The Philosophical I George Yancy,2002 Philosophy is shaped by life and life is shaped by philosophy This is reflected in *The Philosophical I* a collection of 16 autobiographical essays by prominent philosophers Candid and philosophically insightful these personal narratives critically call into question the belief that philosophy should be kept separate from the personal experience of philosophers Each contributor traces the fundamental influences both philosophical and otherwise that have shaped his or her identity In this postmodern world the self is often viewed as irreparably fragmented and fractured but the reflections in this volume point to a self that is a continuous though dynamic storyline What shines through in each of these essays is that philosophy is a profoundly personal adventure **Books Added** Chicago Public Library,1916

Outdoor Education Ken Gilbertson,2006 Outdoor Education Methods and Strategies applies educational theories to outdoor teaching methods and helps educators learn how to choose the instructional strategies that will best work for their audiences whether they re in a school nature center adventure center camp environmental learning center government agency or university Outdoor Education Methods and Strategies provides practical lesson plans and examples that go beyond the normal scope of a text It will benefit both new and veteran educators by teaching them how to enhance their audience s awareness appreciation and knowledge of the outdoors Ultimately it will advance educators abilities to increase people s enjoyment and understanding of the environment BOOK JACKET The Cumulative Book Index ,1998 A world list of books in the English language Infusing IB Philosophy and Pedagogy into Chinese Language Teaching Mark S. K.

Shum,2015-10-30 This book not only examines what IB philosophy is it also explores the relationship between IB philosophy and Chinese language and culture and introduces a lot of useful and creative teaching pedagogies and methodologies Most importantly this book fills the gap of implementing IB philosophy and pedagogy into Chinese language teaching I Probably Should've Brought a Tent Erik Shonstrom,2022-06-15 The author once fell backwards on skis at night into a latrine during a snowstorm in the Rocky Mountains That s just one of the stories in this 20 year tale of wilderness education This book aims to entertain and edify captivate and compel It s also laugh out loud funny with echoes of Patrick F McManus and Bill Heavey Combining anecdotes of over two decades of outdoor education experience with thoughtful narrative context the author offers tales of adventure that both experienced mountain guides and armchair enthusiasts can dig into with abandon From the swampy backcountry of Florida to the soaring Sierra the chilly gray waters of Puget sound to rocky scrambles in the Green Mountains this book takes the reader on a hilarious journey through epic landscapes guided by a hapless outdoor teacher No matter how suburban or urban our upbringing we ve all experienced the fear of strange noises in the night inedible food cooked outdoors and surviving when the nearest flush toilet is miles away We can all relate to the mishaps and exploits experienced in the great wide world Introduction to Recreation and Leisure Human Kinetics (Organization),2013 Introduction to Recreation and Leisure Second Edition is a textbook designed for an initial undergraduate course in a recreation and leisure program With its 21st century views of recreation and leisure services it incorporates indicators for future directions in the field and presents international perspectives as well as career opportunities in recreation and leisure A new web resource is included **Chartridge Books Oxford Catalogue** Chartridge Books Oxford,2013-10-01

Philosophical Perspectives on Play Malcolm MacLean,Wendy Russell,Emily Ryall,2015-08-20 Philosophical Perspectives on Play builds on the disciplinary and paradigmatic bridges constructed between the study of philosophy and play in The Philosophy of Play Routledge 2013 to develop a richer understanding of the concept and nature of play and its relation to

human life and value Made up of contributions from leading international thinkers and inviting readers to explore the presumptions often attached to play and playfulness the book considers ways that play in virtual and real worlds can inform understandings of each critiquing established norms and encouraging scepticism about the practice and experience of play Organised around four central themes play ing at the limits aesthetics metaphysics ontology and ethics the book extends and challenges notions of play by drawing on issues emerging in sport gaming literature space and art with specific attention paid to disruption and danger It is intended to provide scholars and practitioners working in the spheres of play education games sport and related subjects with a deeper understanding of philosophical thought and to open dialogue across these disciplines
