## **Pagan Love Story:**

**Pagan Love Story**, 2001-03-01      **The History and Anatomy of Auctorial Self-Criticism in the European Middle Ages** Anita Obermeier, 2023-12-28 This study outlines the history and anatomy of the European apology tradition from the sixth century BCE to 1500 for the first time The study examines the vernacular and Latin tales lyrics epics and prose compositions of Arabic English French German Greek Icelandic Italian Spanish and Welsh authors Three different strands of the apology tradition can be proposed The first and most pervasive strand features apologies to pagan deities and later to God The second most important strand contains literary apologies made to an earthly audience usually of women A third strand occurs more rarely and contains apologies for varying literary offenses that are directed to a more general audience The medieval theory of language privileges an imitation of the Christian master narrative and a hierarchical medieval view of authorship These notions express a medieval philosophical concern about language and its role and therefore the role of the author in cosmic history Despite the fact that women apologize for different purposes and reasons their examples illustrate on yet another level the antifeminist subtext inherent in the entire apology tradition Overall the apology tradition characterized by interauctoriality intertextuality and intratextuality enables self critical authors to refer not only backward but also primarily forward making the medieval apology a progressive strategy that engenders new literature This study would be relevant to all medievalists especially those interested in literature and the history of ideas      Philippine Short Stories, 1925-1940 Leopoldo Y. Yabes, 1997 This anthology puts together some sixty six short stories in English written by Filipino authors within forty years following the introduction of English in the Philippines Originally published in periodicals now long out of circulation they have been given this more enduring form through the efforts of Leopoldo Y Yabes a well known literary critic scholar and educator Students of Philippine literature will find this anthology invaluable as a reference and will appreciate the discussion and information provided by the editor in his introductory essays      *The Pagan's Cup* Fergus Hume, 2021-11-09 Fergus Hume's *The Pagan's Cup* is a captivating blend of detective fiction and gothic elements set against the backdrop of a decaying mansion filled with mystique and intrigue The novel meticulously unfolds a complex interplay of crime and moral ambiguity highlighting the tensions between the spiritual and the material Hume expertly employs a rich atmospheric prose style that immerses readers in the eeriness of the setting while also presenting a gripping narrative steeped in Victorian sensibilities and sensationalism emblematic of his broader oeuvre The thematic exploration of pagan rituals juxtaposed with societal norms invites deeper reflections on the conflicts between tradition and modernity Fergus Hume an influential figure in the genre of mystery fiction found his voice amidst the vibrant literary scene of late 19th century England Having experienced financial hardship in his early life he turned to writing as a means of escape and expression Hume's keen insights into human psychology and his fascination with the macabre informed his storytelling often drawing inspiration from his surroundings and personal experiences His narrative techniques paved the way for later crime

fiction placing him alongside contemporaries like Arthur Conan Doyle For readers seeking an engrossing tale that deftly blends suspense with philosophical musings The Pagan's Cup is an essential read Hume's intricate plot and richly drawn characters offer a mesmerizing journey into the darker aspects of human nature This novel not only entertains but also provokes thought making it a crucial addition to the library of anyone passionate about classical detective fiction Chaucer Reads "The Divine Comedy" Karla Taylor, 1989 A Stanford University Press classic A New Literary History of Modern China David Der-wei Wang, 2017-05-22 Featuring over 140 Chinese and non Chinese contributors this landmark volume edited by David Der wei Wang explores unconventional forms as well as traditional genres emphasizes Chinese authors influence on foreign writers as well as China's receptivity to outside literary influences and offers vibrant contrasting voices and points of view The Price of Scarlet Brianna Noll, 2017-02-21 A honeycomb long vacated by honeybees still possesses an echo of the swarm a lingering song Living things are made and make themselves My bones came first Like long needles they knitted muscle and tendon and tissue and skin Filled themselves with marrow In her debut collection Brianna Noll fuses the scientific and fantastic posing probing questions that explore the paradoxes of experience Interweaving themes of creation art and nature the poet gives voice to animate and inanimate figures such as woolly mammoths star nosed moles cells mylar balloons and puzzle boxes Her vivid poems obscure the line between what is literal and what is figurative The result is alchemic and ethereal each verse intricately layered with sharp observation as well as emotional and intellectual exploration and questioning Collectively the poems draw significantly on Japanese culture and language in their imagery with cultural nuances and implications embedded in words and expressions They tend to be tied not to subjects but to ways of seeing and considering the world Noll's lyrical voice reflects a curious and imaginative approach that results in tight poems typically enjambed which build together into a thoughtful collection Her work offers ways of seeing and considering the world that exceed our lived experience begging the reader to consider how far we are willing to go when faced with roadblocks doubts and uncertainties *Catalog of Copyright Entries.
