A History of Modern South Asia Ian Talbot,2016-01-28 Noted historian Ian Talbot has written a new history of modern South Asia that considers the Indian Subcontinent in regional rather than in solely national terms A leading expert on the Partition of 1947 Talbot focuses here on the combined history of India Pakistan and Bangladesh since 1757 and specifically on the impact of external influences on the local peoples and cultures This text explores the region s colonial and postcolonial past and the cultural and economic Indian reaction to the years of British authority thus viewing the transformation of modern South Asia through the lens of a wider world

The Arains: A Historical Perspective Mukhtar Ahmed,2016-04-18 Arains are a prominent ethnic group in Pakistan This book traces their history and compares it with other agro pastoral groups in Sindh and Punjab Their purported origin in the Arabs of Syria and Iraq has been discussed in detail and an alternative thesis has been suggested

South Asia's Modern History Michael Mann,2014-10-24 This comprehensive history of modern South Asia explores the historical development of the Subcontinent from the beginning of the eighteenth century to the present day from local and regional as opposed to European perspectives Michael Mann charts the role of emerging states within the Mughal Empire the gradual British colonial expansion in the political setting of the Subcontinent and shows how the modern state formation usually associated with Western Europe can be seen in some regions of India linking Europe and South Asia together as part of a shared world history This book looks beyond the Subcontinent s post colonial history to consider the political economic social and cultural development of Pakistan and Bangladesh as well as Sri Lanka and Nepal and to examine how these developments impacted the region s citizens South Asia s Modern History begins with a general introduction which provides a geographical environmental and historiographical overview This is followed by thematic chapters which discuss Empire Building and State Formation Agriculture and Agro Economy Silviculture and Scientific Forestry Migration Circulation and Diaspora Industrialisation and Urbanisation and Knowledge Science Technology and Power demonstrating common themes across the decades and centuries This book will be perfect for all students of South Asian history

A History of Modern India Ishita Banerjee-Dube,2014-10-27 This book provides an interpretive and comprehensive account of the history of India between the eighteenth and twentieth centuries a crucial epoch characterized by colonialism nationalism and the emergence of the independent Indian Union It explores significant historiographical debates concerning the period while highlighting important new issues especially those of gender ecology caste and labour The work combines an analysis of colonial and independent India in order to underscore ideologies policies and processes that shaped the colonial state and continue to mould the Indian nation

A History of Bangladesh Willem van Schendel,2009-02-12 Bangladesh is a new name for an

old land whose history is little known to the wider world A country chiefly famous in the West for media images of poverty underdevelopment and natural disasters Bangladesh did not exist as an independent state until 1971 Willem van Schendel s history reveals the country s vibrant colourful past and its diverse culture as it navigates the extraordinary twists and turns that have created modern Bangladesh The story begins with the early geological history of the delta which has decisively shaped Bangladesh society The narrative then moves chronologically through the era of colonial rule the partition of Bengal the war with Pakistan and the birth of Bangladesh as an independent state In so doing it reveals the forces that have made Bangladesh what it is today This is an eloquent introduction to a fascinating country and its resilient and inventive people

The Making of Terrorism in Pakistan Eamon Murphy, 2013 This book explains the origins and nature of terrorism in Pakistan and examines the social political and economic factors that have contributed to the rise of political violence there Since 9 11 the state of Pakistan has come to be regarded as the epicentre of terrorist activity committed in the name of Islam The central argument of this volume suggests that terrorism in Pakistan has in essence been manufactured to suit the interests of mundane political and class interests and effectively debunks the myth of Islamic terrorism A logical consequence of this argument is that the most effective way of combating terrorism in Pakistan lies in addressing the underlying political social and economic problems facing the country After exploring the root causes of terrorism in Pakistan the author goes on to relate the historical narrative of the development of the Pakistani state to the theories and questions raised by Critical Terrorism Studies CTS scholars The book will therefore make an important contribution to CTS scholarship as well as presenting an analysis of the many complex factors that have shaped the rise of Pakistani terrorism This book will be of great interest to students of Critical Terrorism Studies Asian history and politics Security Studies and IR in general **The**

Oxford Companion to Politics of the World Joel Krieger, Margaret E. Crahan, 2001-08-02 The world has seen dramatic changes since the publication of the first edition of *The Oxford Companion to Politics of the World* in 1993 In the post Cold War world globalization now offers wealth and opportunities on a broader scale as well as greater international harmony but threatens to reinforce the advantage gap between wealthy and poor regions and intensify environmental degradation Conflict and squalor expressed in brutal brushfire wars epidemics and chronic underdevelopment vie with equally dramatic accounts of growth and democracy associated with a liberal political order and the global diffusion of trade investment and communications Drawing on the breadth of the first edition this updated edition reflects the changing world with a reassessment of many of the core themes of the Companion and new articles on the people concepts and events that have shaped the world since 1993 The second edition includes biographies of Kofi Annan Tony Blair Bill Clinton and Gerhard Schroder articles on events such as the Rwandan Genocide and the war in Kosovo and coverage of international trade developments such as NAFTA and the World Trade Organization Eighty seven of the 672 articles in the Second Edition are completely new most others are thoroughly revised This edition also features a substantial new set of articles a dozen essays
