Vesperas, 2021-03-16. Born of humble parentage in the farming village of Pietrelcina, little Francesco Forgione was destined to revive in the 20th Century the Franciscan love of God and of fellow man. In an era when educated persons say we must see in order to believe, Padre Pio is God's answer. Here is the humble friar whose existence exemplified Franciscan humility and yet coexisted continually in the presence of the supernatural, the priest who lived in two worlds simultaneously. His life of intense suffering began on 5th August 1918 when, during confessions, a figure appeared before him and mystically pierced his heart with a lance. On 20th September this same figure reappeared bearing the marks of the Crucified. Padre Pio experienced excruciating pain and his screams brought the friars running to his side. They found him unconscious and bleeding profusely. Though a relatively new saint in the Catholic Church, St. Padre Pio de Pietrelcina has been revered by countless people around the world. Padre Pio's extraordinary holiness was recognized during his lifetime as people of all faiths sought him out.
