*Padre Pio* Charles River Editors, 2025-06-06 Pray hope and don't worry Worry is useless God is merciful and will hear your prayer Padre Pio A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors Catholic Legends series readers can get caught up to speed on the lives of the Church's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Francesco Forgione might be a name lost to history but over the course of his life he became one of Catholicism's most well-known figures during the 20th century as Padre Pio It was a remarkable path for a man who was legendarily afflicted by a series of illnesses and most famously bore the stigmata very noticeably bearing what appeared to be the crucifixion wounds Jesus's hands suffered Padre Pio was also known for his eccentricities including unique forms of deep meditation and experiencing visions Not surprisingly despite all the spiritual work Padre Pio did he was the subject of substantial controversy during his own life And though he has been venerated as Saint Pio of Pietrelcina by the Catholic Church critics have all but called him a fraud Catholic Legends The Life and Legacy of Padre Pio details the remarkable life Padre Pio lived while covering the controversies that continue to resonate today Along with pictures of Pio and other important people places and events in his life you will learn about Padre Pio like you never have before in no time at all

**Padre Pio** Bernard Ruffin, 1991 This is by far the best life of Padre Pio in print It tells the amazing story of the obscure Italian priest who became famous all over the world both for his stigmata and for his miracles and supernatural insights
