finally sets the record straight that women played an important and influential role in early Christianity indeed a role that has been long overshadowed by men She begins with an exploration of the historical context and spirituality of the desert ascetics Then she weaves together the sayings of the major desert ammas or mothers along with commentary that invites readers to reflect on their own spiritual journey as they share their wisdom The book then journeys between desert monastery and city to reveal the stories of ascetics and solitaries whose stories are rarely heard organized in the author s own alphabetical collection The Forgotten Desert Mothers demonstrates like no other work that women have long had a history of leadership in Christianity This engaging eye opening and insightful work targets all faith seekers looking to reclaim the history and spirituality of the women who came before them as well as to understand their own inner journey It will be a welcome addition to courses on early church history women s studies and

religious studies **The Monk and the Book** Megan Hale Williams, 2008-09-15 In the West monastic ideals and scholastic pursuits are complementary monks are popularly imagined copying classics preserving learning through the Middle Ages and establishing the first universities But this dual identity is not without its contradictions While monasticism emphasizes the virtues of poverty chastity and humility the scholar by contrast requires expensive infrastructure a library a workplace and the means of disseminating his work In *The Monk and the Book* Megan Hale Williams argues that Saint Jerome was the first to represent biblical study as a mode of asceticism appropriate for an inhabitant of a Christian monastery thus pioneering the enduring linkage of monastic identities and institutions with scholarship Revisiting Jerome with the analytical tools of recent cultural history including the work of Bourdieu Foucault and Roger Chartier Williams proposes new interpretations that remove obstacles to understanding the life and legacy of the saint Examining issues such as the construction of Jerome's literary persona the form and contents of his library and the intellectual framework of his commentaries Williams shows that Jerome's textual and exegetical work on the Hebrew scriptures helped to construct a new culture of learning This fusion of the identities of scholar and monk Williams shows continues to reverberate in the culture of the modern university Williams has written a fascinating study which provides a series of striking insights into the career of one of the most colorful and influential figures in Christian antiquity Jerome's Latin Bible would become the foundational text for the intellectual development of the West providing words for the deepest aspirations and most intensely held convictions of an entire civilization Williams's book does much to illumine the circumstances in which that fundamental text was produced and reminds us that great ideas like great people have particular origins and their own complex settings Eamon Duffy New York Review of Books

Clothes and Monasticism in Ancient Christian Egypt Ingvild Sælid Gilhus, 2021-03-08 This book is an exploration of the ideals and values of the ascetic and monastic life as expressed through clothes Clothes are often seen as an extension of us as humans a determinant of who we are and how we experience and interact with the world In this way they can play a significant role in the embodied and material aspects of religious practice The focus of this book is on clothing and garments among ancient monastics and ascetics in Egypt but with a broader outlook to the general meaning and function of clothes in religion The garments of the Egyptian ascetics and monastics are important because they belong to a period of transition in the history of Christianity and very much represent this way of living This study combines a cognitive perspective on clothes with an attempt to grasp the embodied experiences of being clothed as well as viewing clothes as potential actors Using sources such as travelogues biographies letters contracts images and garments from monastic burials the role of clothes is brought into conversation with material religion more generally This unique study builds links between ancient and contemporary uses of religious clothing It will therefore be of interest to any scholar of religious studies religious history religion in antiquity and material religion

The Canons of Our Fathers Bentley Layton, 2014-09-18 This book is the first publication of a very early set of Christian monastic rules from Roman Egypt accompanied by four preliminary

chapters discussing their historical and social context and their character as rules These rules were found quoted in the writings of the great Egyptian monastic leader Shenoute Designed for a federation of monks and nuns who banded together about 360 CE forming the so called White Monastery Federation the rules date back to the fourth and fifth centuries New historical evidence is presented for the founding of the Federation Providing almost the earliest evidence for Christian communal cenobitic monasticism the rules depict many intimate aspects of ascetic practice Details of monastic daily life are mentioned in passing in the rules and the author uses these details to describe their picture of monastic life under five general topics the monastery as a physical plant the human makeup of the community ascetic observances the hierarchy of authority and the daily liturgy The book includes a clear English translation of the rules accompanied by the original Coptic text amounting to five hundred and ninety five entries

Psychology, Religion, and Spirituality James M.

Nelson,2009-02-17 Over a century ago psychologists who were fascinated with religion began to study and write about it Theologians and religious practitioners have responded to this literature producing a fascinating dialogue that deals with our fundamental und standings about the human person and our place in the world This book provides an introduction to the important conversations that have developed out of these interchanges The dialogue between psychology and religion is difficult to study for a number of reasons First it requires knowledge of both psychology and religion People with a background in psychology often lack a solid understanding of the religious traditions they wish to study and theologians may not be up to date on the latest developments in psychology Second it requires conceptual tools to organize the material and understand the basic problems involved in any attempt to connect the science of psychology with religion These concepts can be found in many places for instance in the writings of philosophers of science but they are complex and often hard to follow for those without a proper theological and philosophical ba ground Finally authors who write on the topic come to the study of psychology and religion from a variety of academic and personal backgrounds This makes for wonderful diversity in conversations but it makes understanding and mastery of the material quite difficult
