noir with science fiction and horror for example Blade Runner and Angel Heart and in films by black directors such as Deep Cover Straight out of Brooklyn A Rage in Harlem and One False Move Other essays focus on the open urban territory in which the noir hero hides out the office spaces in Chandler and the palpable sense of waiting that fills empty warehouses corridors and hotel rooms Finally Shades of Noir pays renewed attention to the lethal relation between the sexes to the femme fatale and the other women in noir As the role of women expands the femme fatale remains deadly but her deadliness takes on new meanings Contributors Janet Bergstrom Joan Copjec Elizabeth Cowie Manthia Diawara Frederic Jameson Dean MacCannel Fred Pfeil David Reid and Jayne L Walker Marc Vernet Slavoj Zizek **The Whole Story and Other Stories** Ali Smith, 2007-12-18 From the critically acclaimed award winning author comes a collection of uniquely inventive stories that thread the labyrinth of coincidence chance and connections missed and made What happens when you run into Death in a busy train station You know he s Death because when he smiles your cell phone goes dead What if your lover falls in love with a tree Should you be jealous From the woman pursued by a band of bagpipers in full regalia to the artist who s built a seven foot boat out of secondhand copies of The Great Gatsby Smith s characters are offbeat charming sexy and as wonderfully complex as life itself First Love And Other Stories Ivan Turgenev, 2024-12-09 Immerse yourself in the exquisite narratives of First Love and Other Stories by Ivan Turgenev a master of capturing the essence of human emotion This compelling collection of stories invites you to explore the intricacies of love longing and the bittersweet nature of relationships What if the first flutter of romance held the key to understanding your own heart Turgenev s tales reflect the beauty and complexity of love offering readers a glimpse into the lives of characters navigating the joys and sorrows of their feelings From the innocence of youthful passion to the profound depths of mature affection each story resonates with authenticity and depth Through vivid imagery and poignant storytelling Turgenev illuminates the universal experiences that bind us all His ability to evoke emotion and provoke thought makes this collection a timeless treasure for lovers of literature Are you prepared to embark on a journey through the landscapes of love and self discovery Don t miss the chance to enrich your reading experience with First Love and Other Stories Purchase your copy today and delve into the heart of Turgenev s remarkable storytelling where every tale is an invitation to reflect on your own romantic journey Summer Vacation and Other Stories Theodore Kohan, 2007-09-27 Male female relationships are at the center of this collection of thirteen stories Roughly half the stories take place in the United States and half in Chile A common thread runs through these keenly sensitive stories the women take the initiative and the men willingly or unwillingly follow their lead At one end of the spectrum Ari 14 years old is awakening to his sexuality and at the other Al almost 70 and a former college professor sees a potential affair with a young woman as his last opportunity to indulge his taste for sexual mischief Along the way we also meet Dora a free spirited woman who thirty years earlier was in hot pursuit of Sergio a married man but who now holds a secret he is determined to uncover Josh home for the summer after having completed his freshman year in college who is

Twentieth Century American Literature Warren French, 1980-11-01

A World Outside Richard F. Patteson, 2014-08-04 Expatriation the sense of being outside or exposed is a central theme in the life and work of Paul Bowles Beginning with Bowles account of a frightening childhood memory A World Outside explores how the dichotomies of inside and outside safety and danger enclosure and exposure fundamental dualities in Bowles fiction have their deepest origin in the fabric of Bowles own life and also mark his kinship with other twentieth century writers Like V S Naipaul Paul Bowles is one of those writers who have an uncanny grasp of what it is like never to feel at home In this much needed study Richard Patteson explores how this sense of outsideness characterizes one s experience in a world in which many of the traditional shelters social familial religious seem to have lost their ability to protect He discovers that storytelling is the vehicle by which both Bowles and his characters attempt to domesticate inchoate experience bringing it into the familiar interior of human comprehension The music world has for decades recognized Paul Bowles stature as a composer but his fiction is only recently receiving the close attention it has long deserved from students of American and contemporary literature Bowles is an author who neither sought nor received the kind of publicity often lavished on his contemporaries but one whom an ever growing audience regards as a commanding figure of twentieth century American literature
