one of the few who had access to the Ramsey attorneys and thus the family One of the prevailing questions in most of the television specials is about the bowl of pineapple on the kitchen table with Burke and Patsy's fingerprints on the bowl That pineapple has been linked to JonBen t's death on some television broadcasts because of a reference in the autopsy to JonBen t having fragments like pineapple in her stomach For more than a year after the murder the pineapple theory behind her death was talked about But when Boulder police finally had the material in her stomach tested at the University of Colorado in Boulder in October of 1997 they found out two months later in December that the material was pineapple plus grapes grape skins and cherries That is food similar to that found in a fruit cocktail What does that mean This is the type of exclusive and factual information you will find in *We Have Your Daughter* that allows you to challenge preconceived theories In 2010 Woodward interviewed Burke Ramsey specifically for her book Burke discussed his family and the chaos surrounding the case Woodward has obtained a Boulder Social Services Evaluation of the Child about Burke Ramsey that states From the interview it is clear that Burke was not a witness to JonBen t's death That raises more doubts about those who believe Burke was involved in his sister's death and again reinforces the information Woodward has researched and uncovered In an interview with Burke Ramsey from 2010 he talks about his mom and how she taught him he could be optimistic or pessimistic about all the tragedies in their family She chose positive for herself and so did he both believing it was important to find joy in each day After Patsy Ramsey was diagnosed again with cancer in 2002 she began sharing private conversations with Paula in 2004 and 2005 This information was to be used after she died John Ramsey gave Paula access to his personal journal as well as access to JonBen t's personal drawings and photos The Handwriting Test Results Handwriting is another key controversial part of this investigation and story Paula has information and findings that show issues with how Boulder Police handled this aspect of the investigation She discusses the results of the handwriting Exclusive Reports Documents Investigative Reporter Paula Woodward reviewed portions of thousands of police reports and documents for her book Here are some highlights of her findings which she includes in the book all of which affected the investigation and the public's view of the family Exclusive The police report from the Boulder Police Officer who was FIRST to arrive on scene the morning of December 26 1996 before JonBen t's body was found and why he didn't find it Exclusive In the police report from the BPD Detective who stayed on scene until JonBen t's body was found Paula lists some discrepancies in that report Exclusive Paula discovered what she calls a deliberate campaign of disinformation by law enforcement based on information she received from her sources She also cites issues with the media coverage with outlets reporting information without verifying it Woodward says much of the information and anonymous leaks reported were untrue and has all had an effect on the investigation She cites several examples Exclusive Paula found found that Boulder police withheld the results of the DNA tests that excluded the Ramsey family from both the Boulder district attorney and the public The evidence that was submitted as DNA excluded the Ramseys In *We Have Your Daughter The Unsolved Murder of JonBen t Ramsey Twenty Years*

Later Emmy Award winning investigative journalist Paula Woodward offers an unprecedented definitive insider perspective on the twentieth anniversary of one of the most heinous sensationalized unsolved crimes in American history Here for the first time Woodward examines conversations and information from all sides of those involved in the case She shares information compiled during the twenty years she reported on the murder including private conversations with law enforcement individuals directly involved in the case their thoughts and dissections of what went wrong and right and who they now believe is the killer Woodward has included drawings by JonBen t letters from her teachers and photographs that show a normal happy six year old whose life was cut short in such a horrible manner She shares portions of John Ramsey s private journal where he wrote of his torment and grief in the aftermath of the murder And she recounts personal conversations with JonBen t s mother prior to her death from cancer in 2006 JonBen t s brother Burke talks publicly about his sister s death and how it affected the family and his life We have Your Daughter is an extraordinary work of journalism twenty years in the making It depicts a family under siege with their guilt or innocence still openly questioned This book allows readers to decide in this heartbreaking story was it Ramsey or an unknown intruder *The New Yorker* Harold Wallace Ross,William Shawn,Tina Brown,Katharine Sergeant Angell White,David Remnick,Rea Irvin,Roger Angell,1997-08

literary figures interacted with the playhouse exploring W B Yeats's earliest playwriting Ezra Pound's onstage acting the links between James Joyce's and D H Lawrence's sense of drama T S Eliot's thinking about theatrical popularity and the feminist politics of Virginia Woolf's small scale theatrical experimentation While these modernists often made hostile comments about drama this volume highlights how the writers were all repeatedly drawn to the form While Yeats and Pound were fascinated by the controlling aspect of theatre other authors felt inspired by theatre as a democratic forum in which dissenting voices could be heard Some of these modernists used theatre to express and explore identities that had previously been sidelined in the public forum including the working class mining communities of Lawrence's plays the sexually unconventional and non binary gender expressions of Joyce's fiction and the female experience that Woolf sought to represent and discuss in terms of theatrical performance These writers may be known primarily for creating non dramatic texts but this book demonstrates the importance of the theatre to the activities of these authors and shows how a sense of the theatrical repeatedly motivated the wider thinking and writing of six major figures in literary history
