The Unofficial History of the Paddington Bear Jennifer Warner, 2014-09-05 In this world of superheroes bells and whistles gadgetry and mind blowing techno magic isn't it amazing that the elements of a simple story can still capture the imagination and appeal to the senses Well maybe not just any simple story but a well written one that extols the very best in human nature while at the same time exposing weaknesses and meeting problems head on with characters who are accessible relatable and believable is sure to find its place in the annals of classic timeless literature This is the case with the easy fluid stories penned by Michael Bond for more than fifty years featuring the irresistible furry little stowaway who came to be known as Paddington Bear This book looks at the history of beloved bear While it has been researched and based on interviews and other publications it is not endorsed by Michael Bond or the publishers of The Paddington Bear series

Production Design & the Cinematic Home Jane Barnwell, 2022-05-10 This book uses in depth case studies to explore the significance of the design of the home on screen The chapters draw widely upon the production designer's professional perspective and particular creative point of view The case studies employ a methodology Barnwell has pioneered for the analysis of production design called Visual Concept Analysis which can be used as a key to decode the design of any given

film Through the nurturing warmth of the Browns home in Paddington the ambiguous boundaries of secret service agent homes in Tinker Tailor Soldier Spy and the singleton space occupied by Bridget Jones Barnwell demonstrates that the domestic interior consistently plays a key role Whether used as a transition space an ideal a catalyst for change or a place to return to these case studies examine the pivotal nature of the home in storytelling and the production designers significance in its creation The book benefits from interviews with production designers and artwork that provides insight on the creative process

More than Marmalade Rosanne Tolin,2020-03-03 Michael Bond never intended to be a children s writer Though an avid reader he was by no means a model student and quit school at 14 He repaired rooftop radio transmitters during the bombing of Britain in World War II and later joined the army He wrote about the war and more selling stories here and there One day while searching for inspiration at his typewriter hoping for a big story that would allow him to write full time a stuffed bear on top of the shelf a Christmas present for his wife suddenly caught his eye Bond poured his personal feelings about the events of his era the refugee children his family had hosted in the countryside a war torn country in recovery the bustling immigrant neighborhood where he lived into the story of a little bear from Peru who tries very very hard to do things right The result was A Bear Called Paddington An incredible true tale More than Marmalade Michael Bond and the Story of Paddington Bear is the first biography about the writer behind the beloved series Author Rosanne Tolin reveals how world history Bond s life and 1950s immigrant culture were embedded into Paddington s creation bringing middle grade readers a delightful informative and engaging book with a timely message of acceptance
