Pack Up Your Troubles Martyn Turner,1995 Performing the Northern Ireland Peace Process Paul Dixon,2018-06-15

Performing the Northern Ireland Peace Process offers a nuanced and stimulating analysis which goes beyond standard explanations by exploring the motives and means used by those who made peace in Northern Ireland Professor Timothy White Xavier University USA Paul Dixon has produced an impressive and challenging book Dixon defends the Northern Ireland peace process as a carefully crafted drawn out episode in realist pragmatic politics However he pulls few punches in highlighting the moral deceptions which have kept the process in play Provocatively Dixon also challenges a wide range of academic interpretations of the processes and their associated political prescriptions Thoughtful and well researched throughout Performing the Northern Ireland Peace Process is an essential read for anyone interested in conflict management Professor Jon Tonge University of Liverpool In this outstanding book Dixon shows yet again the importance of the theatrical metaphor for Northern Ireland More importantly still he demonstrates that the adoption of a critically realist outlook actually enhances our capacity to think creatively about the political choices we face in international politics and the alternative policies and institutions we might construct Professor Adrian Little The University of Melbourne This book is exceptional in defending the dirty politics of the Northern Ireland peace process Political actors in Britain Ireland and the United States performed the peace process and used political skills often including deception and hypocrisy in order to wind down the conflict and achieve accommodation These political skills it is argued are often morally justifiable even as they are popularly condemned The Northern Ireland peace process has been highly successful in reducing violence and an accurate understanding of its politics is an important contribution to international debates about managing conflict **Light,**

Freedom and Song David Pierce,2005-01-01 In this absorbing analysis of modern Irish writing an acknowledged expert considers the hybrid character of modern Irish writing to show how language culture and history have been affected by the colonial encounter between Ireland and Britain Examining the great themes of loss and struggle David Pierce traces the impact on Irish writing of the Great Famine and cultural nationalism and considers the way the work of Ireland's two leading writers W B Yeats and James Joyce complicate and elucidate our view of the harp and the crown The book draws a contrast between the West of Ireland in the 1930s when the new Irish State enjoyed its first full independent decade and the North of Ireland in the 1980s when the spectre of British imperialism threatened the stability of Ireland Pierce then surveys contemporary Irish writing and reflects on the legacy of the colonial encounter and on the passage to a postmodern or postnationalist Ireland in the work of such crucial living writers as John Banville Derek Mahon and John McGahern

Irlanda del Norte Luis Antonio Sierra,2015-06-11 Luis Antonio Sierra nos propone en esta edición revisada y actualizada de su libro Irlanda del Norte Historia del conflicto un análisis descriptivo y pormenorizado tanto de las causas y factores que desangraron al Ulster durante el último tercio del siglo XX como del desarrollo del propio conflicto y los pasos que se han ido

dando para normalizar la vida en esta regi n desde que se firmara el Acuerdo de Viernes Santo en abril de 1998 Para ello el autor ha utilizado fuentes tradicionales entrevistas a protagonistas del conflicto y su propia experiencia en la zona para trazar un retrato de Irlanda del Norte que sigue siendo un referente entre las publicaciones realizadas hasta la fecha sobre el asunto Los acontecimientos hist ricos no son hechos simples ni aislados Esta afirmaci n que puede parecer una obviedad parece que no lo es tanto para aquellos que por ejemplo insisten en que los Troubles en Irlanda del Norte son simplemente consecuencia de un enfrentamiento religioso entre protestantes y cat licos Evidentemente la ra z del conflicto del Ulster es mucho m s profunda y m s compleja Por ello Irlanda del Norte Historia del conflicto toma como punto de partida de la narraci n la llegada de las tribus celtas a la isla y atraviesa los diferentes acontecimientos la invasi n inglesa la repoblaci n del noreste de la isla por colonos escoceses e ingleses la derrota en 1690 del cat lico Jaime II por Guillermo de Orange la independencia de Irlanda o la divisi n de la isla en 1921 que han marcado el devenir de este rinc n del mundo hasta los proleg menos del estallido de la violencia en Irlanda del Norte Hasta ah la primera mitad del libro La segunda parte es mucho m s detallada y extensa por el intento de describir pormenorizadamente todo el desarrollo del conflicto hasta la actualidad
