God's Beauty-in-Act Stephen M. Garrett,2013-07-24 Jurgen Moltmann and others contend that Christian theology and the church face a dual crisis one of relevance and the other of identity Despite making this pronouncement nearly forty years ago the church in the West continues to struggle with this crisis Several proposals have been espoused from the way of wisdom to the way of ecclesial praxis Yet little attention is given in Protestant theological discourse to the role God s beauty

plays in bringing theology and ethics together By neglecting God's beauty for theological discourse we risk diminishing Christian worship witness and wisdom God's Beauty in Act addresses these issues in part by arguing that the redemptive creative suffering and glorious resurrection of Christ are the nexus of God's being beauty and Christian living God's beauty understood as the fittingness of the incarnate Son's actions in the Spirit to the Father's will radiates God's glory and draws perceivers into the dramatic movements of God's triune life These movements serve as the patterns that shape the imagination enabling participants to perform their parts creatively and fittingly in God's drama of redemption In doing so human beings flourish as they jettison false identities and realities of their own making that are incommensurate with God's purpose found in Christ by the Spirit [The Long-Term Care Restorative Nursing Desk Reference](#) Barbara

A Virtue Ethical View of Trinitarian Sanctification Ronald M. Rothenberg, 2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification 1 the Trinity virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification 3 Jesus' active roles as a teacher and example of virtue play an important part in Trinitarian sanctification and 4 Jesus' priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit 2 the character that is from the Father is

revealed through the Son's example that is to be imitated by the believer through habituation and reciprocity by the Spirit's leading and 3 believers are led by the Spirit's intercession into prayer Rom 8 14 16 26 27 to be helped through the Son's priestly intercession in order to receive an answer from the Father with the aim of manifesting the virtues of endurance and hope in the lives of believers *Business Vocabulary in Use: Intermediate with Answers and CD-ROM* Bill
