P. Rangsimaporn

Pacific Affairs Volume 49 No 1:

Pacific Affairs, 1955 Includes book reviews and bibliographies

Production of Postcolonial India and Pakistan

Ted Svensson, 2013-07-31 This work seeks to examine the event and concurrent transition that the inauguration of India and Pakistan as postcolonial states in August 1947 constituted and effectuated. Analysing India and Pakistan together in a parallel and mutually dependant reading and utilizing primary data and archival materials Svensson offers new insights into the current literature seeking to conceptualise independence through partition and decolonisation in terms of novelty and as a restarting of time. Through his analysis Svensson demonstrates the constitutive and inexorable entwinement of contingency and restoration of openness and closure in the establishment of the postcolonial state. It is maintained that those involved in instituting the new state in a moment devoid of fixity and foundation anchor it in preceding beginnings. The work concludes with the proposition that the novelty should not only be regarded as contained in the moment of transition. It should also be seen as contained in the pledge in the promise and the gesturing towards a future community. Distinct from most other studies on the partition and independence the book assumes the constitutive moment as the focal point offering a new approach to the study of partition in British India, decolonisation and the institutional of the postcolonial state. This work will be of great interest to students and scholars of international relations, South Asian studies and political and postcolonial theory.

The Moral Democracy Michał Lubina, 2019-03-12 Aung San Suu Kyi spoke passionately about non violence she wrote involved articles about compatibility of democracy with Buddhism and she won the hearts and minds of so many with her call for the freedom from fear. It seemed for more than two decades that Suu Kyi was a perfect non Western propagator of democracy, human rights, rule of law. Yet a deeper analysis reveals that Suu Kyi intellectually indeed has been a democrat all along but a Burmese democrat. Suu Kyi understands democracy in a Buddhist way and she reasons about politics using Buddhist ideas, idioms and concepts. This Buddhist dominance of her political thought had several consequences, the most important one being that her approach to politics has first and foremost been a moral one, her vision of democracy and of politics in general is a moral vision. It is something I propose to call the moral democracy. The same reason that made her famous and admired worldwide now contributed to her fall from grace. For too many outside Burma, Myanmar it is impossible to understand how Suu Kyi yesterday's global personification of good and morality can now silently endorse crimes against humanity conducted in her country and accept forced relocation of 700 thousand people. A cynic would quote Bertrand Russell's words: we have two kinds of morality side by side, one which we preach but do not practice and another which we practice but seldom preach, and add a commentary that it applies especially to politicians. One however may offer a more favourable explanation that Suu Kyi represents a tragic clash of ideas including moral ideas with political reality. Whatever the case it was morality that made her famous, it was the same moralistic attitude that contributed to her removal from international Olympus and it is this moral understanding of politics that is the hallmark of her political thought which is here

to stay for longer as political ideas last longer than changing political circumstances and fashions From the Preface The dramatic fall from grace of Burma's human rights icon Aung San Suu Kyi shocked the world Micha Lubina's magisterial account of Aung San Suu Kyi's political education demystifies the behavior in power of this otherwise enigmatic leader This is the indispensable book for anyone who wants to understand the mind of one of the world's most controversial women Prof Salvatore Babones University of Sydney Dr Micha Lubina known in Poland for portraying Aung San Suu Kyi not as a human rights activist but as a realist politician in the very footsteps of her father now comes out with his research to the international audience Following the example of Mahbubani's *Can Asian Think* Lubina shows the intellectual and philosophical tradition of Myanmar through the case study of Suu Kyi's political thought It's a unique undertaking that presents Suu Kyi from an unexpected angle as a theoretician and political thinker or sage Both the scope of research done and the material presented are very impressive and rather unique even on international scene Prof Bogdan G ralczyk University of Warsaw Former Ambassador to Myanmar This book is a well documented and well constructed multilayered complex analytical work based on very rich research interviews with Suu Kyi and personal observations of the Author who displays unquestioned analytical skills As such the book represents a pioneer work in Burmese studies Prof Agnieszka Kuszewska Jagiellonian University in Cracow None of the numerous books and articles that I have read about Daw Aung San Suu Kyi dissects her political thoughts and background as thoroughly as the book written by Dr Micha Lubina He shows the political construction of her character her struggle her idealism her sources of inspiration and her weaknesses It is a necessary publication to read in order to understand historical and contemporary policymaking in today's Burma Dr Marion Sabri University of Rouen Normandy

[Another India](#) Pratinav Anil,2023-11-27 Another India tells the story of the world's biggest religious minority through vivid biographical portraits that weave together the stories of both elite and subaltern Muslims By challenging traditional histories and highlighting the neglect of minority rights since Independence Pratinav Anil argues that Muslims since 1947 have had to contend with discrimination disadvantage deindustrialization dispossession and disenfranchisement as well as an unresponsive leadership He explores the rise and fall of the Indian Muslim elite and the birth of the nationalist Muslim and emphasizes the importance of class in understanding the dynamics of Indian politics Anil also sheds light on the vested custodial interests and the depoliticization of the privileged classes all of which resulted in the elite betrayal by the landed gentry of the ordinary members of the community a betrayal whose consequences are still felt by India's 200 million Muslims today Another India ultimately recovers Muslim agency from the back pages of history and offers a different picture of democratic India challenging received accounts of the world's largest democracy

Strong Borders, Secure Nation M. Taylor Fravel,2008-08-25 As China emerges as an international economic and military power the world waits to see how the nation will assert itself globally Yet as M Taylor Fravel shows in *Strong Borders Secure Nation* concerns that China might be prone to violent conflict over territory are overstated The first comprehensive study of China's territorial

disputes Strong Borders Secure Nation contends that China over the past sixty years has been more likely to compromise in these conflicts with its Asian neighbors and less likely to use force than many scholars or analysts might expect By developing theories of cooperation and escalation in territorial disputes Fravel explains China's willingness to either compromise or use force When faced with internal threats to regime security especially ethnic rebellion China has been willing to offer concessions in exchange for assistance that strengthens the state's control over its territory and people By contrast China has used force to halt or reverse decline in its bargaining power in disputes with its militarily most powerful neighbors or in disputes where it has controlled none of the land being contested Drawing on a rich array of previously unexamined Chinese language sources Strong Borders Secure Nation offers a compelling account of China's foreign policy on one of the most volatile issues in international relations

Economic Diplomacy Maaïke Okano-Heijmans, 2013-07-04

This book by Maaïke Okano Heijmans makes an important contribution to the concept of economic diplomacy A conceptual study mode of economic diplomacy is combined with applied analysis of Japan's economic diplomacy practice The two approaches reinforce one another yielding a conceptualization of economic diplomacy that is grounded in practical insights A comprehensive approach A core argument in the book is that economic diplomacy strategically affirms that economic commercial interests and political interests reinforce one another and should thus be seen in tandem This contrasts with the predominant approach in the transatlantic world which attaches relatively greater importance to the military economic linkage in the quest for influence The case of Japan Japan has employed economic diplomacy as a central instrument of its foreign policy and quest for national security since the post war period The reconfiguration of regional and global power that started in the 1990s encouraged the Japanese government in coordination and cooperation with the private sector to reassess its economic diplomacy policy Power shifts Economic Diplomacy Japan and the Balance of National Interests illuminates the debates underlying these shifts the various ways by which Japan's reinvention of its economic diplomacy is implemented and the consequences for Japanese foreign policy at large Practical relevance The critical insights offered by the examination of Japan are pertinent for Western countries as well as for other East Asian nations They will be of interest to scholars and practitioners of diplomacy international relations and international economic law and policy This book is the ninth volume in the Diplomatic Studies series edited by Jan Melissen and published by Brill Martinus Nijhoff Publishers For more information see brill.com/economic-diplomacy-0

Catalogue Des Publications en Série United Nations Library

(Geneva, Switzerland), 2001 *Strategic Cultures and Security Policies in the Asia-Pacific* Jeffrey S. Lantis, 2016-03-22 This book shows how one of the most powerful tools of security studies strategic culture illuminates the origins and implications of the Asia Pacific region's difficult issues from the rise of China and the American pivot to the shifting calculations of many other actors Strategic culture sometimes challenges and always enriches prevailing neo realist presumptions about the region It provides a bridge between material and ideational explanations of state behavior and helps capture the tension

between neoclassical realist and constructivist approaches The case studies in this book survey the role of strategic culture in the behaviors of Australia China Japan the Philippines South Korea and the United States They show the contrast between structural expectations and cultural predispositions as realist geopolitical security threats and opportunities interact with domestic elite and popular interpretation of historical narratives and distinctive political military cultures to influence security policies The concluding chapter devotes special attention to methodological issues at the heart of strategic cultural studies as well as how culture may impact the potential for future conflict or cooperation in the region The result is a body of work that helps deepen our understanding of strategic cultures in the Asia Pacific in comparative perspective and enrich security studies This book was published as a special issue of Contemporary Security Policy Rising India Rajesh Basrur, Kate Sullivan de Estrada, 2017-03-31 This Routledge Focus charts the ways in which India's international strategies of status seeking have succeeded failed and evolved from Independence up to the present day India's Family Planning Programme Leela Visaria, Rajani R. Ved, 2016-01-29 This book closely examines the changes challenges and shifts in India's family planning programme since its inception in 1952 It discusses the dynamics of population growth the demographic dividend family planning and its impact on maternal and child health and the pressures from various quarters to remove method specific contraceptive targets from the programme The volume highlights the shortcomings in the delivery of services by the public sector and the critical role of non government organisations in research promotion and advocacy Rich in empirical data this book will be an indispensable resource for scholars policymakers organisations and NGOs concerned with population and demographic studies It will also interest those in sociology public policy and public health

Congressional Record United States. Congress, 1983 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Russia as an Aspiring Great Power in East Asia** P. Rangsimaporn, 2009-08-27 Rangsimaporn argues that Russia aspires to become a great power and tries to achieve this through utilizing its position as a Eurasian country with vast territories in East Asia its economic assets primarily arms and energy and careful management of its role in a multipolar East Asia with a complex balance of power **Australia's Defence Strategy** Adam Lockyer, 2017-01-30 How would we know a good defence strategy if we saw one The Asian Century is challenging many of the traditional assumptions at the heart of Australian defence policy and strategy Defence scholars have risen to the challenge of these transformational times and have collectively produced a smorgasbord of alternatives for policy makers The problem is that these recommendations all point in very different directions How should we evaluate these options Adam Lockyer tackles this question and develops a novel conceptual framework for evaluating defence strategies By doing so this book breaks new theoretical ground and makes an

important contribution to our understanding of strategy in general and defence strategy in particular Lockyer then applies this analytical tool to the leading arguments in Australia's defence debate and finds that there is still substantial work to be done Lockyer concludes by proposing a new Australian defence strategy for a contested Asia that would pass the test for a good defence strategy The result is essential reading for anyone interested in strategy or the future of Australian defence policy

Japan, Australia and Asia-Pacific Security Brad Williams, Andrew Newman, 2006-09-27 The threats to security in Southeast Asia have been serious and constant since the end of the Second World War The book provides an absorbing account of the evolution of a key axis of regional stability defence contacts between Japan and Australia tracing the relationship from the early post war period to the post 9 11 present Though most works have focused on their economic nexus Japan and Australia's defences and security ties have assumed increasing importance since the mid 1990s With problems such as North Korea's nuclear program and the China Taiwan standoff threatening regional stability the two countries have sought to strengthen bilateral relations and indications are that this relationship is likely to grow in the future

Japan Australia and Asia Pacific Security explores the evolution of their relationship in the broader context of Asia Pacific security addressing regional sub regional and transnational issues This captivating book will be welcomed by those with an interest in Asian politics international relations and security studies

China's Security Interests in the Post-Cold War Era Dr Russell Ong, Russell Ong, 2013-12-19 Concentrates on the economic and political aspects of China's security agenda which have to a certain extent been given less prominence in most security studies on China

Facing North Volume 2 David Goldsworthy, Peter Edwards, 2015-03-02 Facing North is the first substantial history of Australia's relations with Asia since Federation Volume 1 2001 chronicles Australian Asian relations from 1901 to the 1970s Volume 2 now carries the story through the last decades of the century Both make extensive use of official government sources and of the private collections of ministers and public servants This volume discusses the changing relations between Australia and Asia in the period from the 1970s to 2000 Over this time integration became a dominant theme as Australia looked increasingly to its near neighbours to form political social and economic alliances An important driving force behind this direction was the economic opportunities presented by Asia At the same time Australia championed the rights of Asian countries to self determination economic development and an independent role in international affairs The book combines the discussion of broad policy themes with detailed analysis of policy making in relation to particular issues such as human rights and episodes such as the crisis in East Timor At home a key concern was the question of difference between Australian and Asian values As Australia began accepting significant numbers of immigrants from the region the country's national identity and the extent to which it identified with Asia became matters of intense debate Australian society itself has changed as a result Facing North is essential reading for anyone who wants to better understand Australia's present relations with Asian countries and our future choices

Democracy and Democratization Michael Moran, Geraint Parry, 2015-04-29 Following the collapse of

the former regimes of Eastern and Central Europe and Latin America the choice of all of the democratising countries was to move towards liberal democracy Likewise in Africa many authoritarian regimes seem to be in retreat perhaps most significantly in South Africa Democracy seems to be the only valued political system of the late twentieth century so that even China for example describes itself as the people's democratic dictatorship So have we really as Francis Fukuyama suggested reached the end of history Should we not look seriously at the tension between liberalism and democracy which have led to dissatisfaction with the liberal model in countries such as Britain and France Is it not important to discuss the real problems of stabilisation and survival which the democratising countries are experiencing This timely collection examines questions of central concern to scholars and practitioners of politics It looks at both the concept of democracy and the process of democratisation combining theoretical chapters by historians of ideas and political theorists with empirical chapters on the process of democratisation in Eastern Europe China The Middle East and Latin America as well as in established democracies such as Britain and France

Politics in India Subrata Mitra, 2017-11-08 The second edition of this textbook brings together general political theory and the comparative method to interpret socio political phenomena and issues that have occupied the Indian state and society since 1947 It considers the progress that India has made in some of the most challenging aspects of post colonial politics such as governance democracy economic growth welfare and citizenship Looking at the changed global role of India its standing in the G 20 and BRICS as well as the implications of the 2014 Indian general elections for state and society this updated edition also includes sections on the changing socio political status of women in India corruption and terrorism The author raises several key questions relevant to Indian politics including Why has India succeeded in making a relatively peaceful transition from colonial rule to a resilient multi party democracy in contrast to its South Asian neighbours How has the interaction of modern politics and traditional society contributed to the resilience of post colonial democracy How did India's economy moribund for several decades following Independence make a breakthrough into rapid growth and can India sustain it And finally why have collective identity and nationhood emerged as the core issues for India in the twenty first century and with what implications for Indian democracy The textbook goes beyond India by asking about the implications of the Indian case for the general and comparative theory of the post colonial state The factors which might have caused failures in democracy and governance are analysed and incorporated as variables into a model of democratic governance In addition to pedagogical features such as text boxes a set of further readings is provided to guide readers who wish to go beyond the remit of this text The book will be essential reading for undergraduate students and researchers in South Asian and Asian studies political science development studies sociology comparative politics and political theory

Constructing a Security Community in Southeast Asia Amitav Acharya, 2003-08-29 First published in 2000 Routledge is an imprint of Taylor Francis an informa company

The Architect of Victory Peter J. Dean, 2011-04-21 Lieutenant General Sir Frank Berryman is one of the most important yet relatively

unknown officers in the history of the Australian Army Despite his reputedly caustic personality and noted conflicts with some senior officers Berryman was crucial to Australia's success during the Second World War But did the man known as Berry the Bastard deserve his reputation Bold calculating and talented Berryman was at the forefront of operations that led to the defeat of the Japanese and his operational planning secured Australia's victories at Bardia Tobruk and in New Guinea during the Pacific War With access to rare private papers Peter Dean charts Berryman's special relationships with senior US and Australian officers such as MacArthur Chamberlain Blamey Lavarack and Morshead and explains why the man poised to become the next Chief of General Staff would never fulfil his ambition

Pacific Affairs Volume 49 No 1 Introduction

In today's digital age, the availability of Pacific Affairs Volume 49 No 1 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pacific Affairs Volume 49 No 1 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pacific Affairs Volume 49 No 1 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pacific Affairs Volume 49 No 1 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pacific Affairs Volume 49 No 1 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pacific Affairs Volume 49 No 1 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pacific Affairs Volume 49 No 1 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pacific Affairs Volume 49 No 1 books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pacific Affairs Volume 49 No 1 books and manuals for download and embark on your journey of knowledge?

FAQs About Pacific Affairs Volume 49 No 1 Books

1. Where can I buy Pacific Affairs Volume 49 No 1 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Pacific Affairs Volume 49 No 1 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Pacific Affairs Volume 49 No 1 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
