Pagan Prayers, Collected by Marah Ellis

Ryan Marah Ellis Ryan,1913 **A Book of Pagan Rituals** Herman Slater,2025-09-12 This collection of rituals practices and exercises has been drawn from ancient sources some have been preserved and some rituals have been updated by scholars from various pagan groups This deluxe one volume edition is specially designed to be read by candlelight *The Periodical* ,1909 *Generation Ex-Christian* Drew Dyck,2010-10-01 Young people aren t walking away from the church they re sprinting According to a recent study by Ranier Research 70 percent of youth leave church by the time they are 22 years old Barna Group estimates that 80 percent of those reared in the church will be disengaged by the time they are 29 years old Unlike earlier generations of church dropouts these leavers are unlikely to seek out alternative forms of Christian community such as home churches and small groups When they leave church many leave the faith as well Drawing on recent research and in depth interviews with young leavers Generation Ex Christian will shine a light on this crisis and propose effective responses that go beyond slick services or edgy outreach But it won t be easy Christianity is regarded with suspicion by the younger generation Those who leave the faith are often downright cynical To make matters worse parents generally react poorly when their children go astray Many sink into a defensive crouch or go on the attack delivering homespun fire and brimstone sermons that further distance their grown children Others give up completely or take up the spiritual sounding all we can do is pray mantra without truly exploring creative ways to engage their children on matters of faith Some turn to their churches for help only to find that they frequently lack adequate resources to guide them This is where Generation Ex Christian will lend a hand It will equip and inspire parents church leaders and everyday Christians to reawaken the prodigal s desire for God and set him or her back on the road to a dynamic faith The heart of the book will be the raw profiles of real world young ex Christians No two leavers are identical but upon close observation some categories emerge The book will identify seven different kinds of leavers the postmodern skeptic the drifter the neopagan etc and offer practical advice for how to connect with each type Shrewd tips will also intersperse the chapters alerting readers to opportunities for engagement and to hidden landmines they must sidestep to effectively reach leavers *Committed Worship* Donald L. Gelpi,1993 Volume II develops a sacramental theology that addresses the needs of all adult Christians The chapters on Marriage show how conversion both humanizes and Christianizes human sexuality providing the context for a foundational rethinking of the meaning of the context for a foundational rethinking of the meaning of Christian Marriage The discussion of Orders examines the responsibilities of ordained leaders and throws light on the rise of clericalism and on the meaning of priestly identity and ministry in addition to clarifying the relationship between the priesthood of the laity and that of the ordained A discussion of Christian nurture explains the practical and theoretical meaning of infant Baptism This volume also examines the three sacraments that most foster ongoing conversion Reconciliation Anointing and Eucharist After situating each of these rituals in its Biblical and historical setting the author shows how each contributes to ongoing Christian conversion *The Symbolism and Sources of Outlander* Valerie Estelle Frankel,2015-04-07 Outlander is much more than a

television romance about a World War II nurse and a Jacobite soldier in a fetching kilt The series and the massive serial novel on which it is based has been categorized as a period drama adventure saga military history and fantasy epic Inspired by the Irish legends of Fionn Mac Cumhaill and the prophecies of Brahan Seer the storyline is filled with mythology and symbolism from around the world from the Fair Folk and the Loch Ness monster to wendigos ghosts zombies and succubae Literary references abound from the Bible to the classics to Shakespeare and the English romantic poets The series is also rich with its own symbolism heather and white roses the dragonfly in amber Claire s blue vase and wedding gown her wedding rings and pearl necklace This book untangles the myriad of myths legends symbols and literary references found in the series
