Philosophy Feminism And Faith:

Philosophy, Feminism, and Faith Ruth E. Groenhout, Marya Bower, 2003-02-19 In this collection women who balance philosophy feminism faith write about their lives Feminist Philosophy of Religion Pamela Sue Anderson, Beverley Clack, 2004 Feminist Philosophy of Religion Critical Readings brings together key new writings in this growing field

Philosophy, Feminism & Faith Ruth E. Groenhout, Marya Bower, 2003-02-19 The stories are powerful sometimes heart rending sometimes lyrical but always deeply personal And there is some very good philosophizing as part of the bargain Merold Westphal How can the seemingly separate lives of philosopher feminist and follower of a religious tradition come together in one person's life How does religious commitment affect philosophy or feminism How does feminism play out in religious or philosophical commitment Wrestling with answers to these questions women who balance philosophy feminism and faith write about their lives The voices gathered here from several different traditions Catholic Protestant Quaker Jewish and Muslim represent diverse ethnicities races and ages The challenging and poignant reflections in *Philosophy Feminism and Faith* show how critical thought can successfully mesh with religious faith and social responsibility *Re-visioning Gender in Philosophy of Religion* Pamela Sue Anderson, 2012 Unearthing the ways in which the myths of Christian patriarchy have historically inhibited and prohibited women from thinking and writing their own ideas this book covers fresh ground for revisioning the epistemic practices of philosophers Anderson seeks both to draw out the salient threads in the gendering of philosophy of religion as it has been practiced and to revision gender for philosophy today New Topics in Feminist Philosophy of Religion Pamela Sue Anderson, 2009-12-05 Having enjoyed more than a decade of lively critique and creativity feminist philosophy of religion continues to be a vital field of inquiry New Topics in Feminist Philosophy of Religion maintains this vitality with both women and men from their own distinctive social and material locations contributing critically to the rich traditions in philosophy of religion The twenty contributors open up new possibilities for spiritual practice while contesting the gender bias of traditional concepts in the field the old models of human and divine will no longer simply do A lively current debate develops in re imagining and revaluing transcendence in terms of body space and self other relations This collection is an excellent source for courses in feminist philosophy phenomenology hermeneutics and literature Continental and analytical philosophy of religion engaging with a range of religions and philosophers including Kant Kierkegaard Marx Heidegger Arendt Weil Beauvoir Merleau Ponty Ricoeur Levinas Irigaray Bourdieu Kristeva Le Doeuff bell hooks and Jantzen **Feminism, Religion and Practical Reason** Beverley Clack, 2022-01-06 Pamela Sue Anderson's *A Feminist Philosophy of Religion* 1998 and Grace Jantzen's *Becoming Divine Towards a Feminist Philosophy of Religion* 1998 set the tone for subsequent feminist philosophies of religion This Element builds upon the legacy of their investigations revisiting and extending aspects of their work for a contemporary context struggling with the impact of post truth forms of politics Reclaiming the power of collective action felt in religious community and the importance of the struggle for truth

enables a changed perspective on the world itself necessary to realise the feminist desire for more flourishing forms of life and relationship crucial to feminist philosophy of religion **Becoming Divine** Grace Jantzen, 1999 The book's contribution to feminist philosophy of religion is substantial and original It brings the continental and Anglo American traditions into substantive and productive conversation with each other Ellen Armour To what extent has the emergence of the study of religion in Western culture been gendered In this exciting book Grace Jantzen proposes a new philosophy of religion from a feminist perspective Hers is a vital and significant contribution which will be essential reading in the study of religion

Feminism, Sexuality, and the Return of Religion Linda Martín Alcoff, John D. Caputo, 2011-05-19 Feminist theory and reflections on sexuality and gender rarely make contact with contemporary philosophy of religion Where they all come together creative and transformative thinking occurs The essays in this book break down barriers as they extend the richness of each philosophical tradition They discuss topics such as queer sexuality and religion feminism and the gift feminism and religious reform and religion and diversity back cover

Re-visioning Gender in Philosophy of Religion Pamela Sue Anderson, 2017-10-24 A passion for justice and truth motivates the bold challenge of Revisioning Gender in Philosophy of Religion Unearthing the ways in which the myths of Christian patriarchy have historically inhibited and prohibited women from thinking and writing their own ideas this book lays fresh ground for re-visioning the epistemic practices of philosophers Pamela Sue Anderson seeks both to draw out the salient threads in the gendering of philosophy of religion as it has been practiced and to re-vision gender for philosophy today The arguments put forth by contemporary philosophers of religion concerning human and divine attributes are epistemically located yet the motivation to recognize this locatedness has to come from a concern for justice This book presents invaluable new perspectives on the philosopher's ever increasing awareness of his or her own locatedness on the gender often unwittingly given to God the ineffability in both analytic and Continental philosophy the still critical role of reason in the field the aims of a feminist philosophy of religion the roles of beauty and justice the vision of love and reason and a gendering which opens philosophy of religion up to diversity

Feminist Interpretations of Hans-Georg Gadamer Lorraine Code, 2010-11-01 Fifteen essays examine the work of German philosopher Hans Georg Gadamer to provide feminist interpretations of his views on science language history literature and other topics

Latter-day Saint Perspectives on Atonement Deidre Nicole Green, Eric D. Huntsman, 2024-01-02 New approaches to a central area of Latter day Saint belief The Church of Jesus Christ of Latter day Saints and other Christians have always shared a fundamental belief in the connection between personal salvation and the suffering death and resurrection of Jesus Christ While having faith in and experiencing the atonement of Christ remains a core tenet for Latter day Saints some thinkers have in recent decades reconsidered traditional understandings of atonement Deidre Nicole Green and Eric D Huntsman edit a collection that brings together multiple and diverse approaches to thinking about Latter day Saint views on this foundational area of theology The essayists draw on and go beyond a wide range of perspectives classical atonement theories and contemporary reformulations of atonement theory The first section focuses on scriptural and historical foundations while the second concentrates on theological explorations Together the contributors evaluate what is efficacious and ethical in the Latter day Saint outlook and offer ways to reconceive those views to provide a robust theological response to contemporary criticisms about atonement Contributors Nicholas J Frederick Fiona Givens Deidre Nicole Green Sharon J Harris J B Haws Eric D Huntsman Benjamin Keogh Ariel Bybee Laughton Adam S Miller Jenny Reeder T Benjamin Spackman and Joseph M Spencer

Feminism and Religion in the 21st Century Gina Messina-Dysert, Rosemary Ruether, 2014-10-10 This anthology will explore the new directions of conversations occurring in relation to feminism and religion as well as the technological modes being utilized to continue dialogue expand borders and create new frontiers in feminism It is a cross generational project bringing together the voices of foremothers with those of the twenty first century generation of feminist scholars to discuss the changing direction of feminism and religion new methods of dialogue and the benefits for society overall

The Pleasure of the Feminist Text Susanne Gruss, 2009-01-01 I would regard myself as a feminist writer because I m a feminist in everything else and one can t compartmentalise these things in one s life Angela Carter When I became a feminist in 1968 I felt that I d come home the first home I ever had that was feminine And it was very wild and theatrical and erotic the early feminism Mich le Roberts Angela Carter and Mich le Roberts share a keen interest in gender and sexual identity but many of their topics seem to mark them as opposites Roberts s fascination with the impact of religion motherhood and autobiography on female identity covers areas that Carter shuns in her writings In reading these two authors parallel and in contrast to each other this monograph follows a triple objective it provides a comprehensive critical introduction to the works of Roberts explores aspects of Carter s work that have not yet been analyzed sufficiently religion motherhood and masculinity and uses both authors to explore motifs and strategies of feminist writing The analyses of both authors works are supplemented by close readings of a wide range of theoretical perspectives especially French feminism and psychoanalysis and concise theoretical outlines of the topics covered radical feminism religion motherhood and fatherhood masculinity fairy tales romances and chick lit and history and auto biography

Evidence and Faith Charles Taliaferro, 2005-02-28 Taliaferro has written a dynamic narrative history of philosophical reflection on religion from the 17th century to the present with an emphasis on shifting views of faith and the nature of evidence The book begins with the movement called Cambridge Platonism which formed a bridge between the ancient and medieval worlds and early modern philosophy While the book provides an overview of different movements in philosophy it also offers a detailed exposition and reflection on key arguments and the scope is broad from Descartes to contemporary feminist philosophy of religion *The Routledge Companion to Philosophy of Religion* Chad V. Meister, Paul Copan, 2013 The Routledge Companion to Philosophy of Religion Second Edition contains nine new entries and is an indispensable guide and reference source to the major themes movements and topics in philosophy of religion *The Ethics of Embryo Adoption and the Catholic Tradition* Sarah-Vaughan Brakman, Darlene Fozard Weaver, 2008-04-08 The strength of this collection of essays is its careful consideration from a variety of perspectives within the Catholic tradition of the practice of embryo adoption It approaches the question in an open and reasonable way by allowing proponents of diverse positions within the tradition This method both sheds a great deal of light on the particular question and at the same time introduces the reader to the relevant general principles that guide Catholic moral thought Feminism, Perennial Philosophy, and Faith Anthony T Vento, 2021-02-08 The word feminism has had positive associations since the beginning of the movement for women's rights in the 19th century People usually comprehend it as the teaching that men and women should be equal in all aspects of life Women should have equal access to education labor market advance in career they should have equal rights as citizens All women should have the right to vote and to be elected as members of a certain legislative executive or judicial body in a given country They should not be discriminated against only because of their gender No doubt this is a global movement Feminists are everywhere in all parts of our planet In spite of the fact that there can be some regional differences and that in some places feminism is barely allowed in Iran or Saudi Arabia it is hard for it to thrive the central ideas of feminism are similar This is the romantic story of classical feminism under the form of a movement for women's rights Recently feminism has taken a radical turn It has been directed against Christianity it has been saying that Christianity suppresses women against patriotism against the traditional family and generally against our way of living nowadays In this sense feminism has become a revolutionary theory and agenda It aims at transforming our society through a feminist revolution This is called radical feminism Visions of Agapé Craig A. Boyd, 2017-03-02 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves Diverse theological and moral traditions address the question in quite startling contrast Thomists

follow the dictum that Grace does not destroy nature but perfects it Lutherans draw a sharp contrast between law and Gospel while Wesleyans see charity as the sanctifying power of the Holy Spirit Some feminist theorists see the idea of self giving love as contrary to genuine self fulfilment while the neo Kantians see love as a duty to others and some Kierkegaardians see the command to love as an unusual manifestation of divine command ethics These diverse approaches in light of contemporary research in the natural and social sciences can provide fertile ground for the exploration of the intersection of human and divine love To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation *Philosophers and God* John Cornwell, Michael McGhee, 2009-07-25 A series of philosophers reflect upon the status and sources of their religion and spiritual sympathies They rise above the rancour of recent debates fuelled by secular critics such as Dawkins Dennett and Hitchens to reclaim the essential capacity of religion to touch the hearts and minds of a diverse global audience

Philosophy Feminism And Faith Introduction

In today's digital age, the availability of Philosophy Feminism And Faith books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Philosophy Feminism And Faith books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Philosophy Feminism And Faith books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Philosophy Feminism And Faith versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Philosophy Feminism And Faith books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Philosophy Feminism And Faith books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Philosophy Feminism And Faith books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Philosophy Feminism And Faith books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Philosophy Feminism And Faith books and manuals for download and embark on your journey of knowledge?
