Holding graphically describes his days as a player looking back at how he tried to deliberately hurt batsmen on the wastelands of Kingston and his first match for Jamaica when he almost collapsed from exhaustion after only four overs There is time too to divulge what it was like to tour with the West Indies and unmissable insights about sharing a dressing room with other legends of the game like Clive Lloyd Sir Viv Richards and Malcolm Marshall Holding does not shirk the big issues as he discusses how the West Indies have slipped following their halcyon days openly assesses Brian Lara and laments the hypocrisy over the state of the game in the region The controversy surrounding the Allen Stanford 20m spectacle the ICC s handling of the abandoned England v Pakistan match player power illegal bowling actions and the threat of Twenty20 to the Test game are all subjects which Holding tackles with characteristic knowledge and class *Monthly Catalog of United States Government Publications* United States.
