Pather Dabi The Right Of Way Paperback:

Revolutionary Desires Ania Loomba, 2018-07-24 *Revolutionary Desires* examines the lives and subjectivities of militant nationalist and communist women in India from the late 1920s shortly after the communist movement took root to the 1960s when it fractured. This close study demonstrates how India's revolutionary women shaped a new female and in some cases feminist political subject in the twentieth century in collaboration and contestation with Indian nationalist liberal feminist and European left wing models of womanhood. Through a wide range of writings by and about revolutionary and communist women including memoirs autobiographies novels party documents and interviews Ania Loomba traces the experiences of these women showing how they were constrained by but also how they questioned the gendered norms of Indian political culture. A collection of carefully restored photographs is dispersed throughout the book helping to evoke the texture of these women's political experiences both public and private. *Revolutionary Desires* is an original and important intervention into a neglected area of leftist and feminist politics in India by a major voice in feminist studies. **The Right of Way** Pather Dabi, 1993 **Contiguity, Connectivity and Access** Suranjan Das, Anita Sengupta, 2022-12-28 This volume examines themes like contemporary factors shaping the emergence of the Bay of Bengal region as a critical strategic theatre in Indian foreign policy the inter connectedness of the Indian and Pacific Oceans the importance of oceans to security and commerce and India's role within the broader region the twenty first century maritime Silk Road and Indian alternatives and the possibilities of reconnecting disconnected spaces through re imagining a Bay of Bengal Community. Between Love and Freedom Nikhil Govind,2014-08-07 Between Love and Freedom interprets the figure of the revolutionary in the Hindi novel by establishing its lineage in representative Bengali novels as well as in the contending moralities of Mahatma Gandhi and Bhagat Singh on the idea of violence It reveals how conventional social realism and emergent modernist modes were brought together in the novelistic tradition by extending the political ideal of anti colonial revolution into domains of sexual desire and subjective expression especially in the works of Agyeya Jainendra and Yashpal This work will deeply interest scholars and students of literature modern Indian history Hindi and political science **The**

World in a Grain of Sand Nivedita Majumdar, 2021-05-25 Radical universalism vs postcolonial theory The World in a Grain of Sand offers a framework for reading literature from the global South that goes against the grain of dominant theories in cultural studies especially postcolonial theory It critiques the valorization of the local in cultural theories typically accompanied by a rejection of universal categories viewed as Eurocentric projections But the privileging of the local usually amounts to an exercise in exoticization of the South The book argues that the rejection of Eurocentric theories can be complemented by embracing another richer and non parochial form of universalism Through readings of texts from India Sri Lanka Palestine and Egypt the book shows that the fine grained engagement with culture the mapping of ordinary lives not just as objects but subjects of their history is embedded in much of postcolonial literature in a radical universalism one that is rooted in local realities but is able to unearth in them the needs conflicts and desires that stretch across cultures and time It is a universalism recognized by Marx and steeped in the spirit of anti colonialism but hostile to any whiff of exoticism The
