Painting The Dog The Best Stories Of Leon Rooke:

Painting the Dog Leon Rooke, Patrick Crean, 2001-03-04 Always fresh and original these timeless stories push the boundaries of the traditional short story form *Painting the Dog* is vintage Rooke 17 highly original tales brimming with whimsy and wit pain and poignancy and the author's endlessly astonishing and electric imagination and riotous humour

The Canadian Short Story Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany **White Gloves of the Doorman** Branko

Gorjup, 2004 Hitting the Charts Leon Rooke, 2006-09-15 According to Russell Banks North Carolina expat Leon Rooke's work charts what the short story form can and cannot do for he works out there in the terra incognita mapping limits *Hitting the Charts* a nineteen story Best Of compilation offers stories as free from constraint as a Monk solo and as disquieting and resonant as a southern Baptist preacher at a big tent revival *Dancing is not forbidden* *Encyclopedia of Post-Colonial*

Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide

The Last Shot Leon Rooke, 2009-08-15 From one of Canada's most compelling and imaginative writers of short fiction comes a new collection of eleven stories and a novella With stories both magical and unexpected Leon Rooke astounds with his approach to the art of storytelling From the novella about the surreal adventures of Prissy Thibidault in the deep south watching alligator wrestling while white racists turn into blacks to stories that include the strange wanderings of a boy called Dark in search of his mother the escape of a couple of gay friends from their respective relationships for the bright lights of Paris the negotiations with J D Salinger for a bag of his garbage the torment that six year old twins inflict on their blind grandfather while their

absent mother gives a boyfriend one last shot at romance the unemployed man who helps to exterminate mosquitoes pleads his case before a judge about the capriciousness of his life the painter who ruminates on magic dogs reluctant models and living with his ornery old father the novice writer who hilariously tries to follow a how to manual the survivor of a shut in family who manages to burrow out of his suffocating lot to a most unusual bank robbery that saves a woman's life here are fictional inventions that dazzle and engage Writing within the aesthetic of magic realism Rooke writes like a jazz musician improvising and surprising with every sentence Hailed by Russell Banks as a North American treasure Leon Rooke is surely Canada's literary answer to the jazz great Miles Davis *The Routledge Introduction to the Canadian Short Story* Maria Löschnigg, 2022-12-30 This volume aims to introduce undergraduates graduates and general readers to the diversity and richness of Canadian short story writing and to the narrative potential of short fiction in general Addressing a wide spectrum of forms and themes the book will familiarise readers with the development and cultural significance of Canadian short fiction from the early 19th century to the present A strong focus will be on the rich reservoir of short fiction produced in the past four decades and the way in which it has responded to the anxieties and crises of our time Drawing on current critical debates each chapter will highlight the interrelations between Canadian short fiction and historical and socio cultural developments Case studies will zoom in on specific thematic or aesthetic issues in an exemplary manner The Routledge Introduction to the Canadian Short Story will provide an accessible and comprehensive overview ideal for students and general readers interested in the multifaceted and thriving medium of the short story in Canada *Canadian Literature in English* W. J. Keith, 2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words **Southern Writers** Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the

previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject

Translating Canada Luise von Flotow,Reingard M. Nischik,2007-10-25 In the last thirty years of the twentieth century Canadian federal governments offered varying degrees of support for literary and other artistic endeavour A corollary of this patronage of culture at home was an effort to make the resulting works available for audiences elsewhere in the world Current developments in the study of translation and its influence as cultural transfer have made possible new assessments of such efforts to project a national image abroad Translating Canada examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers theatres and other culture brokers It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers novelists and poets playwrights and children s authors literary and social critics Above all the book maps for its readers a number of significant though frequently unsuspected roles that translation assumes in the intercultural negotiation of national images and values The chapters in this collection will be of value to students teachers and scholars in a number of fields Informed lay readers too will appreciate the authors insights into the different ways in which translation has contributed to German reception of Canadian books and culture
