Pagano-Papismus: or, an Exact Parallel between Rome-Pagan, and Rome-Christian, in their doctrines and ceremonies. Copious MS. notes Joshua Stopford,1844 *The Last Pagans of Rome* Alan Cameron,2011 Rufinus vivid account of the battle between the Eastern Emperor Theodosius and the Western usurper Eugenius by the River Frigidus in 394 represents it as the final confrontation between paganism and Christianity It is indeed widely believed that a largely pagan aristocracy remained a powerful and active force well into the fifth century sponsoring pagan literary circles patronage of the classics and propaganda for the old cults in art and literature The main focus of much modern scholarship on the end of paganism in the West has been on its supposed stubborn resistance to Christianity The dismantling of this romantic myth is one of the main goals of Alan Cameron s book Actually the book argues Western paganism petered out much earlier and more rapidly than hitherto assumed The subject of this book is not the conversion of the last pagans but rather the duration nature and consequences of their survival By re examining the abundant textual evidence both Christian Ambrose Augustine Jerome Paulinus Prudentius and pagan Claudian Macrobius and Ammianus Marcellinus as well as the visual evidence ivory diptychs illuminated manuscripts silverware Cameron shows that most of the activities and artifacts previously identified as hallmarks of a pagan revival were in fact just as important to the life of cultivated Christians Far from being a subversive activity designed to rally pagans the acceptance of classical literature learning and art by most elite Christians may actually have helped the last reluctant pagans to finally abandon the old cults and adopt Christianity The culmination of decades of research *The Last Pagans of Rome* will overturn many long held assumptions about pagan and Christian culture in the late antique West Abstinence and Holiness, Embracing Self-Deprivation Joshua A. Fogel,2023-12-15 The Babylonian Talmud is a product of late antique rabbinical discourse and debate It is an immense complex multi volume work divided by topics into tractates which are written in a mixture of Hebrew and Aramaic Tractate Nazir deals with a person male or female who

basically assumes three abstentions for a defined period of time no wine or product of the grapevine no cutting of bodily hair and no contact with a human corpse The practice itself is controversial within Judaism Nonetheless virtually every conceivable factor involved in a vow to be a nazir is debated by the rabbis in this tractate and in great detail This volume is arranged by Talmudic folio pages and is aimed at explaining the intricacies of the original text It may be read on its own and in conjunction with the tractate itself as an aid to understanding *Thoughts on A Pagan Life: Collected Essays*

Shanddaramon,2010-08-24 A collection of essays by the Pagan author Shanddaramon **The Pagan In Recovery: The Twelve Steps From A Pagan Perspective** Deirdre A. Hebert,2011-06-11 The Twelve Steps developed by Alcoholics

Anonymous are powerful tools to transform the lives of people who struggle with addiction co dependency and compulsive behaviors Unfortunately Pagans in recovery are likely to struggle with the Christian assumptions and language found in many of these programs This book is intended to support a Pagan s participation in any Twelve Step program by showing that the effectiveness and relevance of these tools does not depend on a specific religious or spiritual tradition This book attempts to bridge the gap between the Christian and Pagan understanding of the Twelve Steps while remaining faithful to the original Twelve Step process The Pagan in Recovery is the result of Deirdre Hebert s ability to live her Pagan faith in the midst of a program with a deeply Christian heritage and demonstrates that anyone of any faith can experience freedom from addictions compulsive or co dependent behaviors through this process **Salvation & Godly Rule** R. J.

Rushdoony,2019-05-22 Man was called to dominion Gen 1 26 28 and to establish his reign over the world under God By his fall man introduced the reign of death into the world and as long as he remains in the Fall sin reigns in him unto death both in time and eternity Christ however by His grace and the gift of righteousness enables man to reign in this world and to reign through righteousness in time and eternity Salvation means reigning As formerly rebellious slaves we are now established in kingship and described as more than conquerors Rom 8 37 in Christ because we are also kings The full meaning of salvation cannot be understood apart from the fact of reigning The multiple use of the word reign in Romans makes clear the centrality of reigning in the doctrine of redemption To defer this fact to another world is a false separation into two alien realms one the material surrendered to one god and the other spiritual reserved for the other god Neither is Biblical St Paul is emphatic we reign in life The Biblical doctrine of salvation requires it The Identity of Popery and Paganism Joseph Roberts,1845

William Mitchell Ramsay,1920 Grains of Truth Joshua A. Fogel,2013-12-31 Following the destruction of the Second Temple in 70 C E Judaism faced a serious crossroads The rabbis of late antiquity spent the next few centuries immersed in extensive debates in an effort to create an ethical and practical basis for a Torah based faith Their discussions constitute the bulk of what we know as the Talmud This collection is not only massive it is forbiddingly difficult having accumulated numerous commentaries over the centuries since it first appeared Recent translations have made it somewhat more accessible to English language readers but textual difficulties remain This volume looks at tractate Menachot grain offerings which is concerned mostly with grain offered at the Temple when it stood to atone for various misdeeds Joshua A Fogel approaches the text page by page commenting with doses of humor and comparisons in a manner meant to explain and humanize the text for contemporary readers
