

Pacific Stars And Stripes

**United States. Congress. Senate.
Committee on Appropriations.
Subcommittee on Department of
Defense**

Pacific Stars And Stripes:

Mashi Robert K. Fitts,2020-04-01 In the spring of 1964 the Nankai Hawks of Japan s Pacific League sent nineteen year old Masanori Murakami to the Class A Fresno Giants to improve his skills To nearly everyone s surprise Murakami known as Mashi dominated the American hitters With the San Francisco Giants caught in a close pennant race and desperate for a left handed reliever Masanori was called up to join the big league club becoming the first Japanese player in the Major Leagues Featuring pinpoint control a devastating curveball and a friendly smile Mashi became the Giants top lefty reliever and one of the team s most popular players as well as a national hero in Japan Not surprisingly the Giants offered him a contract for the 1965 season Murakami signed announcing that he would be thrilled to stay in San Francisco There was just one problem the Nankai Hawks still owned his contract The dispute over Murakami s contract would ignite an international incident that ultimately prevented other Japanese players from joining the Majors for thirty years Mashi is the story of an unlikely hero caught up in an American and Japanese baseball dispute and forced to choose between his dreams in the United States and his duty in Japan *Pacific Stars and Stripes* Pacific Stars and Stripes Newspaper Staff,1985

Our Frontier Is the World Mischa Honeck,2018-05-15 Mischa Honeck s *Our Frontier Is the World* is a provocative account of how the Boy Scouts echoed and enabled American global expansion in the twentieth century The Boy Scouts of America BSA has long been a standard bearer for national identity The core values of the organization have since its founding in 1910 shaped what it means to be an American boy and man As Honeck shows those masculine values had implications that extended far beyond the borders of the United States Writing the global back into the history of one of the country s largest youth organizations *Our Frontier Is the World* details how the BSA operated as a vehicle of empire from the Progressive Era up to the countercultural moment of the 1960s American boys and men wearing the Scout uniform never simply hiked local trails to citizenship they forged ties with their international peers camped in foreign lands and started troops on overseas military bases Scouts traveled to Africa and even sailed to icy Antarctica hoisting the American flag and standing as models of loyalty obedience and bravery Through scouting America s complex engagements with the world were presented as honorable and playful masculine adventures abroad Innocent fun and earnest commitment to doing a good turn of course were not the whole story Honeck argues that the good natured Boy Scout was a ready means for soft power abroad and gentle influence where American values and democratic capitalism were at stake In other instances the BSA provided a pleasant cover for imperial interventions that required coercion and violence At Scouting s global frontiers the stern expression of empire often lurked behind the smile of a boy *Pacific Stars and Stripes* United States. Pacific Command,1969* *Direction* ,1981

Borderline Warfare: Robert V. Hunt Jr.,2020-01-16 **BORDERLINE WARFARE** United Nations Command Forces in Korea 1954 1974 A Historical Chronology South Korean President Park Chung Hee following an attempt to assassinate him in 1968 and before a similar attempt in 1970 described the North Korean Communists as the most vicious and warlike of all

Communists in the world North Korea under the leadership of Kim Il Sung brazenly dared the United States and South Korea to respond to the numerous provocations it inflicted on the latter The infiltration of 31 commandos into South Korea on 21 January 1968 with the intent of murdering the South Korean president was followed by the seizure of the USS Pueblo on 23 January 1968 off the coast of Wonsan North Korea Both attacks were overt attempts to create the conditions for a renewal of full scale war on the Korean peninsula The ever hostile North Koreans then deliberately shot down a U S Navy EC 121 intelligence gathering aircraft in April 1969 again daring the United States to respond with military force These major actions were set against the backdrop of North Korean infiltration into South Korea with the objective of creating a Viet Cong like insurgency as an alternative means of toppling the South Korean government and driving out the U S imperialist aggressor army From a historical perspective only the forbearance of the U S and South Korean military forces prevented the escalation of hostilities that could have led to World War III

Lefty O'Doul Dennis Snelling,2017-05 From San Francisco to the Ginza in Tokyo Lefty O Doul relates the untold story of one of baseball s greatest hitters most colorful characters and the unofficial father of professional baseball in Japan Lefty O Doul 1897 1969 began his career on the sandlots of San Francisco and was drafted by the Yankees as a pitcher Although an arm injury and his refusal to give up the mound clouded his first four years he converted into an outfielder After four Minor League seasons he returned to the Major Leagues to become one of the game s most prolific power hitters retiring with the fourth highest lifetime batting average in Major League history A self taught scientific hitter O Doul then became the game s preeminent hitting instructor counting Joe DiMaggio and Ted Williams among his top disciples In 1931 O Doul traveled to Japan with an All Star team and later convinced Babe Ruth to headline a 1934 tour By helping to establish the professional game in Japan he paved the way for Hideo Nomo Ichiro Suzuki and Hideki Matsui to play in the American Major Leagues O Doul s finest moment came in 1949 when General Douglas MacArthur asked him to bring a baseball team to Japan a tour that MacArthur later praised as one of the greatest diplomatic efforts in U S history O Doul became one the most successful managers in the Pacific Coast League and was instrumental in spreading baseball s growth and popularity in Japan He is still beloved in Japan where in 2002 he was inducted into the Japanese Baseball Hall of Fame

Danger 79er James H. Willbanks,2018-04-12 In Danger 79er historian James H Willbanks tells the remarkable story of Lt Gen James F Hollingsworth a three time recipient of the Distinguished Service Cross along with four Silver Stars six Purple Hearts and a host of additional medals and commendations His career spanned wars both cold and hot and throughout Holly was a hard charging hands on soldier who could be irreverent and brash but always led from the front Hollingsworth entered the US Army as a second lieutenant upon graduation from the Agricultural and Mechanical College of Texas now Texas A M University In World War II while leading tanks in Gen George S Patton s Third Army Hollingsworth encountered dug in German defenders He lined up his thirty four tanks and issued a command rarely heard in modern warfare Charge Patton later recognized Hollingsworth as one of the two best armored battalion

commanders in the war Twenty years later Hollingsworth served in Vietnam where he became identified by the radio call sign of Danger 79er a designation that remained for the duration of his career He later served in South Korea commanding I Corps ROK US Group the largest combined field army in the world Even after retirement from active duty Hollingsworth continued to serve as a military adviser during the Cold War Danger 79er provides a compelling and inspiring read as it recounts the exciting story of one of the most decorated soldiers in the history of the US Army

Hearings on National Defense Authorization Act for fiscal year 1990--H.R. 2461 and oversight of previously authorized programs before the Committee on Armed Services, House of Representatives, One Hundred First Congress, first session United States. Congress. House. Committee on Armed Services. Readiness Subcommittee,1989

The Confidante Christopher C. Gorham,2023-02-21 Perfect for readers of A Woman of No Importance Three Ordinary Girls and Eleanor A Life comes the first ever biography of Anna Marie Rosenberg the Hungarian Jewish immigrant who became FDR s closest advisor during World War II and according to Life the most important official woman in the world a woman of many firsts whose story forgotten for too long is extraordinary inspiring and uniquely American Her life ran parallel to the front lines of history yet her influence on 20th century America from the New Deal to the Cold War and beyond has never before been told A Goodreads Choice Awards Nominee As Franklin Delano Roosevelt s special envoy to Europe in World War II she went where the president couldn t go She was among the first Allied women to enter a liberated concentration camp and stood in the Eagle s Nest Hitler s mountain retreat days after its capture She guided the direction of the G I Bill of Rights and the Manhattan Project Though Anna Rosenberg emerged from modest immigrant beginnings equipped with only a high school education she was the real power behind national policies critical to America winning the war and prospering afterward Astonishingly her story remains largely forgotten With a disarming mix of charm and Tammany hewn toughness Rosenberg began her career in public relations in 1920s Manhattan She became friends with Eleanor Roosevelt who recommended Anna to her husband who was then running for Governor of New York As FDR s unofficial adviser Rosenberg soon wielded enormous influence no less potent for being subtle Roosevelt dubbed her my Mrs Fix It Her extraordinary career continued after his death By 1950 she was tapped to become the assistant secretary of defense the highest position ever held by a woman in the US military prompting Senator Joe McCarthy to wage an unsuccessful smear campaign against her In 1962 she organized John F Kennedy s infamous birthday gala sitting beside him while Marilyn Monroe sang Until the end of her life Rosenberg fought tirelessly for causes from racial integration to women s equality to national health care More than the story of one remarkable woman The Confidante explores who gets to be at the forefront of history and why Though she was not quite a hidden figure Rosenberg s position as the power behind combined with her status as an immigrant and a Jewish woman served to diminish her importance In this inspiring impeccably researched and revelatory book Christopher C Gorham at last affords Anna Rosenberg the recognition she so richly deserves Far and away the most important woman in

the American government and perhaps the most important official female in the world LIFE magazine 1952 [An Enormous Crime](#) William Martin Hendon, Elizabeth A. Stewart, 2007-05-29 The dramatic history of living American soldiers left in Vietnam and the first full account of the circumstances that left them there Based on thousands of pages of public and previously classified documents this book makes a convincing case that when the American government withdrew its forces from Vietnam it knowingly abandoned hundreds of POWs to their fate The product of 25 years of research it exposes the reasons why these American soldiers and airmen were held back by the North Vietnamese at Operation Homecoming in 1973 and what these men have endured since This is a history of America s leaders in their worst hour of life and death decision making based on politics not intelligence and of men lost to their families and the country they serve betrayed by their own leaders From publisher description *Report* United States. Congress. House, **Intermediate Report of the Committee on Government Operations** United States. Congress. House. Committee on Government Operations, 1962 **Department of Defense Appropriations for Fiscal Year ...** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense, 1980 *Department of Defense appropriations for fiscal year 1980* United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense, 1979 *INSCOM Journal* , 1985 **Smallpox** S.L. Kotar, J.E. Gessler, 2013-04-19 Scientifically known as Variola major the deadliest form of smallpox has plagued mankind since time immemorial This text chronicles the worldwide effects of the killer disease with particular emphasis on the 19th and 20th centuries including the devastations of the speckled disease during great armed conflicts Specific attention is paid to the development and utilization of Dr Edward Jenner s vaccination chronicling the anti vaccination movement the evolving concept of compulsory vaccination and the global march toward eradication Legal and moral challenges the National Vaccine Institute the treatment of American Indians and African Americans immigrants the often bloody quarantine battles germ warfare superstitions and home remedies are addressed from the historical perspectives of those who lived through and those who died of this scourge **Department of Defense Appropriations for Fiscal Year 1980: Operation and maintenance** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense, 1979 [Reports and Documents](#) United States. Congress, **A War Born Family** Kori A. Graves, 2020-01-28 The origins of a transnational adoption strategy that secured the future for Korean black children The Korean War left hundreds of thousands of children in dire circumstances but the first large scale transnational adoption efforts involved the children of American soldiers and Korean women Korean laws and traditions stipulated that citizenship and status passed from father to child which made the children of US soldiers legally stateless Korean black children faced additional hardships because of Korean beliefs about racial purity and the segregation that structured African American soldiers lives in the military and throughout US society The African American families who tried to adopt Korean black children also faced and challenged discrimination in the child welfare agencies that arranged

adoptions Drawing on extensive research in black newspapers and magazines interviews with African American soldiers and case notes about African American adoptive families *A War Born Family* demonstrates how the Cold War and the struggle for civil rights led child welfare agencies to reevaluate African American men and women as suitable adoptive parents advancing the cause of Korean transnational adoption

Pacific Stars And Stripes Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has are more evident than ever. They have the capacity to inspire, provoke, and ignite change.
