Lithander,2010-10-18 Life s Pages invites you on a journey back in time and entices you to travel through this true story about a remarkable little girl and the two families that loved and shared her Against the backdrop of Prohibition and the Great Depression the characters come to life once more weaving themselves into your heart as they survive some of life s most difficult and unimaginable events Courage and hope move them forward as they choose to fully live and enjoy each page of their life s journey taking the reader with them as they continue forward one page at a time Life s Pages is a beautiful story simply written and generously shared a slice of Americana everyone can appreciate and enjoy *Ultimate Poems* Najeh A. Trabilisy,2007-05-09 Language is a means of human communication expressing human feelings and ideas Poetry is an ultimate form of expression and communication and perhaps the closest to perfection Poetry is music comprising words rhymed and metred and rendered by recitation not by musical instruments Hence the music of Gilgamesh Imru il Kais and Homer precedes by centuries if not millennia the music of Beethoven and Mozart that requires sophisticated instruments to render Each tune in this repertoire conveys deeply felt content relating to Truth Beauty and the Good I hope that readers will love both the tune and the content whatever the language Testimonials Alliance Francaise in Paris France Goethe Institut in Munich Germany and Nelson Mandela Foundation in South Africa have decided to place this magnificent book as they described it in their libraries and make it available to the Public Harvard President Elect expressed her appreciation His Royal Highness Prince of Qatar conveyed his acknowledgement His Holiness the Pope invoked God s abundant blessings upon the author If you want to know how ultimate these poems are you must read them in one language or another *Yesterday's Pages* A.H. Carim,2013-11-22 Prelude Though I was tagged a failure everyone saw my little reactions as hysterical The few times I responded to the callousness of people I was being melodramatic and when I didnt I was being myself the fool I would have expected to be the apple of my dads eye considering he claimed he loved my mum so much till he found out she was a cheat but what was my crime in my mums unfaithfulness I barely knew her The only crime I committed for being abused trampled on humiliated almost abandoned and so on in Oxford Dictionaries strongest negative terms was being my mothers child I am a failure today because Mrs Funmi Jaxson brought me to life While a lot of ladies wore designer lipsticks compact powders mascaras amongst so many others as daily make up I was forced to permanently be teary eyed while wearing my snotty nose Well I guess I got my own make up for free Even my sense of humour could not stop the emotions from flowing excessively while others laughed and I cried for hours wondering how I missed the jokes I guess when the joke is on you its not so funny anyway I couldnt help but wonder what made a lot of people smile and look content when they looked into the mirror For me I saw absolutely nothing The strongest people in life are those we stand tall despite the hurdles in their lives Truth is success doesnt only come with a price it has determination glued to it they are intertwined Failure isnt failing at what you do its

accepting the title failure wallowing in it and making it a comfort zone Turns out that disbelieving in the power of our dreams and failing to pursue them with a passion is the worst form of failure Failures are often stepping stones to success Then it becomes our choice to either learn from them and develop ourselves or make choices that will break us further Imagine life as an adventure we have to stumble fearlessly into with more than a flicker of hope Most successful people today didnt make it easily They fell dusted themselves up and tried again more than a couple of times The trick is fixing your gaze on the prize and not the present circumstances If you know where you are heading failure wont set you back Life never promised anyone perfection It only promised to give us a chance which will eventually allow us to make decisions that will reshape who we are negatively or positively Miss Carim 2013 Let yesterday be a tool to help shape your today when preparing for tomorrow Miss Carim 2013 **Pages Of Me Chapter 4** Dionne Fields,2013-04-21 Pages of Me chapter 4 My life on paper pages of me to help others move forward To the next chapter of their lives during your most difficult times A self help novel of overcoming all the pain and suffering that life sometimes bring

Pages from the Soul of an Addict Minister J. Michael Cole, 2021-04-27 Pages from the Soul of an Addict is just that pages that were poetically written from the author's soul while being bound by the consuming chemical chains of crack cocaine There are pages of despair doom and darkness However there are also pages of hope deliverance and light The goal and main objective of this book is to minister to anyone who is still suffering and caught up in the deadly web of drug addiction and to give the nonaddicts a poetically painted picture of what it is like being a drug addict and what it takes for deliverance

63 Pages For Happiness Emanuel Troskot, 2021-07-07 Making mistakes is part of human nature and I know personally how many I have made Blaming the kid you once was is not a way to go forward for anyone you weren't guided properly or you chose wrong people in your life to guide you through those years but blaming anyone is nothing that you should be doing now Recognise the mistakes that you made and learn from them A lot of people say that we should learn from mistakes of others but in reality you don't get burned by watching someone else put their hand in the fire it only happens when you try it and feel the pain only then you realise that you made a mistake You have always two possibilities of how you are going to act how you are going to live your life It is hard but you need to look deep into yourself find yourself who you really are and then form yourself from the ground up

Between Two Pages Susan Hubenthal,GriefNet Parents,2003-08-01 A collection of wounded parents whose children have died from a drug overdose or suicide related to substance abuse came together on the website GriefNet org Each one was damaged by misplaced blame and guilt because they couldnt rescue their children So deeply filled with sorrow they were unable to find a life after death They have become a family in grief crying together and comforting one another The public must be educated to the reality of the War on Drugs There are people who still believe in the junkie stereotype Many presume that these children were weak

willed and deserved what was coming to them Some people are judgmental uneducated mean spirited or have blinders on Drugs created a helplessness in these children that is hard for outsiders to understand Kicking the drug habit is incalculably difficult Also powerless are the secondary victims those who are left behind to cope with the losses this dreadful disease has caused Each child that died left behind a parent whose life is now changed forever They cannot erase the horror of that moment when they first heard that their child had died The nightmares and the visions of their children dying continue to haunt them **Looking Back** Wanda Markham,2021-08-02 The information about the book is not available as of this time

when I try to take back control of my life from God I forfeit faith I have learned that even one person one decision one act of obedience can catapult a life of insecurity and despair to ultimate joy peace and fulfillment in Christ Lastly I have learned that I get to choose how I want to view those events that affected my life I can choose to be a victim I can choose to be angry Or I can choose to be a victor a person who chooses joy in seeing the gracious hand of God creating a beautiful symphony to share with others I want to sing Him a love song my life the melody At times this book is emotionally raw and heart breaking and at times it will make you laugh out loud welcome to the adventure
