
THE PACIFIC WAR REMEMBERED

AN ORAL HISTORY COLLECTION

JOHN T. MASON JR.

Pacific War Remembered An Oral History Collection

Williamson Murray, Allan Reed Millett

Pacific War Remembered An Oral History Collection:

The Pacific War Remembered John T. MASON, 2013-07-31 In this remarkable oral history collection thirty three participants in the turbulent epic that began with the day of infamy at Pearl Harbor and ended with the signing of the surrender documents in Tokyo Harbor tell their stories Their remembrances of heartbreak frustration heroism hope and triumph were collected over a period of twenty five years by John T Mason Their recollections reveal perspectives and facts not included in traditional works of history Each selection introduced with a preface that places it in the context of the Pacific War takes the reader behind the scenes to present the personal untold stories of naval history Included are Admiral William S Sullivan s account of the problems involved in clearing Manila Harbor of some five hundred wrecked vessels left by the departing Japanese and Admiral Thomas C Kinkaid s description of the communications breakdown at the Battle of Leyte Gulf There are also the very personal recollections of humor and horror told by the unknown actors in the war the hospital corpsman the coxswain and the machinist s mate Originally published in 1986 this volume is an unusual and lasting tribute to the ingenuity and teamwork demonstrated by America s forces in the Pacific as well as a celebration of the human spirit

Pacific War Remembered Mason, 1986 [The Atlantic War Remembered](#) John T. Mason, 1990 Twenty eight men and women recall their participation in the allied defeat of Hitler **The Pacific war remembered** John T. Mason, 1986

Doing Oral History Donald A. Ritchie, 2003 Contains chapters on the discipline of oral history especially as it relates to public history starting an oral history project including funding staffing equipment processing and legal concerns conducting interviews using oral history in research and writing including publishing videotaping oral history and more *Pacific Campaign* Dan Van der Vat, 1992-12 Naval history of the United States and Japan in the Pacific Ocean during World War II

Commanding the Pacific Stephen Taaffe, 2021-09-15 The Marine Corps covered itself in glory in World War II with victories over the Japanese in hard fought battles such as Guadalcanal Tarawa and Iwo Jima While these battles are well known those who led the Marines into them have remained obscure until now In *Commanding the Pacific* Marine Corps Generals in World War II Stephen R Taaffe analyzes the fifteen high level Marine generals who led the Corps six combat divisions and two corps in the conflict He concludes that these leaders played an indispensable and unheralded role in organizing training and leading their men to victory Taaffe insists there was nothing inevitable about the Marine Corps success in World War II The small pre war size of the Corps meant that its commandant had to draw his combat leaders from a small pool of officers who often lacked the education of their Army and Navy counterparts Indeed there were fewer than one hundred Marine officers with the necessary rank background character and skills for its high level combat assignments Moreover the Army and Navy froze the Marines out of high level strategic decisions and frequently impinged on Marine prerogatives There were no Marines in the Joint Chiefs of Staff or at the head of the Pacific War s geographic theaters so the Marines usually had little influence over the island targets selected for them In addition to bureaucratic obstacles constricted

geography and vicious Japanese opposition limited opportunities for Marine generals to earn the kind of renown that Army and Navy commanders achieved elsewhere. In most of its battles on small Pacific War islands, Marine generals had neither the option nor inclination to engage in sophisticated tactics but they instead relied in direct frontal assaults that resulted in heavy casualties. Such losses against targets of often questionable strategic value sometimes called into question the Marine Corps doctrine, mission and the quality of its combat generals. Despite these difficulties, Marine combat commanders repeatedly overcame challenges and fulfilled their missions. Their ability to do so does credit to the Corps and demonstrates that these generals deserve more attention from historians than they have so far received.

World War II in the Pacific Stanley Sandler, 2003-12-16 Stanley Sandler, one of America's most respected and best known military historians, has brought together over 300 entries by some 200 specialists in the field to create the first encyclopedia specifically devoted to the Pacific Theatre of World War II. Extending far beyond battles and hardware, the coverage ranges from high policy making, grand strategy and the significant persons and battles of the conflict to the organization of the Allied and Japanese divisions, aircraft, armor, artillery, psychological warfare, warships and the home fronts covering the interactions of each topic along the way.

Storm Landings Estate of Joseph H. Alexander, 2012-09-15 The Pacific War changed abruptly in November 1943 when Admiral Chester Nimitz unleashed a relentless 18-month, 4,000-mile offensive across the Central Pacific spearheaded by fast carrier task forces and U.S. Marine and Army assault troops. The sudden American proclivity for amphibious frontal assaults against fortified islands astonished Japanese commanders who called them storm landings because they differed so sharply from the limited landings of 1942-43. This is the story of seven epic assaults from the sea against murderous enemy fire: Tarawa, Saipan, Guam, Tinian, Peleliu, Iwo Jima and Okinawa. Each risky battle enhanced the U.S. capability to concentrate overwhelming naval force against a distant island and literally kick down the front door. While the assault forces learned priceless operational lessons from each landing, so did the Japanese. The ultimate U.S. victory in the seven storm landings came at the total cost of 100,000 killed and wounded. The survivors faced the prospect of even bloodier future beachheads against mainland Japan. Award-winning historian Joseph H. Alexander relates this extraordinary story with an easy narrative style bolstered by years of analyzing U.S. and Japanese battle accounts, personal interviews with veterans and his own amphibious warfare experience. Abounding with human interest stories of colorful web-footed amphibians, his book vividly portrays the sheer drama of these naval battles whose magnitude and ferocity may never again be seen in this world.

A War To Be Won Williamson Murray, Allan Reed Millett, 2009-06-30 In the course of the twentieth century, no war looms as profoundly transformative or as destructive as World War II. Its global scope and human toll reveal the true face of modern industrialized warfare. Now for the first time we have a comprehensive single volume account of how and why this global conflict evolved as it did. *A War To Be Won* is a unique and powerful operational history of the Second World War that tells the full story of battle on land, on sea and in the air. Williamson Murray and Allan R. Millett analyze the operations and tactics

that defined the conduct of the war in both the European and Pacific Theaters Moving between the war room and the battlefield we see how strategies were crafted and revised and how the multitudes of combat troops struggled to discharge their orders The authors present incisive portraits of the military leaders on both sides of the struggle demonstrating the ambiguities they faced the opportunities they took and those they missed Throughout we see the relationship between the actual operations of the war and their political and moral implications A War To Be Won is the culmination of decades of research by two of America s premier military historians It avoids a celebratory view of the war but preserves a profound respect for the problems the Allies faced and overcame as well as a realistic assessment of the Axis accomplishments and failures It is the essential military history of World War II from the Sino Japanese War in 1937 to the surrender of Japan in 1945 for students scholars and general readers alike **The First Lady of World War II** Shannon McKenna

Schmidt,2023-05-02 The first book to tell the full story of Eleanor Roosevelt s unprecedented and courageous trip to the Pacific Theater during World War II On August 27 1943 news broke in the United States that First Lady Eleanor Roosevelt was on the other side of the world A closely guarded secret she had left San Francisco aboard a military transport plane headed for the South Pacific to support and report the troops on WW2 s front lines Americans had believed she was secluded at home As Allied forces battled the Japanese for control of the region Eleanor was there on the frontlines spending five weeks traveling on a mission as First Lady of the United States to experience what our servicemen were experiencing and report back home The most remarkable journey any president s wife has ever made Washington Times Herald September 28 1943 Mrs Roosevelt s sudden appearance in New Zealand well deserves the attention it is receiving This is the farthest and most unexpected junket of a First Lady whose love of getting about is legendary Detroit Free Press August 28 1943 By a happy chance for Australia this famous lady s taste for getting about her habit of seeing for herself what is going on in the world and most of all her deep concern for the welfare of the fighting men of her beloved country have brought her on the longest journey of them all across the wide war clouded Pacific Sydney Morning Herald September 4 1943 No other U S mother had seen so much of the panorama of the war had been closer to the sweat and boredom the suffering Time October 4 1943 **Good Night Officially** Yeoman James Orvill Raines,2019-03-11 My interest in USS Howorth originated during

my thirty three months of duty in the Pacific Fleet destroyer Hamner named after Howorth s gunnery officer killed at Okinawa Lieutenant Henry R Pete Hamner His legacy included the Reader s Digest subscriptions his mother presented each year to the wardroom and crew Later as executive officer in the hydrofoil Plainview exasperated by the endless stream of logs and records demanded by higher authorities I peevishly tested the navy s record system and wrote away for information on Lieutenant Hamner and Howorth I was surprised by the magnitude of the material documenting Howorth s Pacific War ranging from hourly barometric readings and seawater injection temperatures to ammunition effectiveness reports

Secret Allies in the Pacific Roland H. Worth, Jr.,2001-09-15 Even though the United States was still officially at peace

prior to the Japanese attack on Pearl Harbor it was secretly devising a chain of intelligence sharing alliances with future allies in the impending war in the Pacific This work is divided into four sections which bring together bits and pieces of often isolated details about the intelligence alliance allowing readers to gain a sense of how it came to exist how it functioned and what were its limitations often severe Section One discusses the efforts of the Washington Hawaii and Philippines units in breaking all cryptographic systems used by foreign powers Section Two covers the roles of Canada and Australia the secondary powers of the British commonwealth the Dutch East Indies and China the secondary independent powers and other players in the Allied effort Section Three concentrates on other covert intelligence sharing in London Hawaii and the Philippines Section Four ends the text with a discussion of the suppression and their revelation of the role of Great Britain

Power at Sea Lisle A. Rose, 2007 Volume 1 Traces the social issues technological advances and combative encounters of the international naval race from 1890 through WWI as the largest industrial nations U S Great Britain Japan and Germany scrambled to secure global markets and empire using their battleship navies as pawns of power politics Provided by publisher **All Hands** , 2000 The Rescue Steven Trent Smith, 2008-05-02 Praise for The Rescue Steven Trent Smith grapples boldly with several big subjects the Japanese occupation of the Philippines the capture of Japan s Z Plan the decisive battle strategy for destroying the U S Pacific Fleet the rescue by submarine of forty Americans stranded in the Philippines the climactic Battle of the Philippine Sea Meticulously researched and well written The Rescue ties these elements together into an epic that is emotionally engaging from start to rousing finish Martin Russ author of Breakout and The Last Parallel Smith s thoroughly researched detailed account of the brave American and Filipino guerrillas on Negros Island in the Philippines will do much to introduce readers to this little known aspect of World War II in the Pacific This is a fascinating story well told Elizabeth Norman author of the award winning We Band of Angels The Untold Story of American Nurses Trapped on Bataan by the Japanese The Rescue is a delightful journey with the gallant few who resisted the Japanese occupation of the Philippines and who shaped the larger events which led to victory in the Pacific Smith s brilliant research and unique storytelling make this account a must for all who enjoy history and a grand adventure Peter Huchthausen author of October Fury With a photojournalist s eye for action and detail Steven Trent Smith s The Rescue is a remarkable achievement The incredible mission to save forty Americans stranded in the Philippines reads more like a work of fiction A must read for all those interested in one of the great secret submarine operations of World War II and all action adventure fans alike Richard P Henrick author of Crimson Tide and Nightwatch **The Story of World War II** Henry Steele Commager, Donald L. Miller, 2010-05-11 Drawing on previously unpublished eyewitness accounts prizewinning historian Donald L Miller has written what critics are calling one of the most powerful accounts of warfare ever published Here are the horror and heroism of World War II in the words of the men who fought it the journalists who covered it and the civilians who were caught in its fury Miller gives us an up close deeply personal view of a war that was more savagely fought and whose

outcome was in greater doubt than readers might imagine This is the war that Americans at the home front would have read about had they had access to the previously censored testimony of the soldiers on which Miller builds his gripping narrative Miller covers the entire war on land at sea and in the air and provides new coverage of the brutal island fighting in the Pacific the bomber war over Europe the liberation of the death camps and the contributions of African Americans and other minorities He concludes with a suspenseful never before told story of the atomic bombing of Nagasaki based on interviews with the men who flew the mission that ended the war

Saipan James H. Hallas, 2019-05-01 The story of the Battle of Saipan has it all Marines at war on Pacific beaches in hellish volcanic landscapes in places like Purple Heart Ridge Death Valley and Hell s Pocket under a commander known as Howlin Mad Naval combat carriers battling carriers from afar fighters downing Japanese aircraft submarines sinking carriers Marine army rivalry Fanatical Japanese defense and resistance A turning point of the Pacific War James Hallas reconstructs the full panorama of Saipan in a way that no recent chronicler of the battle has done In its comprehensiveness attention to detail scope of research and ultimate focus on the men who fought and won the battle on the beaches and at and above the sea it rivals Richard Frank s modern classic Guadalcanal This is the definitive military history of the Battle of Saipan

The Ship that Held Line Lislie Rose, 2012-10-11 The American fleet aircraft carrier Hornet is widely acknowledged for the contributions she made to the war effort The Doolittle Raid launched from the Hornet s deck inaugurated America s Pacific counteroffensive and transformed the aircraft carrier into one of the world s prime strategic weapon systems She was one of three carriers to participate in the victory at Midway and the fighting around Guadalcanal Through the experiences of this key warship and the eyes of her crew and the aviators who flew from her deck Lisle Rose recreates the first desperate year of the war in the Pacific He tells how the Hornet was molded into a deadly weapon of war how the ship was fought and ultimately lost and what it was like to live aboard her at a time when the fate of the United States depended on the Navy s tiny carrier fleet In chronicling the carrier s operational history the author contends that the fate of the Hornet s air group at Midway remains one of the great controversies in modern naval history and that the ship s importance in helping to keep the Japanese juggernaut at bay during the most critical period of the Pacific war is incontestable His arguments ring true today as the controversy continues Rose succeeds both in letting the reader see things the way the men of the Hornet did and in placing their experiences in a broad historical context

Leaving Mac Behind Geoffrey Roecker, 2019-08-22 My first telegram came Sep 3 1942 that my son was missing in action And the next telegram came Aug 18 1943 that he was Declared Dead Till this day I do not know what happened to him Mrs Ann M Lyons August 7 1957 Between 1942 and 1944 nearly four hundred Marines virtually vanished in the jungles seas and skies of Guadalcanal They were the victims of enemy ambushes and friendly fire hard fighting and poor planning their deaths witnessed by dozens or not at all They were buried in field graves in cemeteries as unknowns or left where they fell They were classified as missing as not recovered as presumed dead And in the years that followed their families wondered at their

fates and how an administrative decision could close the book on sons brothers and husbands without healing the wounds left by their absence *Leaving Mac Behind* reconstructs the lives last moments and legacies of some of these men Original records eyewitness accounts and recent discoveries shed new light on the lost graves of Guadalcanal s missing Marines and the ongoing efforts to bring them home

Unveiling the Magic of Words: A Review of "**Pacific War Remembered An Oral History Collection**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Pacific War Remembered An Oral History Collection**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound affect on the souls of its readers.
