collection of approximately 400 works of American sculpture by artists born before 1865 This publication includes an
introduction on the history of the collection's formation particularly in the context of the Museum's early years of acquisitions
and discusses the outstanding personalities involved Metropolitan Museum of Art website **Women and Art in Early
Modern Europe: Patrons, Collectors, and Connoisseurs**, 1999 This anthology reflects a larger impulse to recover women's
involvement in the creation of an aesthetic culture from the late medieval through the early modern periods By asking how
the perspectives and experiences of female patrons contributed to the invention of particular styles or iconographies or how
they shaped taste or how they influenced demand these twelve original essays introduce significant new information about
specific women patrons while raising theoretical issues for patronage studies more generally While most of the projects
discussed are consistent with the period's male sanctioned concept of female patronage as an expression of conjugal
devotion or dynastic promotion at the same time the women involved devised strategies that circumvented these rules
allowing them to explore the potential of art as a means of proclaiming their own identity and taste **Drawings from the
Age of Bruegel, Rubens, and Rembrandt** William W. Robinson, 2016-08-02 This superb book presents 100 notable
examples from the Harvard Art Museums distinguished collection of Dutch Flemish and Netherlandish drawings from the
16th to 18th century Featuring such masters as Pieter Bruegel the Elder Peter Paul Rubens and Rembrandt van Rijn the
volume showcases beautiful color illustrations accompanied by insightful commentary on prevalent styles and techniques
Genres that define this artistic period landscape scenes of everyday life portraiture and still life are explored in detail The
book also presents the results of new conservation and technical study including infrared analysis and scientific examinations
of drawing materials This revelatory new research has allowed previously illegible underdrawings and inscriptions in many of
the artworks to surface for the first time shedding light on longstanding mysteries of production and provenance *Catalog
