Paddling To Where I Stand Agnes Alfred Qwiqwasutinuxw Noblewoman:

Paddling to where I Stand Agnes Alfred, 2004 The Kwakwaka wakw people and their culture have been the subject of more anthropological writings than any other ethnic group on the Northwest Coast Until now however no biography had been written by or about a Kwakwaka wakw woman *Paddling to Where I Stand* presents the memoirs of Agnes Alfred c 1890 1992 a non literate noble Qwiqwasutinuxw woman of the Kwakwaka wakw Nation and one of the last great storytellers among her peers in the classic oral tradition Agnes Alfred documents through myths historical accounts and personal reminiscences the foundations and the enduring pulse of her culture She shows how a First Nations woman managed to quietly fulfil her role as a noble matriarch in her ever changing society thus providing a role model for those who came after her She also contributes significant light and understanding to several traditional practices including prearranged marriages and traditional potlatches *Paddling to Where I stand* is more than another anthropological interpretation of Kwakwaka wakw culture It is the first hand account by a woman of the greatest period of change she and her people experienced since first contact with Europeans and her memoirs flow from her urgently felt desire to pass on her knowledge to younger generations

Paddling to Where I Stand Martine J. Reid, Daisy Sewid-Smith, 2007-11-01 The first ever biography written about a woman of the Northwest Coast s Kwakwakawakw people *Paddling to Where I Stand* presents the memoirs of Agnes Alfred c 1890 1992 a non literate noble Qwiqwasutinuxw woman of the Kwakwakawakw Nation and one of the last great storytellers among her peers in the classic oral tradition Agnes Alfred documents through myths historical accounts and personal reminiscences the foundations and the enduring pulse of her living culture But this is more than another anthropological interpretation it is the first hand account of the greatest period of change the Kwakwaka wakw people experienced since first contact with Europeans and Alfred s memoirs flow from her urgent desire to pass on her knowledge to younger generations

Standing Up with Ga'axsta'las Leslie A. Robertson, the the Kwagu'l Gixsam Clan, 2012-10-07 *Standing Up with Ga axsta las* tells the remarkable story of Jane Constance Cook 1870 1951 a controversial Kwakwaka wakw leader and activist who lived during a period of enormous colonial upheaval Working collaboratively Robertson and Cook s descendants draw on oral histories and textual records to create a nuanced portrait of a high ranked woman a cultural mediator devout Christian and aboriginal rights activist who criticized potlatch practices for surprising reasons This powerful meditation on memory and cultural renewal documents how the Kwagu l Gixsam have revived their long dormant clan in the hopes of forging a positive cultural identity for future generations through feasting and potlatching *Writing the Hamat'sa* Aaron Glass, 2021-07-15 Long known as the Cannibal Dance the Hamat sa is among the most important hereditary prerogatives of the Kwakwa ka wakw of British Columbia In the late nineteenth century as anthropologists arrived to document the practice colonial agents were pursuing its eradication and Kwakwa ka wakw were adapting it to endure In the process the dance with dramatic choreography magnificent bird masks and an aura of cannibalism entered a vast library of ethnographic texts Writing the

Hamat sa offers a critical survey of attempts to record describe and interpret the dance over four centuries Going beyond postcolonial critiques of representation that often ignore Indigenous agency in the ethnographic encounter Writing the Hamat sa focuses on forms of textual mediation and Indigenous response that helped transform the ceremony from a set of specific performances into a generalized cultural icon This meticulous work illuminates how Indigenous people contribute to contest and repurpose texts in the process of fashioning modern identities under settler colonialism *Ollam Anders Ahlqvist, Fergus Kelly, Patricia Kelly, Kim R. N. Anderson, Raymond Pierotti, 2022-10-12 This book examines ways of conserving managing and interacting with plant and animal resources by Native American cultural groups of the Pacific Coast of North America from Alaska to California These practices helped them maintain and restore ecological balance for thousands of years Building upon the authors and others previous works the book brings in perspectives from ethnography and marine evolutionary ecology The core of the book consists of Native American testimony myths tales speeches and other texts which are treated from an ecological viewpoint The focus on animals and in depth research on stories especially early recordings of texts set this book apart The book is divided into two parts covering the Northwest Coast and California It then follows the division in lifestyle between groups dependent largely on fish and largely on seed

crops It discusses how the survival of these cultures functions in the contemporary world as First Nations demand recognition and restoration of their ancestral rights and resource management practices *A Great Revolutionary Wave* Lara Campbell,2020-06-15 Suffrage in British Columbia and elsewhere in Canada is best understood as a continuum although white settler women achieved the federal vote in 1917 it would take another thirty years before the provincial government would remove race based restrictions on voting rights British Columbia is often overlooked in the national story of women s suffrage A Great Revolutionary Wave challenges that omission and the portrayal of suffragists as conservative traditional and polite Lara Campbell follows the propaganda campaigns undertaken by suffrage organizations and traces the role of working class women in the fight for political equality She demonstrates the connections between British Columbian and British suffragists and examines how racial exclusion and Indigenous dispossession shaped arguments and tactics for enfranchisement A Great Revolutionary Wave rethinks the complex legacy of suffrage by considering both the successes and limitations of women s historical fight for political equality That legacy remains relevant today as Canadians continue to grapple with the meaning of justice inclusion and equality *Yakuglas' Legacy* Ronald W. Hawker,2017-01-06 Charlie James 1867 1937 was a premier carver and painter from the Kwakwaka wakw First Nation of British Columbia Also known by his ceremonial name Yakuglas he was a prolific artist and activist during a period of severe oppression for First Nations people in Canada Yakuglas Legacy examines the life of Charlie James During the early part of his career James created works primarily for ritual use within Kwakwaka wakw society However in the 1920s his art found a broader audience as he produced more miniatures and paintings Through a balanced reading of the historical period and James artistic production Ronald W Hawker argues that James shift to contemporary art forms allowed the artist to make a critical statement about the vitality of Kwakwaka wakw culture Yakuglas Legacy aided by the inclusion of 123 colour illustrations is at once a beautiful and poignant book about the impact of the Canadian project on Aboriginal people and their artistic response Indigenous Peoples of the Arctic, Subarctic, and Northwest Coast Britannica Educational Publishing,2011-11-01 The indigenous peoples of North America and Greenland have long inhabited and thrived in a variety of terrains and climates The three different culture areas of the Arctic American Subarctic and American Northwest perhaps best exemplify this from the sometimes stark environment of the tundra to the moderate conditions of the coastal regions in northern California the indigenous communities in each found ways to subsist on the resources available to them even when facing social political or geographic adversity This compelling volume examines the histories lifestyles and the spiritual and cultural traditions of the diverse groups that make up these culture areas American Indian Culture and Research Journal ,2005 *Aboriginality* Alan Twigg,2005 Following the success of *First Invaders* Ronsdale 2004 Alan Twigg turns his attention to First Nations writers unearthing more than 300 books by more than 170 mostly unheralded British Columbia aboriginal authors Taking the reader from residential schools to art galleries this lively and unprecedented panorama of British Columbia includes trailblazer

Pauline Johnson political organizer George Manuel and Haida carver Bill Reid Equally important Aboriginality sheds new light on fascinating lesser known figures such as Chief William Sepass and Howard Adams to name only two Nearly half the author profiles are women including Marilyn Dumont Lizette Hall and Heather Harris Each author is presented in historical and chronological context along with background material on aboriginal history as well as rare photos illustrations and a comprehensive bibliography Alan Twigg's Aboriginality is unprecedented and indispensable Howard White publisher Encyclopedia of British Columbia
