**Painting from the Source** Aviva Gold, 2019-12-03 NOW IN FULL COLOR OVER 50 PAINTINGS TO VIEW WITH STEPS IN THE PAINTING PROCESS TO ENJOY AND LEARN FROM Imagine yourself painting with no hesitations no conflicts Your brush dips into pots of vibrantly colored paint inner inspiration guides your hand into lines and shapes that find their perfect places on the paper Welcome I m Aviva Gold your guide to the magic source As children all of us lived and painted intuitively And as adults we can re create the boundless joy of unselfconscious art by setting aside intellectual critique and self doubt and reconnecting with the source Remember standing at an easel as a child and painting in a trancelike state of wonder Somewhere along the line this freedom gets trained out of us and we are either categorized as artists or not Paint and remember Return to the easel with the same childlike sense of play My program is not about regimentation Learn to let go of inhibitions relinquish control and embrace the source Using simple materials tempera paints newsprint paint without worrying about the end product Just let go and begin Every human being is an artist In Bali one word means both human and artist Just show up and face a blank piece of paper Tap into the source Revitalize Transform Now imagine yourself painting

*Art From Intuition* Dean Nimmer, 2014-11-18 Practical self help for artists who want to free their creativity Art from Intuition offers artists everywhere a unique system for freeing their own creative intuition the sixth sense that directs an artist s drive and work By letting go of the self criticism doubt and insecurity that discourage artmaking artists will be able to soar to new heights of creativity More than 60 practical exercises take the reader from the most basic intuitive art to more sophisticated techniques Each exercise supported by step by step instructions is accessible to artists at every level and the exercises can be done in any order After each chapter readers are encouraged to follow up by evaluating their drawings or paintings to see how they reflect their own personal goals Works of art by students and contemporary artists exemplify how exciting and how productive a freer more intuitive approach to making art can be **The Soul of Creativity** Tona Pearce Myers, 2011-09-22 There is no single definition of creativity It is as wide ranging as the people who seek it writers painters musicians actors indeed anyone who desires a richer more rewarding life Many consider it inaccessible limited to gifted artists and celebrities But as the extraordinary contributors to this book show it is really everyone s birthright too often shoved to the recesses of our psyches by the demands of everyday life From the vibrant naturalist and poet Diane Ackerman to musical theorist Don Campbell to inspirational author SARK these talented contributors guide us through the creative process with clarity and insight They remind us that inspiration is always available to those willing to realize the power and possibility of their true creative being Contributors include Diane Ackerman Pat B Allen Christina Baldwin Hal Zina Bennett Echo Bodine Jean Shinoda Bolen Don Campbell Lucia Capacchione Michelle Cassou Judith Cornell Adriana D az Riane Eisler Linda Firestone John Fox Robert Fritz Aviva Gold Robert Grudin Jean Liedloff Ann Linnea Shaun McNiff Eric Maisel Jill Mellick Stephen Nachmanovitch Kent Nerburn Jan Phillips SARK **The Artist Inside** Tom Crockett, 2009-04-22 A fresh

new approach to tapping into our own creativity using the images and artifacts of our dreams Getting inspired is one of the toughest parts of being an artist whether we re a beginner or a seasoned professional But as Tom Crockett shows us in this new book finding ideas for our artwork is easier than we think By simply exploring the images of our sleeping and waking dream states we can discover a wealth of ideas and inspiration that are more authentic and powerful because they reveal our underlying spiritual self Recognizing the importance of allowing our spiritual side to infuse our art and the fulfillment this can bring Tom Crockett has created a program to teach us all no matter what level of artistic experience we have how to bring art and spirit into one The four different types of creative expression Crockett has identified Finding Arranging Altering and Making open up artistic options for everyone even for those of us who cannot yet imagine that we have the ability to create art Filled with personal anecdotes from the author s creativity workshops and practical easy to implement advice for tapping into our hidden creativity The Artist Inside teaches us how to access the dreaming world to heighten creativity that we can create in each piece of artwork a temporary home for the spirit how creating a spiritual path can energize us and increase our intuitive capacity When the process of making art is guided by the inner vision of our sleeping and waking dream states we connect with something larger than ourselves and rediscover that creativity can be both a spiritual path and an important life tool

*Art Therapy with Adults with Autism Spectrum Disorder* Beth Gonzalez-Dolginko, 2019-09-19 There is a distinct lack of art therapy literature on working with adults with autism spectrum disorders and this book combats this dearth by looking at the theory and practice of working with this client group With clinical case examples throughout it provides ideas for practice and interventions for use in institutional and community settings There is a useful focus on directives to help with specific concerns for example college and job readiness social skills and adapting to independent living The book also includes information on ASD itself and gives advice on developmental and neurological considerations to take into account when working with this client group

*Soul-Side Out* Summer Bozohora, 2019-03-06 Soul Side Out is about healing It is time It is time to shift our human perspective and hear the call from universal consciousness The call is asking that we move away from the violent approach of drugging numbing masking fighting or surgically removing what is perceived as not working in the mind or body It is about universal laws of healing from the inside out that can be applied to your life that are described in this book It is a way to be most present a way to transcend the time space reality and experience the wave function the aspect of our mind that knows and identifies with oneness unity and unconditional love that transforms and heals Through this book you are invited to relearn the language of your soul and shift your perspective of frustration and fear to interest curiosity and trust

*Soulcraft* Bill Plotkin, 2010-10-05 Since 1980 depth psychologist Bill Plotkin has been guiding women and men into the wilderness the redrock canyons and snow crested mountains of the American West but also into the wilds of the soul He calls this work soulcraft There s a great longing in all people to uncover the secrets and mysteries of our individual lives to find the unique gift we were born to bring to our communities and to experience our full membership in the more than human world This journey to soul is a descent into layers of the self much deeper than personality a journey meant for each one of us not just for the heroes and heroines of mythology A modern handbook for the journey Soulcraft is not an imitation of indigenous ways but a contemporary nature based approach born from wilderness experience the traditions of Western culture and the cross cultural heritage of all humanity Filled with stories poems and guidelines Soulcraft introduces over 40 practices that facilitate the descent to soul including dreamwork wilderness vision fasts talking across the species boundaries council self designed ceremony nature based shadow work and the arts of romance being lost and storytelling

**On the Journey** Cynthia Thomas, 2014-04-22 On the Journey The Art of Living with Breast Cancer is my personal experience of the diagnosis and first phase of treatment of breast cancer A mammogram confirmed a mass the biopsy confirmed it was cancer I was diagnosed with stage 3 breast cancer February 22nd 2013 That was the beginning I started this series of mandalas to help me get through the Journey on which I was embarking What has helped me the most has been using art to process my feelings creating a new mandala each day to move healthy healing energy into my body and process out the negative energy I knew from the beginning art was and is essential for my healing Creating the mandalas and

doing the writings On the Journey has supported me emotionally through this difficult time Doing art on a nearly daily basis has kept me focused on the Now Sharing the Journey has helped me I have learned I am not alone On January 2 2014 I was upgraded to stage 4 breast cancer The Journey continues with the loving support from my community a sisterhood of survivors and thrivers friends and loved ones Hundreds of people have sent me angels their prayers their love and support We all need to know we belong that we are part of this glorious species human kind Enjoy and explore your own journey as well

**Nature and the Human Soul** Bill Plotkin, 2010-10-04 Addressing the pervasive longing for meaning and fulfillment in this time of crisis Nature and the Human Soul introduces a visionary ecopsychology of human development that reveals how fully and creatively we can mature when soul and wild nature guide us Depth psychologist and wilderness guide Bill Plotkin presents a model for a human life span rooted in the cycles and qualities of the natural world a blueprint for individual development that ultimately yields a strategy for cultural transformation If it is true as Plotkin and others observe that we live in a culture dominated by adolescent habits and desires then the enduring societal changes we so desperately need won't happen until we individually and collectively evolve into an engaged authentic adulthood With evocative language and personal stories including those of elders Thomas Berry and Joanna Macy this book defines eight stages of human life Innocent Explorer Thespian Wanderer Soul Apprentice Artisan Master and Sage and describes the challenges and benefits of each Plotkin offers a way of progressing from our current egocentric aggressively competitive consumer society to an ecocentric soul based one that is sustainable cooperative and compassionate At once a primer on human development and a manifesto for change Nature and the Human Soul fashions a template for a more mature fulfilling and purposeful life and a better world

**Expanding the Boundaries of Transformative Learning** E. O'Sullivan, A. Morrell, M. O'Connor, 2016-04-30 Transformative learning involves experiencing a deep structural shift in the basic premises of thought feelings and actions It is a shift of consciousness that dramatically and permanently alters our way of being in the world Such a shift involves our

understanding of ourselves and our self locations our relationships with other humans and with the natural world our understanding of relations of power in interlocking structures of class race and gender our body awarenesses our visions of alternative approaches to living and our sense of possibilities for social justice and peace and personal joy The editors of this collection make several challenges to the existing field of transformative learning the first is to theoreticians who have attempted to describe the nature of transformative learning without regard to the content of transformative learning The editors argue that transformative learning theory cannot be constructed in a content neutral or context free way Their second challenge which assumes the importance content for transformative learning is to educators as practitioners The editors argue that transformative learning requires new educational practices consistent with the content Arts based research and arts based teaching learning practices are one example of such new educational practices Education for the soul or spiritual practices such as meditation or modified martial arts or indigenous peoples forms of teaching learning is another example Each article in the collection presents a possible model of these new practices
