Imagining Disarmament, Enchanting International Relations Matthew Breay

Bolton, 2019-06-25 This book explores the global politics of disarmament through emerging international relations IR theories of discourse and imagination Each chapter reflects on an aspect of contemporary activism on weapons through an analogous story from literary tradition Shahrazade convenor of the 1001 Nights offers a potent metaphor for the humanitarian advocacy seeking to moderate the behaviour of violent people The author reads Don Quixote in Cambodia's minefields reflects on Lysistrata at Greenham Common and considers how tropes in The Tempest were enrolled in both Pacific nuclear testing and efforts to resist it The book draws on ethnographic fieldwork in communities affected by weapons and disarmament advocacy at the UN and calls for a re enchantment of IR alive to affect ritual and myth

Central Europe Since 1945 Paul G.

Lewis, 2014-01-14 Central Europe here Poland the German Democratic Republic Czechoslovakia and Hungary is at the centre of international attention since the Soviet collapse An understanding of its postwar history is critical to an appreciation of the challenges facing its present rulers This is an engrossing account of the installation development operation and eventual

downfall of its very different communist regimes and the transition to the freedoms and uncertainties of the post Soviet world The book covers political economic social and cultural change emphasising the crucial relationships with the USSR throughout The World Since 1945 P. M. H. Bell, Mark Gilbert, 2016-11-03 A masterly synthesis of the history of the contemporary world The World Since 1945 offers the ideal introduction to the events of the period between the end of the Second World War and the present day P M H Bell and Mark Gilbert balance a clear narrative with in depth analysis to guide the reader through the aftermath of the Second World War the Cold War decolonization D tente and the Arab Israeli Conflict up to the on going ethnic strife and political instability of the 21st century The new edition has been thoroughly revised to fully reflect developments in the history and historiography of the post war world and features five new chapters on the post Cold War world covering topics including The rise and fall of American hegemony The decline of Europe The rise of Asia Political Islam as a global force The role of human rights The World Since 1945 challenges us to better understand what happened and why in the post war period and shows the ways in which the past continues to exercise a profound influence on the present It is essential reading for any student of contemporary history *The Post-Imperial Age: The Great Powers and the Wider World* J.P.D. Dunbabin, 2014-07-15 This volume looks at the impact on the wider world of the end of the European empires and their replacement by a new international order dominated by East West rivalries After surveying the decolonization process the book looks successively at the different patterns of experience in Southern Africa South East Asia and India East Asia and the Pacific the Middle East and the Americas It concludes with a sustained analysis of the International System the functioning of international organizations and the global role of money and trade *One World Divisible* David Reynolds, 2000 A new volume in the Global Century series this masterful history of the world in our time captures the ground level drama of events and the larger contours of change during a period of global transformation

Global Century Series One World Divisible David Reynolds, 2001-03-06 A magisterial account of our time by a distinguished historian Walter LaFeber author of *The Clash* This brilliant history vividly captures the great political events of the past 50 years while carefully avoiding an encyclopedia approach of illustrations *The United States in the Asia-Pacific since 1945* Roger Buckley, 2002-05-20 In a fast moving and incisive narrative Roger Buckley examines America s close and continuous relationship with the Asia Pacific region from the end of the Pacific War to the first days of the Presidency of George W Bush The author traces the responses of the United States government to the major crises in the area through the Cold War decades and the initial post Cold War years He demonstrates how the US sought to maintain its dominant regional position through a series of security alliances and its own political military and economic strengths Professor Buckley examines the subject from geopolitical perspectives to provide a gateway to the understanding of a complex region certain to be of global importance in the twenty first century **The Devil's Trick** John Boyko, 2022-05-17 Forty five years after the fall of Saigon John Boyko brings to light the little known story of Canada s involvement in the American War in Vietnam

Through the lens of six remarkable people some well known others obscure bestselling historian John Boyko recounts Canada's often overlooked involvement in that conflict as peacemaker combatant and provider of weapons and sanctuary When Brigadier General Sherwood Lett arrived in Vietnam over a decade before American troops he and the Canadians under his command risked their lives trying to enforce an unstable peace while questioning whether they were merely handmaidens to a new war As American battleships steamed across the Pacific Canadian diplomat Blair Seaborn was meeting secretly in Hanoi with North Vietnam's prime minister if American leaders accepted his roadmap to peace those ships could be turned around before war began Claire Culhane worked in a Canadian hospital in Vietnam and then returned home to implore Canadians to stop supporting what she deemed an immoral war Joe Erickson was among 30 000 young Americans who changed Canada by evading the draft and heading north Doug Carey was one of the 20 000 Canadians who enlisted with the American forces to serve in Vietnam Rebecca Trinh fled Saigon with her husband and young daughters joining the waves of desperate Indochinese refugees thousands of whom were to forge new lives in Canada Through these wide ranging and fascinating accounts Boyko exposes what he calls the Devil's wildest trick convincing leaders that war is desirable persuading the public that it is acceptable and telling combatants that the deeds they carry out and the horrors they experience are normal or at least necessary In uncovering Canada's side of the story Boyko reveals the many secret and forgotten ways that Canada not only fought the war but was forever shaped by its lessons and lies

The Community of Europe Derek W. Urwin, 2014-09-19 This hugely successful history of political and economic integration in Western Europe since the Second World War and especially but by no means exclusively the European Community itself was first published in 1991 to general acclaim Since then much turbulent water has flowed under the bridges of Maastricht and Strasbourg Now in this welcome Second Edition Derek Urwin has brought the story fully up to date with an account of developments since 1991 and an assessment of the mood and prospects of Europe and the Community today

Decolonization in Africa John D. Hargreaves, 2014-07-30 John Hargreaves examines how the British French Belgian Spanish and Portuguese colonies in tropical Africa became independent in the postwar years and in doing so transformed the international landscape African demands for independence and colonial plans for reform central to the story are seen here in the wider context of changing international relationships

Russia and China Alekseĭ Dmitrievich Voskresenskii, 2003 This study incorporates elements from the disciplines of international relations and history to address key international and domestic elements that have shaped the interactions between Russia and China over time It demonstrates how changes in the inter state relationship were and are initiated Controversial issues are examined through previously unobtainable materials from sources including the Archives of Foreign Policy of the Russian Empire the Archives of Foreign Policy of the Russian Federation and the Russian Centre for the Preservation and Research of the Documents of Modern History

The Pacific Basin Since 1945 Roger C. Thompson, 1994 This postwar study of the history of the Pacific Basin links together the interrelationships of the rim

nations of east and southeast Asia Australia North and South America and the Pacific Islands It looks at the various different regions and how they all interconnect It explores major themes such as the creation of Japan s new economic order in the region the United States crusades against communism real and imagined in Asia and Latin America national struggles for independence against colonial rule and the shifting patterns of conflict and co operation between the rim states themselves

The Rise and Fall of the Soviet Economy Philip Hanson,2014-09-11 Why did the Soviet economic system fall apart Did the economy simply overreach itself through military spending Was it the centrally planned character of Soviet socialism that was at fault Or did a potentially viable mechanism come apart in Gorbachev s clumsy hands Does its failure mean that true socialism is never economically viable The economic dimension is at the very heart of the Russian story in the twentieth century Economic issues were the cornerstone of soviet ideology and the soviet system and economic issues brought the whole system crashing down in 1989 91 This book is a record of what happened and it is also an analysis of the failure of Soviet economics as a concept

The Cold War J.P.D. Dunbabin,2014-01-14 The Cold War offers a brief but detailed treatment of one of the most complex eras of the 20th Century In this fully revised second edition J P D Dunbabin drawing on international scholarship and using much new material from communist sources describes a world in which covert operations could be as important as outright diplomacy soft power as influential as hard and in which competing ideologies ruled the hearts as much as the heads of the leaders in power Dunbabin s account is global in scope taking into account the importance of players beyond the superpowers and shedding light on the proxy conflicts such as those in Africa and the Middle East that if not caused by the continuing stalemate between the great powers were used as weapons within it

China's Economic Relations with the West and Japan, 1949-1979 Chad Mitcham,2005-09-16 During the period 1949 to 1979 communist China was officially pursuing a policy of self sufficiency and the United States and its allies were officially implementing a trade embargo against communist China However this book based on extensive original research demonstrates that China was highly dependent on Western Japanese grain imports The text shows that groups lobbying on behalf of Western Japanese grain producers and related industries had successfully found ways of by passing the embargo This book charts the complicated picture of how economic relations between China the West and Japan developed in these years
